2. INITIATIVES OF THE STATE

- The State Government is following 5+3+2 structure in school education. Earlier setup of secondary education was from class 8th to 10th, which has been changed by the State Government as per accepted national norm i.e. 8+2+2. Now in the State, secondary structure is from class 9th to 10th in all the schools. As far as higher secondary stage is concern, State Government is following national pattern.
- The total successful HSLC passed candidate from Residential Special Training Centre (RSTC) and Non-Residential Special Training Centre (NRSTC) in 2017 is 429. Out of these, 57 candidates secured 1st division, 78 candidates secured IInd division and 194 candidates secured IIIrd division.

3. ACTION TAKEN ON COMMITMENTS GIVEN BY THE STATE FOR 2017-18

The progress made in implementing the commitments given by the State in 2017-18 was reviewed. The status in respect of some of the major commitments are as follows:-

As a next step, this document is to be translated in the regional language by the State and it is suggested that these learning outcomes are included in the State rules for RTE. The survey of learning outcomes will be conducted during 2017-18 as a sample survey. MHRD will support the State for making adequate preparations for the survey. MHRD also highlighted the need of support to stand alone primary schools which may require additional help in this survey. State has 40481 standalone schools which may require proper monitoring and assistance so that these schools perform better in the survey.	Learning Outcome document has been translated into Assamese, Bengali and Bodo. It has been circulated to schools. Training at block level has been given to teachers on learning outcome.
