Re.: Statutory Audit of Annual Financial Statements under Paschim Banga Sarva Siksha Mission for the year 2015-16

Sub: Management Letter

We have audited the consolidated Balance Sheet as at 31st March, 2016 of Paschim Banga Sarva Siksha Mission, Bikash Bhawan, Salt Lake City, Kolkata - 91, along with Consolidated Income and Expenditure Account and Consolidated Receipt and Payments Accounts for the year ended on that date and report as under:

While compiling the Accounts, the accounts of the individual District audited by us (Birbhum, Bankura, Purulia, Nadia, South 24 Paraganas, Jalpaiguri and Coochbehar) as also accounts of the District audited by co-auditors viz. Messrs K K Channani & Associates, Chartered Accountants (Mursidabad, Burdwan and Dakshin Dinajpur), Messrs K N Jain & Co., Chartered Accountants (Hooghly, North 24 Pargana, Kolkata & Paschim Midnapore), Messrs SBA & Associates, Chartered Accountants (Purba Midnapore, Howrah & Uttar Dinajpur), Messrs Ghosal & Ghosal, Chartered Accountants (Malda, Siliguri & Darjeeling) have been incorporated.

While conducting the audit of the Project Financial Statement of SPO, DPOs we came through the following issues which need to be addressed by the Society with utmost priority.

1. The Mission was allotted an annual budget allocation of Rs. 4294.80 Crore for the Financial Year 2015-16 out of which expenditure was incurred to the tune of Rs.1907.58 Crore, approximates 44% of expenditure of annual budget. Critical Surplus was observed under the intervention New Teacher's Salary and Civil Construction wherein surplus of 70% and 43% is available as on 31st March 2016. Effort should be made to increase the activities of the Project rapidly in order to optimum utilization of Budget allocation of the Project. It may be mentioned here the Society has received Rs.1858.56 Crores from State Government (Rs.611.77) and Central Government (Rs.846.79 Crores) and Additional Contribution from State Government (Rs. 400 Crore) for the purpose of SSA.
2. The SPO along with the DPOs is keeping the fund of SSA, Specific Program Funds and other State Funds in a single Bank Account as such the Fund wise Bank Balance is not maintained. It is recommended to maintain separate Bank Account for SSA to ensure non-diversification of fund. As per the explanation provided by the management the segregation of Bank Balances as on 31.03.2016 is as follows:

Name of the Fund	Amount (Rs.)
SSA Fund	730,46,86,997.45
Swachh Bharat Kosh	36,05,00,000.00
Non-SSA Fund	227,37,44,146.00

3. The State Project Office is directly disbursing grant to KGBVs located at various Districts in their Bank Account. However, we observe that an amount of Rs. 14.45 crores is lying idle at the DPO Bank which is of no use under the present fund flow mechanism and as such the same is required to be refunded back to SPO after settlement of loans obtained from other Fund. Further Loan to SSA amounting Rs.64.34 Crore needs to be adjusted with the SSA Fund.
4. Fixed Assets procured by the SPO / DPOs were not verified and documented by the competent authority on yearly basis. Further, at the DPO, the register for Fixed Assets was not maintained in spite of repeated recommendations being made by Internal and Statutory Auditor.
5. The Society is hereby advised to close / freeze it's Books of Accounts in Tally software or Physically immediately after the Audit and to maintain the authenticated hard copy of the ledgers for each Financial Year.
6. It was observed that fund was released from SPO to KGBVs with a considerable delay. Further, the quantum of fund release is not commensurate with the strength of the Students in the KGBV. It is advised to release fund to KGBV on most logical and timely basis.
7. The unspent balance of WBBSE as on 31.03.2016 was Rs. 97,35,638.00. In the books of Society the balance is Rs. 18,89,251.00. During the year fund was not allotted to the WBBSE. Reconciliation of the difference of Rs. 78,46,387/- should be made and unspent balance should be recovered.
8. During the financial year, Rs. 2,22,38,000.00 for the financial year 2014 - 15 was given for untrained primary teacher through West Bengal Board of Primary Education. Utilization certificate of Rs. 8,35,89,049.00 was available. The balance as per books of accounts of SSA as on 31.03.2016 was Rs. 19,06,43,508.00 and the same of West Bengal Board of Primary Education was Rs. 22,89,78,569.50. Reconciliation of the above difference should be made and unspent balance should be recovered.
9. In the Books of Pashchim Banga Rajya Sishu Shiksha Mission, no individual ledger account was maintained in the name of Paschim Banga Sarva Shiksha Mission. Thus, balance on 31.03.2016 could not be arrived and we were not in a position to verify the same with the balance as appearing in the Books of Paschim Banga Sarva Shiksha Mission.

10. As compiled from District Financial Statement, it was evidenced that Rs.8.14 Crores of Refund was received by the District Project Offices which could not be identified by the DPO with specific intervention and as such the same has been adjusted with General Fund.
11. During the Financial Year, Interest of Rs.19.29 Crores was received by the DPOs from CLRC and Schools. However, interest on average unspent advances works out to Rs. 36.73 Crores. Hence, a gap of Rs.17.44 Crore was observed which is yet to be refunded back from CLRC and Schools. It is advised that State Project Office should oversee the refund of interest to the Project. Interest accrued on funds other than SSA has been considered as Income of the SSA Fund.
12. At Siliguri Educational District, an amount of Rs. 85,84,400 has been disbursed to CLRCs and Upper Primary School for Uniform Grant of General Boys out of the State Government Fund. As against the said fund, Rs. 54,54,400/- was received from State Government. Excess disbursement of Rs. 31,30,000/- was made from SSA fund leading to diversification of fund.
13. Expenditure under non-civil intervention to the tune of Rs. 33,00,28,048/- out of the expenditure recognized during the financial year is relating to the earlier year and as such the expenditure does not qualify the eligibility criteria of the Project expenditure for this financial year.
14. In the Kolkata Educational District, Unutilized balance of recurring grant for Residential Hostel to the tune of Rs.2.29 Crore was allowed to the NGOs to utilize the same for construction and capital work. Such type of diversion of fund was not permissible. Further, Bank account of DPO with Bank of India, Rash Behari Avenue Branch, Kolkata was not reconciled since inception. Un-reconciled amount is Rs. 6,11,62,367.68 as on 31.03.2016.
15. Clause 111.2 of Procurement Procedure under Chapter IX of Financial Manual states that the award and administration of contracts rests with the Implementing Societies. However, it seems Procurement of suppliers, awarding of the contract as regards procurement of Text Book has been executed from the School Education Department and the Society is following the instruction of the SE Department. As such the documentary evidence with reference to agreement with the Text Book Corporation, justification of derivation of rate of supply, total number of books to be delivered in a session at a particular educational district, actual delivery quantity along with their date of supply etc. are not available to the Society. Therefore we are not in a position to verify the payment of Rs. 47.60 Cr. to text Book Corporation with reference to the conditions stipulated in the Agreement.
16. It is evidenced while auditing at the Educational Districts, that the concerned cell is receiving the quantity of Books of different classes up to Eight Standard which

are not in tune with the demand and number of Books for a particular class. From the documents available at the DPO & SPO, it is imperative that School Education Department reserves the sole right to fix the quantity of supply of Books and as such the actual requirement of books remain redundant.

17. It was evidenced from the Books and other Financial Records of DPO and SPO that Payroll wise employer's PF, EPS and other contribution was not available on record. The Employer's contribution to EPS, PF and other contribution is determined by applying reverse calculation method. It is hereby advised to keep the trail of entire payroll including Employer's contribution in order to ensure transparency of deductee wise statutory deduction. It is also advised to reconcile the number of employees as per PF Return with the No. of Employees in the Payroll in order to ensure that all the employees are covered in PF. The said reconciliation is not place and at some Districts such differences were noted by Audit.
18. Standardized accounting heads as prescribed in the financial manual are not being followed by most of the Districts. Standardized format of Balance Sheet, Income and Expenditure A/c, Receipts and Payments A/c have not been implemented at DPO level , As a result of which clubbing of certain expenditures, incomes, assets, liabilities, advances etc. have been made, wherever necessary for the purpose of total consolidation of accounts. We suggest that SPO should issue standardized and uniform Final Accounts format as much as practicable to all districts for preparation of accounts.
19. In SPO, Nadia & Uttar Dinajpur Districts TDS has not been deducted and deposited within the time limit as per statute and also professional Tax has not been deposited in time.
20. While auditing the expenditure of KGBV, it was observed that those schools are not complying with the SSA guidelines and vouchers and other documentary evidences not adequately and reasonably supported claim of expenditures. Number of students as claimed in the Utilization Statement is not in agreement with the actual student stayed in the Hostel during the period. It is hereby advised to pay a surprise visit from DPO to the KGBV to review their activities.
21. It was noticed at almost all the Districts the under some CLRCs, the schools who are receiving the fund of Uniform Grant from VEC/WEC/CLRC are distributing the same among the students in cash form instead of distributing the uniforms. The fact frustrates the very purpose of the fund. It is recommended to issue strict guidelines to DPOs to monitor the same. List of name of the school were included in the Individual District Report.

22. It was noticed during audit that upper primary schools receiving civil grants were incurring majority of the expenditure by withdrawing cash from Bank which leads to either unjust holding of cash or lacks the authenticity of payment. Society is hereby advised to restrict the payment of civil expenditure through cash in order to ensure transparency in end utilization.
23. At various Educational Districts and SPO, it was observed that various legal cases were pending with the vendor / parties / other beneficiaries which may result future economic outflow to the Project, were not quantified (wherever possible) and provided as contingent liability in the form of Notes to the Financial Statement.
24. We suggest that authorized representative of all units particularly SSKs/MSKs Should be trained in respect of maintaining books of accounts in double entry system on regular basis. All units (excluding DPOs, CLRCs) should be properly advised to keep all debits and credit vouchers along with relevant document like bill, invoices, resolution register, cash memos, quotation etc. In proper serial order inarch file with accuracy.
25. The maintenance of utilization Certificates (UCs) Register by the Districts are not in order and as such the UCs received during the year under audit irrespective of the period of utilization has been taken into consideration for adjustment of civil advances, after ascertaining that the said UCs were not taken into consideration earlier.
26. The utilization statement of civil and non-civil advances as submitted by the District is not in agreement with the aggregate of Utilization submitted by CLRCs Further, the utilization statement of civil and non-civil advances as submitted by CLRC is not in agreement with aggregate of Utilization submitted by VECs, WECs and SMCs. However, to avoid the multi-point mismatch in utilization, we have relied upon the UCs submitted by the District Authority.

All the districts have taken into consideration, utilization certificates in respect of civil and non-civil advances made for the year under audit i.e.; 2015-16 and cumulative amount up to 2014-15 till date of audit by the statutory auditor of respective districts as per the instruction from the state office.

27. Expenditure on account of Free Text Book, Innovation and School Grant to the tune of Rs. 4.09 Crore was incurred in excess of the allocated budget which requires the approval from the appropriate authority.
28. During our audit, it is observed that there is inadequate supervision in all level i.e. from State to CLRC. Huge sum lying as advances instead of adjustment with expenditure as per stipulated guidelines or refund. The accumulation of old

advances is not monitored appropriately. Direction of refunding interest and other unused general fund, wherever required was not issued from most of the Districts.

29. It is observed that irregularities pointed out in the previous audit reports in respect of Civil Advances, Non-civil advances, Fixed Assets Register, Utilization Certificate of various civil and non-civil advances & Maintenance of other Registers such as stock register, cheque Issue register, allotment register, attendance register, leave/casual leave register, fund allotment/received, etc., and journal, ledger trial balance/books have not been regularized in the year 2015-16. Procurement procedures have not been fully regularized/ implemented. Management is advised to regularize the issues pointed out in previous audit report(s).
30. During the course of our audit of accounts VECs, WECs, SMCs, SSK's and MSK's, we have observed that most of them have been maintaining a common bank account in which funds other than SSM are also deposited, which result in problem of ascertaining the interest and balances of each SSM fund and reconciliation of the same.

Considering the Physical Environment, accessibility, communication facilities and so many other hindrances, we are in opinion that the PBSSM has made a deep impact in the state of West Bengal and this has been achieved through the enormous hard work of the executives of the Unit. In spite of the achieved result, the executives of the PBSSM should devote more effort for achieving the results as envisaged in the objectives of the Scheme. We are sure that the executives of the PBSSM will do the needful in near future for resolving the deficiencies, mentioned in the above paragraphs.

Lastly, we convey our heartfelt thanks to the Hon'ble SPD, CF and all the executives related to the PBSSM for extending their cooperation for smooth completion of this assignment.

- ❖ Supporting documents with regard to debit and credit vouchers were not authenticated by the competent authority.
- ❖ CLRC purchased various assets out of the contingency fund but not entered the same in the Fixed Assets Register.

- ❖ Huge amount of civil grant remain unutilized.
- ❖ VEC/WECs consisting of more than one schools generally failed to produce supporting of all schools under them.
- ❖ In some cases, fund for mid day meal has been included in the Bank of SSM.

- ❖ Separate cash book for SSM project has not been maintained.
