Smt. Rina Ray, Special Secretary (SE&L) welcomed the participants and the State representative led by Shri. Amrendra Pratap Singh, Principal Secretary (School Education), Govt. of Jharkhand and invited them to brief on the initiatives undertaken by the state.

2. Initiatives of the state

- i. Swachh Vidyalaya-Swasth Bachhe: State government has started a programme "Swachh Vidyalaya-Swasth Bachhe" for addressing the issue of school sanitation, health & hygiene and behavioral change.
- ii. Mukhya Mantri Shaikshik Bhraman Yojna: The scheme was launched in 2017-18 covering 3000 children and 150 teachers. A MoU was signed with IRCTC through which 18 coaches were arranged in dedicated trains for tour to different parts of the country.
- iii. Project SATH: It was initiated in September 2017. A detailed diagnostic was undertaken and a roadmap with 15 initiatives was designed, and significant progress has been made under: School reorganisation, Teacher Rationalisation, State wide learning enhancement programme, E- Vidya Vahini, etc.
- iv. State Govt. has started a scheme under Swami Vivekanand Nihshakt Yojna, under which, the Department of Social Welfare and Women & Child Welfare is providing Rs. 600/- to children having 40% disability as stipend on monthly basis. The criteria for eligibility includes: Medical certification of 40% disability; Income Certificate of parents; Residential Certificate; Aadhar Number; and Bank Account details.
- v. State had initiated a programme Vidyalay Chalen Chalayen Abhiyan (VCCA), which is designed and operationalized with focus on two major components i.e., Vidyalay Chalen Abhiyan and Vidyalay Chalayen Abhiyan. While the focus of Vidyalay Chalen Abhiyan is on dropout children, the focus of Vidyalay Chalayen Abhiyan is on retention of newly enrolled children especially dropouts. This initiative in the last 2 years has proved to be highly effective in terms of student enrolment and school improvement, with more than 7 lakh children getting enrolled in schools each year

and children from even private schools having shifted to Government schools in several districts.

- vi. Prayas: To enhance student attendance across the state, an integrated approach has been designed in the name of Prayas to identify any child who remains absent in school for than 3 days continuously and bring back the child to school in a concerted approach through students from that locality, members of Bal Sansad, concerned teachers and SMC members. This initiative has proved to be quite effective and has enhanced student attendance by around 10% in the state.
- vii. Mukhyamantri Vidya Lakshmi Yojna: It is an initiative by the state government to provide incentive to the SC/ST under-privileged girl students who are deprived of the basic amenities so that their interest and inclination towards school increases. Under the scheme a sum of rupees 2000 is deposited (FD) in the account of class 6 SC /ST girl students and they are entitled to get the total amount when they take admission in class 9.

3. Action taken on commitments given by the state for 2017-18

The progress made in implementing the commitments given by the State in 2017-18 was reviewed. The status in respect of some of the major commitments are as follows: -

Sl. No	Commitments	Action Taken									
1	State will undertake the Teacher rationalization in order to improve the PTR.	Teacher rationalisation is in process. Approx. 4564 sub scale schools have been merged in nearby schools and teachers of these schools are being rationalised through placing them in schools having high PTR.									
2	The state will do an in-depth analysis in case of low retention districts at primary level.	Analysis has been completed. Low Retention Blocks and Clusters were identified and targeted under ZERO DROPOUT PANCHAYAT Programme. A hard copy of the Summary State Tables I and II on the Shagun Portal, duly signed by the State Project Director, would be submitted at the time of the request for release of funds under SSA. This would be in addition to the already prescribed documents under the GFR.	State has updated the progress in implementation of the approved activities under the AWP&B on the SSA Shagun Portal.
8	State should create a Child wise database (using Aadhaar wherever available or any other unique Id for every child) by June, 2017. This database would make the enrolment indicators robust and reliable.	Child wise database using Aadhaar for 2016-17 is already submitted to GoI and the same is being updated for 2017-18. 4. Appraisal issues 2018-19

Educational Indicators

- The retention rate at primary level is 76.7%, at elementary level is 53.2%, at secondary level is 96.95% and at senior secondary level is 98.55%.
- The dropout rate is zero at primary level and elementary level, 1.5% is at secondary level and zero at senior Secondary level, which needs to be verified in view of low retention rates.
- The total decline between the grades is zero, whereas the OoSC reported by the State is 60018.
- There are about 50% primary, 87.3% upper primary schools having adverse PTR.
- There are 2362 surplus teachers in the State requires redeployment.

Access and Retention

- State has completed GIS mapping of all its schools and has developed its own web portal with many useful features.

- Under SD MIS, out of total 7194845 children enrolled in Schools in the State, Aadhaar data of 5323869 i.e., 74% has been done. However, this data is yet to be uploaded on the SD MIS portal.
- While state is reporting 60,018 out of school children, IMRB (2014) estimated 140426 out of school children and census 2011 has reported 1247155 children being out of school in the age group 6-14 years.
- Proposal of Transportation is recommended with the condition that State will notify the area and limits of Neighbourhood for Transportation/Escort in its RTE Rules and will categorize it as child entitlement.

Quality

- PAB expressed serious reservations about the Govt. of Jharkhand reinterpreting the provisions of the Right to Education Act in terms of entitlements and provisions of Textbooks. The concept of Book Bank was temporary until such time as a state could print and deliver. State needs to take a relook on the proposal for printing fewer textbooks under Recycling of Textbooks as the provision of Textbooks is an RTE entitlement for every child from Classes 1 to 8.
- There are 17970 (32%) teacher posts vacant in the State in Primary cadre while 5041 (47%) in Upper Primary cadre and 3023 (91%) in Headmaster cadre at upper primary level, are vacant.
- State has to ensure review of Textbooks of elementary classes by NCERT from gender perspective.

- State's performance is above the national average in the National Achievement Survey for classes 3, 5 and 8. The subject wise and class wise details are as provided in the table below:

Class	Level	Level of Attainment of Learning Outcomes with reference to specific Performance Indicator				
		Language	Mathematics	EVS	Science	Social Science
III	National	68	64	65	-	-
	State	70	66	66	-	-
V	National	58	53	57	-	-
	State	61	56	64	-	-
VIII	National	57	42	-	44	44
	State	61	51	-	53	54

- Under Post NAS activities, State has disseminated the District Report Cards and analyzed the achievements of NAS 2017. On the basis of this analysis, remedial materials have been developed and training of teachers conducted linking with the learning outcomes. There are 11 low performing districts which falls below the state average, namely, Sahibganj, East Singhbhum, Simdega, Lohardaga, Jamtara, Latehar, Koderma, Gumla, Khunti, Giridih & Garhwa.
- State has just initiated the process of implementation of Shaala Siddhi i.e., School Standards & Evaluation framework. Out of the 48,848 Schools available in the state, only 2 are in progress while the remaining have not been started.

Teacher Education and Teacher Training

- In view of the focus on strengthening of DIETs with a focus on both pre-service and in-service teacher training, state has completed the district wise analysis and have decided to follow a hybrid model of reducing intake of pre-service students and utilizing the physical and academic resources so freed for in-service training. Accordingly, 14 DIETs will be conducting only pre-service teacher education while 6 DIETs, will be conducting only in-service training programmes. State Government needs to prioritize implementation of the actionable points on restructuring and reconceptualization of DIETs as per the MHRD Guideline (2017).
- As per the guidelines of MHRD on Strengthening of SCERT (2018), and as an initiative of Project SATH-E, restructuring of SCERT has been initiated by the state. In view of the focus on strengthening of SCERTs, State Government needs to prioritize the process of organizational restructuring of the SCERT.
- State has just initiated the process of implementation of DIKSHA. Under this, the JCERT has been notified as the nodal agency and the Director, JCERT as the nodal officer. The Steering Committee and Committee for Content Curation and Taxonomy have also been constituted.
- As per the scheme, 45 academic posts have to be sanctioned in JCERT. The State Govt. has sanctioned only 5 post and filled up 3 academic posts. State needs to

speed up the process of strengthening and reorganization of the JCERT as per the MHRD guideline (2018).

- As per the scheme, 500 (@ 25 per DIET x 20 DIETs) academic posts have to be sanctioned. State has sanctioned 442 academic posts, out of which only 227 posts are filled up, i.e. 55% vacancy.
- No funds have been released for Teacher Education in the previous year due to non-submission of Utilization Certificate and Expenditure statement of previous years, despite repeated reminders.
- It was informed that state is going to initiate the in-service training programmes for all levels of teachers shortly. State was advised to adopt the Kendriya Vidyalaya Sangathan (KVS) system for conducting Teacher Training Need Assessment at the initiation and completion of each teacher training programme through the dedicated training facilities set up in the name of Zonal Institute of Education & Training (ZIET). Under this, a simple set of question papers would need to be developed separately for standard 3, 5 and 8 teachers. The assistance of the state KVS ZIET Unit could be sought for designing the papers and the SCERT/DIETs could be assigned the task of analyzing the answer sheets. Since the key to improving learning outcomes is the teacher, the SCERT needs to play a bigger role with the assistance of the NCERT.

KGBV

- Construction of KGBV/ 60 Girls Hostel building [East Singhbhum, Garhwa, Hazaribagh, Palamu, Ranchi, Sahibganj, West Singhbhum, Gumla, Koderma, Simdega, Chatra, Godda, Jamtara, latehar, Pakur, Ramgarh & Saraikela-Kharsawan district] sanctioned in 2017-18 has not started so far. State has informed that money has been transferred to Jharkhand State Building Construction Corporation Limited for construction of girls' hostel in KGBV campus.

Vocational Education

- State needs to ensure that the admissions under Vocational Education are taken only in the NSQF compliant courses/job roles. Funding would not be available for the non-compliant courses. It should also follow the two-year implementation module under vocational education and the implementation timelines under vocational education may be strictly adhered to. The Assessment and certification of students may be completed in time and any delay and pendency in assessment and certification may be reported to MHRD.

5. Commitments of the State for 2018-19

This would help in honoring the teachers who are the fulcrum of the education system. ID cards may also be issued to all teachers to be worn during school hours.
- (xv) In view of the focus on strengthening of DIETs and SCERTs with a focus on both pre-service and in-service teacher training, the State Government would prioritize the process of organizational restructuring of the SCERTs and
