Minutes of the meeting of the Project Approval Board held on 20th June, 2018 to consider the Annual Work Plan & Budget (AWP&B) 2018-19 of Samagra Shiksha for the State of Jammu and Kashmir

1. INTRODUCTION

The meeting of the Project Approval Board (PAB) for considering the Annual Work Plan and Budget (AWP&B) 2018-19 under Samagra Shiksha for the State of Jammu and Kashmir was held on 20-06-2018. The list of participants who attended the meeting is attached at *Annexure-I*.

Sh Maneesh Garg, Joint Secretary (SE-I) welcomed the participants and the UT representatives led by Mr. Farooq Ahmed Shah Secretary, Govt. of Jammu and Kashmir.

2. INITIATIVES OF THE STATE

- **Seasonal Centers:** Access to school facilities for the nomadic population has always remained priority of the state. Seasonal Centers have been provided for the nomadic population during its migration from one place to another in search of green pastures. During the year 2016-17, a total no. of 22946 children belonging to Nomadic population of Gujjar&Bakerwals were covered.
- **E-Learning Trainings:** E-Learning training was designed for all the teachers including those who are not very familiar with computers. The major challenge was of breaking the rigidity of teachers towards use of technology. State provided training to almost 34000 teachers in the year 2016-17.
- **Jammu and Kashmir knowledge network (JKKN):** JKKN (www.jkkn.co.in) began with an idea of connecting schools of Jammu and Kashmir with the outside world of knowledge. JKKN has utilized existing ICT infrastructure in the schools and connected more than 200 schools with each other, using Video Conferencing tools. The schools include various CAL centers approved under SSA, and ICT schools approved under RMSA.

- **Student exchange program:**

The State informed that about 500 students with 50 escort teachers from J&K attended the Student Exchange Programme at Delhi w.e.f 18th Jan 2018 to 28th Jan 2018 and more than 450 students with 50 escort teachers from various Delhi schools visited Srinagar in April, 2018. Apart from that 40 students along with escort teachers from J&K State have also visited Andaman & Nicobar Islands.

3. ACTION TAKEN ON COMMITMENTS GIVEN BY THE STATE FOR 2017-18

The progress made in implementing the commitments given by the State in 2017-18 was reviewed. The status in respect of some of the major commitments are as follows:-

SNo	Commitments	Action Taken
i	State needs to work towards improving the learning outcomes of the children. The same should be reflected in the C-NAS to be conducted in the year 2017-18.	State has identified the areas where children need extra focus for improving their learning levels. A massive teacher training programme has been initiated to develop the capacity of teachers. Remedial teaching for those students who need improvement has been put in place.
ii	State is among the few where the expenditure in category I and category II is more than what is spent in category III. It would be appreciable if State maintains the same trend.	The state is focused on imparting quality teaching at elementary level. Thus the expenditure on child entitlements is more than the other categories. The State will maintain this trend.
iii	State has not mainstreamed any child in the year 2016-17. State should take this issue on priority basis and mainstream students (27355) in the year 2017-18.	State has taken various steps to increase enrolment and arrest dropout rate at the elementary level. The classroom atmosphere has been made child friendly. Supplementary material in the form of interesting colourful workbooks has been provided to the children. Pedagogy has been devised in such a manner that children enjoy their stay in school. Door to door campaign has been started to make

		parents aware about the importance of sending their children especially girl child to school. During 2017-18 the State mainstreamed 5,008 Out of School children out of which 4,317 have been enrolled in NRST Centres.
iv	State needs to provide GIS data of 2,177 schools on urgent basis so that the same could be shared with NIC. The State will complete GIS mapping of all schools (100%) and integrate their database with the NIC website http://schoolgis.nic.in/	GIS Mapping of the remaining 412 schools is in process and the fidelity check is under process.
v	State could not distribute Uniform in the year 2016-17. Uniform being one of the most important entitlement, it should be provided to the students at the earliest after opening of schools.	During 2017-18, SSA provided two sets of stitched uniform to 9,12,376 students.
vi	There are 11748 untrained teachers in the State which is an issue of concern. State should provide requisite training to these teachers at the earliest.	State enrolled 19,936 graduate teachers for 2-year B.Ed. course through IGNOU and 6,124 untrained teachers enrolled for D.El.Ed through NIOS.
vii	State should commit to operationalize 2 KGBVs (Kharoo of Leh district and Kishtwar of Kishtwar district) by June 2017.	Operationalization of KGBV Leh and Kishtwar districts has been initiated
viii	Around 37% seats are vacant in KGBV. State should create an awareness program by involving representatives from local authority and community at large and see to it that maximum seats are filled by the end of June 2017.	The vacant seats in KGBVs will be filled as soon as the under construction buildings for these KGBVs are completed.
ix	Construction of 30 KGBV buildings	The State has established 4 Engineering

	are still to begin and construction of 53 buildings is under progress. State should complete the work by the end of March 2018.	divisions exclusively for education department to ensure speedy completion of the school infrastructure.
x	Posts of 33 wardens, 44 Accountants, 27 watchmen, 19 Peons, 15 Head Cooks and 69 Assistant Cooks are lying vacant. State should expedite filling of these posts	Different categories of posts in KGBVs have been advertised and are likely to be filled up very soon.
xi	State would document their best practices and initiatives and subsequently upload it on the SSA Shagun portal. This would enable the State to showcase its successes and would provide a platform for all States to learn from each other.	The best practices and other initiatives have already been uploaded on the SSA Shagun portal.
xii	State should look into the issue concerning increase in 'Zero enrolment schools' in primary (562) and upper primary (154). Also, rationalization of teacher is required so that the figure of primary schools with single teacher is reduced which is 13% (1733) in the year 2016-17.	The State is framing a policy to merge zero enrolment primary and upper primary schools with nearby schools. This will also make available enough teachers to be posted in the primary schools where only single teachers are handling all the classes.
xiii	State would update the progress in implementation of the approved activities under the AWP&B on the SSA Shagun portal. A hard copy of the Summary State Tables I and II on the Shagun portal, duly signed by the State Project Director, would be submitted at the time of the request for release of funds under SSA. This would be in addition to the already	The progress in implementation of the approved activities under AWP&B is already uploaded on the Shagun portal. A signed hardcopy would also be submitted with the request for release of funds.

	prescribed documents under the GFR.	
xiv	For the year 2017-18, State has identified 27355 Out of School Children (OoSC) and it has committed that at least 10942 children out of these will be enrolled in schools during 2017-18.	During 2017-18, the State mainstreamed 5008 Out of School children out of which 4317 have been enrolled in NRST Centres for age specific training.
xv	Average Dropout rate will be reduced from 6.93% (in 2016-17) to 4.5% (in 2017-18) in respect of Primary schools and from 5.36% (in 2016-17) to 3.5% (in 2017-18) in Upper Primary schools.	Due to the efforts of the State, the dropout rate has reduced from 6.93% to 2.94% in 2017-18 at Primary level and from 5.36% to 1.23% at Upper Primary level.
xvi	State should create a Child wise database (using Aadhaar wherever available or any other unique Id for every child) by June, 2017. This database would make the enrolment indicators robust and reliable.	The State has introduced SDMIS to create a child wise database and Aadhaar enrolment is also under process and shall be completed within two months
xvii	State will maintain a database on details of its teachers, including their Aadhaar numbers.	All teachers are being included for maintaining a Teacher database with their Aadhaar Numbers.
xviii	State will undertake positive consolidation of its schools, within the provisions of the RTE Act, with a view to strengthen primary education and for optimum utilization of resources.	RTE Act is not applicable in Jammu and Kashmir. However the State has its own Right to Education Act, the provisions of which are almost in consonance with the RTE Act
xix	State will map all the stand alone Government and Government aided primary schools, develop and finalize	The State will share the progress achieved in mapping all the stand alone primary schools with the Department.

	specific action plans for improving learning outcomes in these schools and share it with the Department.	
xx	The State will rationalize teacher deployment in primary and upper primary schools, so that there is no single teacher school and all schools have PTR as per norms under the RTE Act, 2009.	The rationalization of teachers in Primary and Upper Primary schools is in process. The State Government is laying emphasis on maintaining a healthy PTR.
xxi	At the upper primary level, special emphasis should be laid on maintaining the subject PTR.	NOTED
xxii	State will recruit headmaster in primary and upper primary schools as per the RTE norms. Given the significant role of a headmaster in school management, direct recruitment (including through limited department exam) of 50% of all headmasters may be considered.	There is an effective four tier system of monitoring and evaluation in place in the State. All the schools are regularly visited by middle level officers at the zone and district level.
xxiii	State should ensure that children with less than grade level learning competencies are identified and provided learning support and in-school reinforcement. Efforts would be made so that that all children reach the desired grade-appropriate competency level.	Remedial teaching has been arranged for children with less than grade level learning competencies, so that these children are able to reach the grade appropriate competency level.
xxiv	State will explore the mechanisms for convergence with other departments especially with the Department of Panchayati Raj for maintenance of	The State is already working with other Departments for convergence of its early schooling programme and various options for maintaining of school infrastructure, school

	school infrastructure, school sanitation and provisioning of drinking water facilities in schools.	sanitation and drinking water facilities are being explored.
xxv	State should undertake the “Partnership Between Schools” Programme which aims to link schools located in rural areas with private, aided or government schools in urban or semi urban areas. This would help in bringing all students to one common platform and to share experiences and learn from each other.	The State has directed for twining of schools under partnership between schools. Under this linking of schools located in rural areas with private/ urban will take place for sharing of experiences and learning from each other.
xxvi	State will display a gallery of the grade-wise photos of teachers on the school notice board in all elementary schools. The photos would be in a size that is visible and identifiable. This would help in honouring the teachers who are the fulcrum of the education system.	The photographs of teachers have been prominently displayed on the notice board of all the elementary schools of the state.
xxvii	State will complete all the pending civil works in 2017-18.	The pending civil works are fast in the process of construction and shall be completed during this summer.
xxviii	State will ensure inspection and evaluation of all primary and upper primary schools.	There is an effective four tier system of monitoring and evaluation in place in the state. All the schools are regularly visited by middle level officers at the zone and district level.
xxix	The Department is in the process of extending the deadline for training of untrained teachers as mandated under the RTE Act, 2009; this is likely to be	All the untrained teachers are presently undergoing professional courses through NIOS and IGNOU.

	cleared by early April. The State will ensure that all teachers are trained within the extended period.	
xxx	The Central RTE Rules are being amended to include reference to class-wise, subject-wise Learning Outcomes for all Elementary Classes. Accordingly, once the related guidelines are received by the State, the State would include the Learning Outcomes in its own RTE Rules.	The learning outcomes document has been distributed to all the schools and teacher's posters of Learning Outcomes (LOs) are displayed on the walls of the classrooms. The teachers have been provided training in LOs.
xxxii	The State would ensure the implementation of Public Finance Monitoring System (PFMS) up to the last destination i.e., school.	The PFMS System stands already implemented in the state.
xxxiii	The Annual Report would be submitted to the Department for laying in the Parliament while the Audit Report would be laid before the State Assembly.	The annual report would be submitted to the department on time for its laying in the Parliament.
xxxiii	State have a good number of Schools under the control of various Departments other than Department of Education such as Municipalities, Panchayat, Tribal Dept., Social welfare etc. To bring these Schools under unified command it is suggested that a committee should be formed under the Chairpersonship of Secretary, Education of the State.	All the Government Schools in the State are under the control of department of Education.

v	The NER has decreased from 43.55% in 2015-16 to 39.28% in 2016-17 is an area of concern. However, the districts having low NER viz. Badgam 28.39%, Kulgam 30.35%, Shopian 30.48%, Rajouri 32.25% and Reasi 33.47% is also an area of concern.	With increase in GER, there is also a considerable improvement in NER to 45.23 % in 2017-18.
vi	The GPI at State level is 0.96 in the year 2016-17 which has decreased from 0.97 in the last year. State has provided the GPI of 0.97 which is incorrect, the same has been corrected and incorporated in the appraisal note. State needs to furnish the district wise break up of GPI of 0.96. The districts having low GPI viz. Doda 0.77, Badgam 0.86, Jammu 0.89 and Rajouri 0.90 is an area of concern.	Due to efforts made to increase access in respect of females, the GPI has increased to 0.98 in 2017-18, thus signalling a significant increase in girls enrolment. Gender gap has come down from 7 to 6.54 by taking initiatives at grass root level & by highlighting the benefits of Girl Education.

4. Appraisal issues- 2018-19

Educational indicators

- The GER (Elementary) for the State is only 75% which needs improvement.
- The Net Enrolment Ratio (NER) at Elementary level has decreased from 63.01% in 2016-17 to 61.70% in 2017-18.
- There are about 8.28% primary and 11.08% upper primary schools having adverse PTR. There are 26% Upper Primary schools where the subject teachers are not available as per RTE. The State was advised to focus on completing the redeployment/rationalization of teachers at Elementary level.

- The Annual Average Dropout Rate at Elementary level, Secondary level and Hr. Secondary level have decreased drastically from 12.85% , 24.35% and 10.47% respectively in the year 2016-17 to 2.36%, 3.36% and 1.30% respectively in the year 2017-18. While this is good, the State may still have a relook at the rate of dropout, to ensure there are no data discrepancies.
- There is no specific definition of dropout adopted by the state. The State needs to define dropout.
- Need to cleanse the enrolment data in UDISE.
- State should devise easy processes for admission at different levels to improve transition ratios.

Access

- 83 Primary Schools sanctioned under erstwhile scheme of SSA are still unopened. These schools are pending since 2012-13, despite 442 un-served and eligible habitations being available in the State.

Gender

- Out of 68 Girls Hostelssanctioned to the State under the erstwhile RMSA Scheme, not a single Girls Hostel has been made functional so far.
- 2427 seats for girl students are lying vacant in 97 KGBVs (Model I) which are functional

Quality

- 17% post of Headmasters vacant in Govt Secondary schools.
- 20.45% posts of subject teachers are vacant in Govt Secondary schools.
- State has large number of single teacher schools.

Teacher Education Institutions

- Creation of Separate cadre for teacher educators is under process.
- As per the scheme 550 (@ 25 posts per DIET x 22 DIETs) academic posts has to be sanctioned. The State of Jammu & Kashmir has sanctioned 732 Academic posts, out of which only 443 have been filled up, i.e. there is 19% vacancy against the guidelines.

5. Commitments of the State for 2018-19

- (i) State will undertake positive consolidation of its schools, within the provisions of the RTE Act, with a view to strengthen primary education and for optimum utilization of resources.
- (ii) The State will complete GIS mapping of all schools (100%) and integrate their database with the NIC website <http://schoolgis.nic.in/>.
- (iii) State will map all the stand alone Government primary schools, develop and finalize specific action plans for improving learning outcomes in these schools.
- (iv) The State will rationalize teacher deployment so that there is no single teacher school and the schools have PTR as per norms of RTE Act, 2009. At the upper primary and secondary level, special emphasis should be laid on maintaining subject-wise PTR.
- (v) State will recruit headmasters in primary and upper primary schools as per the RTE norms. Given the significant role of a headmaster in school management, direct recruitment (including through limited department exam) of 50% of all headmasters may be considered.
- (vi) State should ensure that children with less than grade level learning competencies are identified and provided learning support and in-school re-enforcement. Efforts should be made that all children reach the desired grade-appropriate competency level in the State.
- (vii) Stateshould assess its grading under the Performance Grading Index (PGI) developed by the Department, and carry out the required governance reforms to improve it grading.
- (viii) State will focus on the aspirational districts to achieve significant improvement in the key performance indicators identified for the same.

- (ix) The guidelines for expenditure on school grant, procurement of sports equipment and library books need to be followed. These need to be kept in mind for utilization of these grants.
- (x) The detailed guidelines on Operation Digital Board need to be followed to utilize the funds approved under the ICT initiatives.
- (xi) State will explore the mechanisms for convergence with other departments especially with the Department of Panchayati Raj for maintenance of school infrastructure, school sanitation and provisioning of drinking water facilities in schools.
- (xii) State should undertake the “Partnership Between Schools” Programme which aims to link schools located in rural areas with private, aided or government schools in urban or semi urban areas. This would help in bringing all students to one common platform and to share experiences and learn from each other.
- (xiii) State will provide photo IDs to all teachers to be worn by them while in school.
- (xiv) State will complete all the pending civil works in 2018-19.
- (xv) State will ensure inspection and evaluation of all primary and upper primary schools.
- (xvi) State would ensure the implementation of Public Finance Monitoring System (PFMS) up to the last destination i.e., school.
- (xvii) The Annual Report would be submitted to the Department for laying in the Parliament within the prescribed time frame.
- (xviii) State would ensure effective implementation of the RTE Act, 2009.
- (xix) Efforts will be made for completion of Aadhaar enrollment of all students and teachers.

6. Expected Outcomes

In the meeting the following specific outcomes have been agreed to:

- (i) State would document their best practices and initiatives and subsequently upload it on the School Education SHAGUN website. This would enable the State to showcase its successes and would provide a platform for all States and UTs to learn from each other.

- (ii) Dropout rate will be reduced at elementary level and secondary level especially for girls.
- (iii) The State would fill up the vacancies of teachers and headmasters at all levels.
- (iv) The State will share database of all CWSN children on PMS portal of Samagra Shiksha.
- (v) State would integrate their MIS on students, teachers and schools with the ShalaKosh software developed by the Department
- (vi) The State will ensure that all commitments under RTE Act, 2009 are fulfilled.
- (vii) The State will revise the district plans as per the approved AWP&B and share with the Department by 15th August, 2018.
- (viii) NAS results would be thoroughly analyzed and learning gaps identified. Strategic interventions in pedagogic methodologies and teacher training should be devised to improve the learning outcomes.
- (ix) All girls hostels to be made functional by the State in the next academic session.

7. Total Estimated Budget (2018-19)

The estimates for the AWP&B for 2018-19 are as under: -

(Rs. in Lakh)

Head	Spillover	Non-recurring (Fresh)	Recurring (Fresh)	Total
Elementary	4772.07	9649.24	140521.87	154943.18
Secondary	35720.42	22563.28	23152.23	81435.93
Teacher Education	75.75	178.1	3182.94	3436.79
Grand Total	40568.24	32390.62	166857.04	239815.9

8. Actual Releases by GoI during 2018-19

Against the above estimates, **Central Government shall provide to the State Government Rs. 1882.24 crores as its share. The State would contribute Rs 209.16 crore as its State share matching** the above Central share as per the existing fund sharing pattern of Samagra Shiksha.

It is likely that additional funds will be received subsequently during the year. A meeting for considering supplementary releases may, therefore, be held in the month of September-October, 2018.

It is recommended that **the State should meet the balance amount from its own resources including the additional funds devolved under the 14th Finance Commission. As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfill the estimate for the implementation of the Act.**

The release of funds under the scheme will be further guided by the following conditions:

- (i) State should release/transfer the central share to State implementing Society within 15 days of its receipt in the State treasury.
- (ii) The State share should be released to the State Implementing Society within one month of the release of the central share.
- (iii) All releases by the Centre would be subject to fulfillment of provisions of GFR by the State.
- (iv) The 1st Installment would be released based on provisional utilization certificate for 2017-18 and subject to full release of proportionate State share.
- (v) The second installment would be released only after (a) the proportionate installment of State/UT share has been released; (b) at least 50% expenditure against available funds has been incurred; (c) utilization certificate has been submitted for funds released in the year 2017-18; (d) Audit report has been submitted for the year 2017-18 and (e) Annual Report upto the year 2016-17 has been submitted.
