State has also got the "NCERT National Award" for this innovation.

Pratibha Parv

Pratibha Parv is a quality enhancement initiative of the State for Students, Teachers and Schools, wherein all the Government Elementary schools are externally evaluated on academic, infrastructural and institutional aspects on a bi-annual basis. This programme was launched in the year 2011-12. The objectives of this programme are to assess and evaluate the academic performance of students of all Govt. Primary and Upper Primary Schools and track it at regular intervals, to assess the overall profile of the school in terms of the existing facilities, to identify the actual class wise status of quality achievements and track them, to provide

quality based teaching learning process and to provide social audit opportunity and develop a sense of educational ownership in the society.

Dakshata Unnayan

Dakshata Unnayan is a programme for improving performance of weak and at grade students for elementary and “Bridging” programme for secondary level. These programmes run in regular class timings unlike previous programmes and for the conduct of the program, teachers are provided with teacher guidebooks and every student is provided with a set of worksheets. These programmes are interlinked with NAS & Assessment results with the objective of improving Learning Outcomes.

Kahani Utsav (Story Telling Festival)

It is a programme of story-telling as an effective means of engaging learners. To encourage reading and to inculcate reading habits in early learners, the State has included story-telling as an important tool. To sensitise them, both teachers and learners are encouraged in the art of story-telling through school, block, district and state level story-telling competitions under a scheme called “*Kahani Utsav*”.

Mil Banche Madhya Pradesh

A one-day drive to sensitise everyone on the importance of reading is being held two times in a year in schools as “*Mil-Banche Madhya Pradesh*” under the aegis of the Hon’ble Chief Minister. Through a widespread media drive all public servants, public representatives, eminent social workers, professionals, motivators from *School Chalein Hum* campaign, guardians and SMC members reach a school, preferably the school they themselves studied in, and engage the students in a meaningful reading activity and motivate them in inculcating reading habits.

Children's Magazine-Gullak and Navaankur

An annual children's magazine **Gullak** which includes assorted articles, stories, poems, anecdotes, folk-tales written and/or adapted by children and their teachers, is being published at State level.

At District level, children's magazine called **Navankur** is being published on select articles from the district.

6.	State should create a Child wise database (using Aadhaar wherever available or any other unique Id for every child) by June, 2017. This database would make the enrolment indicators robust and reliable.	State has devised a state population registry SAMAGRA wherein each family has been assigned a family ID. A separate online portal SAMAGRA SHIKSHA has also been developed for School Education Department which captures not only socio- economic profile but also academic profile of all students. Entire distribution of bicycles and scholarships is being done through SAMAGRA SHIKSHA only. 10.	The State will rationalize teacher deployment in primary and upper primary schools, so that there is no single teacher school and all schools have PTR as per norms under the RTE Act, 2009. At the upper primary level, special emphasis should be laid on maintaining the subject PTR.	<p>As per UDISE 2016-17, there were 18144 single teacher Elementary schools in the State. As per UDISE 2017-18, the number has been reduced to 16739. 16.	State will complete all the pending civil works in 2017-18.	Improved monitoring resulted in completion of 7605 civil works, however intensive efforts need to be undertaken to complete remaining works. For this the state will ensure that these works gets completed soon. Reason for the pendency in completion of civil works is court cases, land disputes and lack of interest shown by agencies.

4. APPRAISAL ISSUES - 2018-19

Educational Indicators

- The enrolment in all categories has decreased in 2017-18 as compared to 2016-17.
- Overall enrolment has decreased from 16289382 in 2016-17 to 1,60,47,306 in 2017-18.
- Percentage enrolment share and percentage of girls in the year 2017-18 needs to be furnished.
- The Transition rate from secondary to higher secondary had decreased from 60.30% in 2016-17 to 59.80% in 2017-14.
- 35% primary schools and 66% upper primary schools are with adverse PTR which is an area of concern. State needs to redeploy 39,255 surplus teachers at primary level and 5823 at upper primary level, to the deficit schools.
- 18% primary schools are with adverse SCR and 31% upper primary schools are with adverse SCR which is an area of concern.
- State needs to utilize 83,079 surplus classroom at primary level and 17,311 surplus classroom at upper primary level.
- Out of 1,20,052 schools 12,179 are without girls toilets, 22,871 are without boys toilets, 4857 are without drinking water and 14807 are without library. The State needs to look into this on priority.

Access & Retention

- 5 sanctioned residential schools are being run only as hostels at Bhopal, Gwalior, Indore, Jabalpur and Ujjain by the State. It has been done without the approval of PAB. As the information on residential schools and hostels is furnished by MHRD at various levels including constitutional bodies, such a unilateral change in the status may lead to furnishing of wrong information at national level. The issue is placed before PAB. The PAB decided to rectify the same and to make necessary changes in the data regarding residential schools/hostels.
- State has shown good progress in admission of children under Section 12 (1) (C) as more than 8 Lakh children are enrolled in private unaided schools. However,

State has not started admission in Special Category of schools as mandated under Section 12 (1) (C) of the RTE Act.

- State is advised to ensure that Private Schools which are under obligation of providing free education to children belonging to disadvantaged groups and weaker sections as defined under section 12 (2) of RTE Act are not reimbursed for admission of children under section 12(1C)
- While State is reporting 50 thousand out of school children in the age group of 6-14 years, IMRB (2014) estimated 4.51lakh and census (2011) has reported 19.63 lakh out of school children in the same age group. The State should conduct a fresh survey to identify Out of School Children.
- State is advised to devise mechanisms for automatic transition of students from primary to upper primary and upper primary to secondary level without asking students to complete all formalities again, to reduce the drop out rates.

Quality

- There is vacancy of 2219 HM posts at primary, 4322 at upper primary, 3423 HM/Principal posts at Secondary and 1830 posts at Higher Secondary level. The vacant teacher posts are 19198 at primary, 6228 at upper primary, 9212 at secondary and 10243 at higher secondary Govt. schools. State has to fill up these vacancies to maintain PTR as per norms.
- The State is advised to disseminate the District NAS - Elementary Report Cards at the District/Block level and analyse the results. Post NAS activities are to be linked with the analysis of District Report Cards.

KGBV

- 18 Girls Hostel buildings sanctioned in 2013-14 are under construction whereas construction of 01 building sanctioned in the year 2010-11 is yet to start. State should give commitment to complete all the in progress buildings by December 2018 and also start construction of 01 building by July 2018 positively.

Infrastructure

- (i) State surrendered 763 Additional Classrooms, 157 Additional Rooms-HM, 01 BRC building augmentation , 23 Middle School Buildings and 32 Primary School Buildings (Year of Sanction:2003-04 to 2012-13), with outlay of Rs 2093.21 Lakh which has been reduced from the spill-over.

Special Issue on Sanction of Schools

- GOI has sanctioned upgradation of 484 schools in 2015-16. Out of these 484 schools, State has opened 482 schools. Remaining 2 schools (Govt. Middle School, Kathotia (23161214202) & Govt. Middle school, Palsau (23160402201) have not been made functional by the State as the school codes of these two schools shows that they were already sanctioned and upgraded in 2011-12 under RMSA. PAB approved replacement of these two schools by Govt. Middle School, Lmaliya (UDISE Code:23090811801) and Govt. Middle School, Kusmee Mangarh (UDISE Code: 23120607102) respectively.

5. COMMITMENTS OF THE STATE FOR THE YEAR 2018-19

- (i) State would document their best practices and initiatives on School Education & Samagra Shiksha portal and subsequently upload them on the **SSA Shagun** portal. This would enable the State to showcase its successes and would provide a platform for all States and UTs to learn from each other.
- (ii) State will undertake positive consolidation of its schools, within the provisions of the RTE Act, with a view to strengthen primary education and for optimum utilization of resources.
- (iii) State will map all the stand alone Government and Government aided primary schools, develop and finalize specific action plans for improving learning outcomes in these schools.

- (xii) State would undertake the "Partnership between Schools" Programme which aims to link schools located in rural areas with private, aided or government schools in urban or semi urban areas. This would help in bringing all students to one common platform and to share experiences and learn from each other.
- (xiii) State will provide photo IDs to all teachers to be worn by them when in school. State will also display a gallery of the grade-wise photos of teachers on the school notice board in all elementary schools. The photos would be in a size that is visible and identifiable.
