- **Ek Bharat Srestha Bharat (EBSB):** The main objective of Ek Bharat Shreshtha Bharat is to encourage the unity in the country in relation to language, food, customs and traditions, costume and culture. Fellow states of Madhya Pradesh are Manipur and Nagaland.
- **FIT India Movement:** Objectives were Keeping the students physically, mentally and spiritually healthy. In Secondary Schools various fitness activities were organized i.e; oath taken by students, essay and drawing competition, Aa khele zara and games competitions of officers/staff.
- **Constitution Day:** Constitution Day awareness rallies, Constitution Day pledge, quiz, seminar and essay competitions were held in all schools.
- **Ek ParisharEkShala (EPES):** School Integration/ Consolidation program , EPES has led to less multi-grade teaching, pooling of resources and leadership for schools and better monitoring from the state, which led to increase in enrolment and lesser cost per student.
- **Dakshata Unnayan:** The scheme supports need-based funding and flexibility in expenditure to States. The States & UTs have the flexibility in proposing their local, specific quality contexts along with well-defined parameters which leads to healthy teaching-learning processes and improved learning outcomes.
- For evaluation of performance of school teachers, the State Learning Gap Analysis was conducted through examination for low performing teachers. Teachers were made to take the class X exam paper in the subject which they teach in the schools

where the class X results have been found poor. This helped in identifying training needs.

- Practice of holding regular Parent Teacher Meetings on quarterly basis has been instituted. It was organized in 99% schools on same day involving discussion on student profiling, Dakshata Unnayan Workbooks, PratibhaParv results and Half yearly Exam etc.
- **Umang Life Skill Education** :A module was introduced to build self-confidence, encourage critical thinking, foster independence and help students to communicate more effectively. Schools Covered: 1968 schools of 313 blocks of the districts.

#### **6) New Approaches 2020-21:**

During the year 2020-21, the new approaches are continued for enhancing the effectiveness of the Samagra Shiksha scheme and making it more outcomes oriented. These new approaches aim to engage all administrators, schools, teachers and children in activities which would enable to improve the learning outcomes and also measure the impact and outcome of various components under the scheme.

##### **6.1 In-service Teacher Training:**

The Department of School Education and Literacy launched a National Mission to improve learning outcomes at the Elementary level through an Integrated Teacher Training Programme called NISHTHA – National Initiative for School Heads’ and Teachers’ Holistic Advancement on 21st August, 2019. The aim of this integrated teacher training programme was to build the capacities of around 42 lakh teachers and Heads of Schools, faculty members of SCERTs and DIETs and Block Resource Coordinators and Cluster Resource Coordinators. A total of 23,137 KRPs and SRPs and 16,99,931 School Heads and Teachers have been trained under NISHTHA in 2019-20. In this regard, given the positive feedback received from the States and UTs regarding the effectiveness of the NISHTHA training programme at the elementary level particularly in terms of the effective transaction of comprehensive and well defined modules covering various aspects of teaching learning processes, it has been decided to launch NISHTHA- Phase II at the secondary level in order to have a coordinated and learning outcome based training programme. Teachers, Head Masters/Principals of Government and Government aided schools at secondary level will be covered in NISHTHA Phase-II.

However, the present situation of COVID-19 has presented new challenges for face to face training and also several opportunities to innovate, revamp and technology integration in

In-service Teacher Training. Therefore, it has been decided that this year remaining training of NISHTHA at elementary level and NISHTHA Phase II training at Secondary level will be conducted online by the NCERT using high quality professionally made e-content following the four quadrant approach consisting of video, text, self-assessment and learn more.

In order to facilitate teachers to undertake online NISHTHA training, financial support upto Rs 1000 per teacher for procuring pen-drives with pre-loaded content and modules, printing of modules and high speed data-pack will be provided to Government teachers at elementary level and Government/Government aided teachers at secondary level on reimbursement basis and subject to successful completion of the training course.

Government of India has launched "School Health Program" under Ayushman Bharat to strengthen health promotion and disease prevention, which encompasses comprehensive and evidence based health promotion in addition to offering age appropriate health education, health promotion activities, health screening, preventive services, documentation of health related data and better skills for emergency care.

The school health promotion activities are to be implemented in all the Government and Government-aided schools through the joint efforts and close coordination between Ministry of Health & Family Welfare and the Department of School Education & Literacy at all levels (Centre and State). The sessions may be preferably included in the time table and regular curriculum of the classroom teaching.

Two teachers, preferably one male and one female, in every school designated as "Health and Wellness Ambassadors" will be trained to transact health promotion and disease prevention in the form of interesting activities for one hour every week on Health and Wellness Day. These health promotion messages will also have bearing on improving health, hygiene and sanitary practices in the country as students will act as Health and Wellness Messengers in the society.

**6.4 COVID- 19 Response: Ensuring safety and security in schools and Digital learning in view of the Covid-19 situation**

In the year 2020-21, the COVID-19 pandemic has caused an unprecedented public health emergency; affecting 210 countries and territories globally. The spread of COVID -19 has

imposed national lockdown leading to nationwide closure of the educational institutes as India prepares to fight against the pandemic. Precautions are necessary to protect students and educational facilities from the potential spread of COVID-19 in school environment, while at the same time ensuring minimum disruption in learning.

For this, various interventions under Samagra Shiksha need to be realigned to manage the crisis with specific emphasis on **learning processes and safety & security of children**. The funding provided for various components under Samagra Shiksha may be utilised to deal with the current situation based on the following guidelines:

## I. LEARNING PROCESSES:

### 1) Digital teaching learning process to be undertaken under Teacher training, DIKSHA/Digital content creation and Learning Enhancement Programmes (LEP) components.

#### (i) Training of Teachers on Safety and e-learning aspects.

- Online NISHTHA training modules will be prepared for teacher training by NCERT.
- Teachers may be sensitized and oriented about the safety measures such as social distancing norms, sanitization requirements, tracking of students' health etc.
- Periodic check-ins and mentoring sessions between teachers and academic resource persons may be organized by State SCERTs/SIEs and DIETs, by collaborating with NCERT if required.
- Strategy for online training of teachers may be designed, where teachers are guided on teaching methodologies through live-streaming of online tutorials and MOOCs through NISHTHA and DIKSHA platform.
- Teachers may be provided with a platform to share their experiences, ideas, best practices, issues and concerns related to e-learning.

#### (ii) Promotion of e-learning platforms

- Use of e-learning Platforms like DIKSHA, e-Pathshala, SWAYAM, SWAYAM Prabha, NROER and NISHTHA may be promoted among teachers and students.
- Digital and Online education guidelines '**PRAGYATA**' prepared by MHRD may be referred.
- Academicians, NGOs, Teachers may be encouraged to develop and contribute content in line with the State/UT curriculum (**Vidyadaan**). The content to be further uploaded on DIKSHA after requisite curation and approvals by **SCERTs**.
- SCERTs to develop guidelines on the usage of various available e-learning platforms, regarding the sample schedule of the sessions to be conducted online (time – table) and number of hours of usage. **Guidelines should also include how study@home can be undertaken and daily or weekly timetables may be issued.**
- The teachers can conduct virtual classrooms/discussions. The classroom sessions should be either live streamed or recorded. Queries and doubts of students should be adequately answered.
- **The planning of the access should be done such that no child is left behind. State/UT governments may ensure that learning content is accessible to the needs of CwSN.** In areas with low internet connectivity, the State Government should deliver the content through Radio and TV to reach the remotest location. **Use of mother tongue/local language may be enabled where possible.** The State Government may tie up with telecom services to increase access by improving connectivity, lowering costs and increasing coverage to mitigate access inequities.

- A mechanism may be developed to provide textbooks and Supplementary print materials to all children at home through Block Resource Persons and Cluster
- Resource Persons and also shared with students through WhatsApp, SMS etc. to keep them engaged at home.
- Based on the alternative academic calendar prepared by NCERT, SCERT should make specific academic plans **for their schools including the planning for transaction of curriculum, formative and summative assessments.**
- There may be cases where parents / guardians are not in a position to support learning of students. **Adequate remedial measures should be adopted after opening of school accordingly.**

## II. SAFETY AND SECURITY OF CHILDREN

### 1) Community Mobilization and SMC training

**Funding under community mobilisation and SMC training can be utilised to ensure safety and security measures for children. SMC members may be made fully aware about the present COVID situation to create awareness among the Students, parents and their role as stated below:**

#### (i) Awareness on COVID-19

- Basic information about COVID-19, including its symptoms, complications, improving immunity, how it is transmitted and how to prevent transmission should be disseminated.
- Parents should be sensitized and encouraged to play the role of a facilitator in their child's learning activity and safety. The sensitization sessions/ workshops to be conducted via SMCs, PTMs, WhatsApp or telephonic sessions by the teachers.
- Awareness about the fake information/myths must be ensured. The information should be from reliable sources like Ministry of Human Resource Development, Ministry of Health and Family Welfare, ICMR, WHO and UNICEF.
- Parents should be encouraged to take medical assistance in case of any symptoms and in case the child is sick, she/he should stay safe at home.
- Parents should notify the school of the child's absence and symptoms.
- Parents should follow and ask their child to follow good hygiene habits.

#### (ii) Psychological support to their wards

- Parents should be sensitized to respond to child's reactions in a supportive way and explain to them that they are having normal reactions to the present situation.
- Counsellor (teacher) should be roped in for guidance and counselling.
- Manodarpan App and call centre maybe used for counselling purposes.
- Students should be guided to:
  - ✓ Undertake activities like painting, reading story books, writing stories, poems along with academics so that they can learn new skills or enrich their present skills.
  - ✓ Take break from watching, reading, or listening to social media news. Hearing about the pandemic repeatedly can be upsetting.
  - ✓ Take care of themselves by doing stretching, deep breathing exercises meditation and yoga.
  - ✓ Improve immunity by eating healthy, well-balanced meals, exercise regularly, getting plenty of sleep.
  - ✓ Spend time with family members.

NCERT is developing comprehensive guidelines and modules in this regard and the same may be made available as part of their calendar by the State SCERTs/SIEs and DIETs.

### III. School Sanitization under Composite School Grant

#### (i) Safe School Operation, Sanitation and Quarantine (Physical Infrastructure)

##### a. Provision of basic facilities

- Schools to ensure basic WASH facilities which includes separate washrooms for boys and girls, hand washing stations and safe drinking water facility for all.
- Ensure availability of essentials like soap, alcohol rub/hand sanitizer or chlorine solution, disinfection and cleaning material in the school.

##### b. Sanitization of school facilities

- Sanitization and disinfection should be conducted regularly covering all areas of the school campus and ensure air flow in indoor space.

WHO recommends use of sodium hypochlorite at 0.5% (equivalent 5000ppm) for disinfecting surfaces and 70% isopropyl alcohol for disinfection of small items, and ensure appropriate equipment for cleaning staff.

*The States may converge with the health department for requisite support.*

#### Key Points:

- Detailed guidelines and modules on Covid-19 response is being framed by the Ministry which will be shared separately.

\*Includes Programme Management (MMER)

\*\*including the surrender of 2020-21 in spill over.

**8. Actual Releases by GoI during 2020-21**

Against the above estimates, Central Government shall provide to the State Government, Rs. 294630.92 lakh as its share (Rs. 235582.89 lakh at elementary, Rs. 56597.63 lakh for secondary & senior secondary and Rs. 2450.40 lakh for Teacher Education). The State would contribute Rs. 196420.62 lakh as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha. States and UTs will also be able to utilise their unspent balances as on 31st March, 2019 for the activities approved in 2019-20 including spill over.

Based on the demand of funds projected by the State for 2020-21, the tentative share of recurring and non-recurring grants are given below:-

(Rupees in Lakhs)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	223451.4	36458.29	2035.54	261945.23
Non-Recurring	12131.49	20139.34	414.86	32685.69
<b>Total</b>	<b>235582.89</b>	<b>56597.63</b>	<b>2450.4</b>	<b>294630.92</b>

**The Balance of the outlay (i.e. Rs.116366.52 lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2020-21). Against the above Spill over, the committed liability of Department of SE&L after adjusting for surrender is Rs 31999.48 lakh (Rs.6862.43 lakh for elementary(after surrender of Rs 417.204), Rs. 24812.19 lakh for secondary (after surrender of 3.00 lakhs)and Rs. 324.86 lakh under Teacher Education) keeping in view the total approvals and grants already released.**

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

The following activities may be prioritised while incurring the expenditure:

- i) RTE entitlements
- ii) Quality initiatives including ICT, VE and TE
- iii) School Grants
- iv) Gender & Equity and inclusive education.
- v) Completion of pending civil works/spill over.

**There are likely to be savings under the scheme. Therefore, supplementary PAB meetings may be considered separately sometime in the month of October-November, 2020, to consider the additional requirements of States and UTs.**

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. It is recommended that the State should meet the balance amount from its own resources including the additional funds devolved under the 14th Finance Commission.

The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2020-21.

The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

**The State should invariably provide Single Budget Head during 2020-21 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha.**
