During the year 2020-21, the new approaches are continued for enhancing the effectiveness of the scheme and making it more outcomes oriented. These new approaches aim to engage all administrators, schools, teachers and children in activities which would enable to improve the learning outcomes and also measure the impact and outcome of various components under the scheme.

i) NISHTHA- Integrated Teacher Training Programme:

The Department of School Education and Literacy launched a National Mission to improve learning outcomes at the Elementary level through an Integrated Teacher Training Programme called NISHTHA - National Initiative for School Heads' and Teachers' Holistic Advancement on 21st August, 2019. The aim of this integrated

teacher training programme was to build the capacities of around 42 lakh teachers and Heads of Schools, faculty members of SCERTs and DIETs and Block Resource Coordinators and Cluster Resource Coordinators. A total of 23,137 KRPs and SRPs and 16,99,931 School Heads and Teachers have been trained under NISHTHA in 2019-20. In this regard, given the positive feedback received from the States and UTs regarding the effectiveness of the NISHTHA training programme at the elementary level particularly in terms of the effective transaction of comprehensive and well defined modules covering various aspects of teaching learning processes, it has been decided to launch NISHTHA- Phase II at the secondary level in order to have a coordinated and learning outcome based training programme. Teachers, Head Masters/Principals of Government and Government aided schools at secondary level will be covered in NISHTHA Phase-II.

However, the present situation of COVID-19 has presented new challenges for face to face training and also several opportunities to innovate, revamp and technology integration in In-service Teacher Training. Therefore, it has been decided that this year remaining training of NISHTHA at elementary level and NISHTHA Phase II training at Secondary level will be conducted online by the NCERT using high quality professionally made e-content following the four quadrant approach consisting of video, text, self-assessment and learn more.

In order to facilitate teachers to undertake online NISHTHA training, financial support up to Rs 1000 per teacher for procuring pen-drives with pre-loaded content and modules, printing of modules and high speed data-pack will be provided to remaining Government school teachers at elementary level and Government/Government aided teachers at secondary level on reimbursement basis subject to successful completion of the training course.

9. Actual Releases by GoI during 2020-21

Against the above estimates, Central Government shall provide to the State Government, **Rs. 69742.25 lakh as its share (Rs. 42847.00 lakh for elementary education, Rs. 20335.22 lakh for secondary & senior secondary and Rs. 6560.04 lakh for Teacher Education). The State would contribute Rs. 7749.139 lakh as its matching State share as per the existing fund sharing pattern of Samagra Shiksha.** State will also be able to utilise their unspent balances as on 31st March, 2020 for the activities approved in 2020-21 including spill over.

Based on the demand of funds projected by the state for 2020-21, the tentative Central shares of recurring and non-recurring grants are given below:-

(Rs in Lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	39457.88	7168.43	2571.43	49197.74
Non-Recurring	3389.12	13166.79	3988.61	20544.51

elementary, Rs. 7082.96 lakh for secondary and Rs. 3988.61 lakh under **Teacher Education**) keeping in view the total approvals and grants already released. Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

The following activities may be prioritised while incurring the expenditure:

- i) **RTE entitlements**
- ii) **Quality initiatives including ICT, VE and TE**
- iii) **School Grants**
- iv) **Completion of pending civil works/spill over.**
- v) **Gender & Equity and inclusive education.**

There are likely to be savings in some states. Therefore, supplementary PAB meeting on the request of the state may be considered separately sometime in the month of October-November, 2020, for allocation of additional funds based on the expenditure and requirement.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching state share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. It is recommended that the state should meet this balance amount from its own resources including the additional funds devolved under the 14th Finance Commission.

The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2020-21.

The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education have been classified separately.

The state should invariably provide Single Budget Head during 2020-21 and the nomenclature should be Samagra Shiksha. As Samagra Shiksha caters to various activities relating to RTE entitlements and other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha.
