## 1) **Introduction:**

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2021-22 for SAMAGRA SHIKSHA for the State of Tamil Nadu was held on 03.06.2021 through Video Conference. The list of participants who attended the meeting is at **Annexure-I**.

## **Section: I - State specific initiatives, Review of Performance & Issues**

### 2) **Initiatives of the State:**

Ms. Anita Karwal, Secretary (SE&L) invited Tamilnadu to give a presentation on status of School Education in the State. Ms. Kakarla Usha, Principal Secretary (School Education), Tamil Nadu gave a presentation which included the following major points:

a) Action taken for Multi-level strategies was planned and executed at field level to address the learning loss during the COVID 19 period:

- i) **An exclusive channel for School Education (Kalvi TV):** During Covid -19 induced school closure and lockdown, Digital Content was telecast in Partnership with 14 Private Channels in order to prepare secondary students (classes 9 – 12) for their examination and for Classes 2-8. Regular telecast schedule has been widely communicated through different medium including personal SMS to students.
- ii) **Online digital Platform (DIKSHA, E-learn Platforms):** Tamil Nadu e-learn Platform (<https://e-learn.tnschools.gov.in/>) is a customized content repository - helps students to access and utilize digital resources to improve their learning outcomes. It hosts more than 8,000 E-Learning Contents 390 Digital Textbooks and 1332 aggregated YouTube videos in one place. The content is aligned and is made available class-wise, term, medium, subject and chapter-wise with the updated curriculum.
- iii) **Students Online Digital Assessments:** To identify the baseline learning outcomes of the students who are learning remotely during the pandemic assessments are conducted for all the students in the Grades IX, X, XI and XII for core subjects through online State-owned assessment platform powered by EMIS. The Students login, exam progress and completion were monitored from Centralized online platform. The results of these assessments were automatically calculated against the Learning Outcomes, these results were directly shared with the teachers through their EMIS school login so that they can identify the areas where students need extra attention and support them accordingly.
- iv) **District level - Whatsapp and Instagram groups:** Groups on different e platforms were formed especially for teachers, where Class and subject specific Worksheets containing various activities were circulated, in turn, teachers utilized them to its maximum among students.
- v) **Telecast of Audio Lessons through All India Radio:** Audio lessons are also being aired though All India Radio for all classes to reach out all the students during pandemic school closure.

	non-payment of increment, diversion of funds means for salary of contractual staff of Samagra Shiksha for paying salaries of Physiotherapists, Engineers, etc. The MHRD has already written to the State on numerous occasions, to take necessary action and redress these grievances. As no response received from the matter and intimate the status to MHRD. State need to resolve these issues and appraise to MHRD by July, 2020		

#### 4) Review of performance during 2020-21:

State has secured a score of 906 in Performance Grading Index (PGI) and was placed in Grade I. The Domain-wise Gaps in 2019-20 as compared to 2018-19 are shown below:

Year	Category 1				Category 2	Total
	Domain 1 (180)	Domain 2 (80)	Domain 3 (150)	Domain 4 (230)	Domain 1 (360)	All Domains (1000)
2018-19	132	72	116	201	270	791
<b>GAP</b>	<b>48</b>	<b>8</b>	<b>34</b>	<b>29</b>	<b>90</b>	<b>209</b>
2019-20	132	77	142	219	336	906
<b>GAP</b>	<b>48</b>	<b>3</b>	<b>8</b>	<b>11</b>	<b>24</b>	<b>94</b>

State has shown good improvement over last period. State was requested to examine its score in each domain and take measures to improve its overall PGI score.

- Learning Outcomes and Quality (C-1, D-1):** State still needs to work on providing interventions to improve the learning outcomes of the students.
- Access Outcomes (C-1, D-2):** State needs to focus on the Adjusted Net Enrolment Rate (ANER) at Secondary level and take steps to identify Out-of-school-children and mainstream them.
- Infrastructure & Facilities (C-1, D-3):** State has shown maximum improvement under this and was encouraged to further take measures to reach the top grade.

- d) **Equity Outcomes (C-1, D-4):** State needs to ensure that 100% of schools are having separate functional toilets for both boys and girls.
- e) **Governance Processes (C-2, D-1):** State needs to focus on % of academic positions filled in state and district academic institutions, Average number of days taken to release funds, % of teachers evaluated (during the given year) and funds (including value of goods and services in kind) arranged through PPP, CSR as a percentage of State budget on school education.

5) **Appraisal issues/ Commitments for 2021-22**

- **Net Enrolment Ratio (NER):** NER has declined at primary, Upper Primary, Elementary and Secondary level from year 2018-19 to 2019-20.

Year	Primary	Upper Primary	Elementary	Secondary	Higher Secondary
2019-20	83.48	70.72	87.60	54.86	43.36
2018-19	89.49	78.60	91.75	67.51	55.69

Source - Udise

State should focus on improving the NER at these levels by bringing back children to the age appropriate classes.

- **Dropout Rate:** The SC dropout rate is 14% at Secondary level and in all districts; boy's dropout rate (13.3) is much higher than girls (5.6) at secondary level. State need to further examine the data and take adequate measures to reduce the dropout rate and improve the retention rate.
- **Surplus Teachers at Elementary level:** There are still 13,232 surplus teachers at elementary level, while there are a large number of single teacher schools and schools having adverse PTR. State needs to go for a further rationalization of teachers, to ensure availability of required number of teachers in all schools.
- **RTE related issue:** The State Government of Tamil Nadu has not constituted the State Advisory Council so far as per requirement of the Act, in pursuance to Section 34 of RTE Act, 2009 and the notification No. S.O. 1188(E) dated 30<sup>th</sup> April, 2014.

The state has also not issued the notification on decentralized grievance redressal mechanism as per requirement of the act and in pursuance to section 32 of the RTE Act.

- **Teacher Education**
  - **Vacancy of academic positions in SCERT** is 35.55 % with only 29 faculties in position as against total recommended posts of 45 as per the norms. These vacant post needs to be filled up on priority as it is also directly impacting PGI indicators # 2.1.12.
  - **Vacancy of academic positions in 32 Functional DIETs** is 45.87% with only 433 faculties in position as against total recommended posts of 800 (25 Academic posts per DIET). These vacant post needs to be filled up on priority as it is also directly impacting PGI indicators # 2.1.12

*Sunita*

- **Vacancy of academic positions in 7 Functional BITEs** is 48.98% with 5 regular faculties and 20 Contractual Lectures (Retired) in position as against a total recommended posts of 49 (7 Academic posts per BITE). These vacant posts need to be filled up on priority as it is also directly impacting PGI indicators # 2.1.12
- **PGs / special reference:** MoE has received many PGs / special reference and mails from the contractual staff working under Samagra Shiksha in Tamil Nadu, Member of Parliament and Others. Some of the issues mentioned in these grievances include non-payment of salary approved by PAB, non-payment of increment, diversion of funds meant for salary of contractual staff of Samagra Shiksha for paying salaries of Physiotherapists, Engineers, data entry operators etc. and misappropriation of library fund. MoE has already written to the State on numerous occasions. State has to resolve these issues as soon as possible and provide a written clarification to MoE in this regard.

## **Section: II – New Approaches and COVID Action Plan**

### **6) New Approaches 2021-22:**

The Samagra Shiksha Scheme has been aligned with the recommendations of the National Education Policy 2020 (NEP 2020). During the year 2021-22, the focus will be on enhancing the qualitative outcomes as envisaged in NEP 2020 and increase the effectiveness of the implementation of the Scheme. For this purpose, **Key Performance Indicators (KPIs) have been developed for each intervention so that qualitative assessment of each intervention can be made.** The scheme being an integrated scheme for school education also aims to ensure that all children have access to quality education with an equitable and inclusive classroom environment which should take care of their diverse background, multilingual needs and different academic abilities, thereby making them active participants in the learning process.

The following are the focus areas of the schemes identified for the year 2021-22:

#### **6.1 Foundational Literacy and Numeracy:**

As a part of announcements under 'Atam Nirbhar Bharat' and recommendations of NEP 2020, it has been decided to launch a National Mission under Samagra Shiksha to ensure that by 2026-27 every child achieves the desired learning competencies in reading, writing and numeracy at the end of grade III. States and UTs may identify this as one of the major focus areas, for which they have been provided funds for the following activities:

- Provision of Teaching Learning Materials (TLMs)/Supplementary graded materials to all children upto grade V such as, worksheets, workbooks and various locally contextualised Toys, Puzzles, puppets, games, board games, Story books, local rhymes, local folk songs/lore, art and craft, online access, etc. This also includes the 3-month play-based-school readiness/ preparation module - for all students who enter Grade 1. NCERT will be launching the school preparation module (SPM) which can be adopted/adapted by the states and UTs as per their local requirements and needs.
- Funds have also been provided for Teacher Resource Material/Activity Handbook for teachers to align their innovative pedagogies with learning outcomes and grade level competencies.

*Sunita*

- Specific Teacher Training Modules under NISHTHA focusing on FL&N will be designed by NCERT. SCERTs will be the nodal agency in the State to conduct NISHTHA as well as all other supplementary in-service teachers' training.
- Independent, periodic and holistic assessment of students
- Funds have also been provided for Setting-up of State and District PMU including subject experts/IT personnel/data analysts etc. to ensure effective implementation and monitoring of FL&N goals.

***State is advised to prepare an Implementation Framework consisting of roadmaps and annual action plans for implementing of activities covering all the focus areas of FL&N Mission by following the guidelines of MoE.***

## **6.2 NISHTHA:National Initiative for School Heads' and Teachers' Holistic Advancement (In-service Teacher Training)**

The Department of School Education and Literacy launched a National Mission to improve learning outcomes at the Elementary level through an Integrated Teacher Training Programme called NISHTHA – **National Initiative for School Heads' and Teachers' Holistic Advancement** on 21<sup>st</sup> August, 2019. In the wake of the COVID-19 pandemic, the NISHTHA programme has been contextualised to the needs of teaching and learning during the pandemic and made 100% online. **NISHTHA Online for elementary teachers** was launched on 6th October, 2020 and it has been created by customizing Modules for Online delivery in the format compatible with DIKSHA Platform of NCERT. Nearly, 23 lakh teachers have completed NISHTHA online training by March, 2021 besides the 17 lakh provided training in face to face mode in 2019-20.

The National Education Policy (NEP, 2020) recommends 50 hours of Continuous Professional Development programme or in-service training for every teacher and school leader.

**Consequently, in 2021-22, NISHTHA training modules will be launched for teachers of pre-primary to primary grade for a specialised training on Foundational Literacy and Numeracy. Further, NISHTHA training will also be extended to secondary/senior secondary level teachers with a focus on improvement in quality of teachers and learning outcomes of students, which will also be conducted in online mode.**

## **6.3 State Curriculum Framework (SCF):**

As per the strategy finalized by the D/o SE&L and NCERT, it has been decided that the National Curriculum Framework (NCF) should be framed by incorporating and integrating the local and indigenous flavour from across the country through wider consultations. Consequently, the State Curriculum Frameworks may be developed first and these may then feed into the preparation of the NCFs. The entire process of developing the NCFs and SCFs will be paperless and conducted using the Tech platform to be developed by NIC, MoE in close collaboration with NCERT.

For the purpose of developing the SCFs, following steps are required to be taken by the States and UTs:

*Sunita*

- 1) Ensuring that State/UT nominates SCERT (wherever it is available) as the nodal agency for developing the SCFs in collaboration with the concerned State/UT agencies, such as, School Examination Boards, SIEMATs, DIETs etc., or other nominated agency under DSE may lead this task.
- 2) Nominate two nodal officers from the SCERT to coordinate with the nodal officers of the NCERT for taking forward the development of the SCFs.
- 3) Setting up of 25 State Focus Groups, as per template provided by NCERT, for developing State position papers in the identified areas.
- 4) Setting up of three separate Steering Committees, one jointly for State Curriculum Framework for School Education and State Curriculum Framework for ECCE, second for SCF for Teacher Education and third for SCF for Adult Education (as per template provided by NCERT).
- 5) Consultations at district level for taking inputs on the survey questionnaires developed at the National level.

***SCERTs and DIETs are expected to play a pivotal role in conducting intensive consultation process and prepare SCF thereafter. In this regard, SCERTs and DIETs may utilise the funds provided under Programme and Activity/Research/Annual grants for developing SCF.***

#### **6.4 Promotion of Menstrual Hygiene Management (MHM)**

In order to emphasize the importance of Menstrual Hygiene Management, the following major focus areas have been identified:

##### **1) Awareness:**

- Develop and incorporate Module on Menstrual Health in Curriculum
- Make available Awareness materials and FAQs in Schools

##### **2) Standards, Technology and Outcome Monitoring:**

- Appropriate ratio of girls' toilets and incinerators
- Standard low-cost mechanical incinerators for residential and non-residential schools
- Quality low cost sanitary pads vending machines and incinerators

Towards this end, NCERT will be developing a Module on Health and Well Being as part of the position papers for formulating the new National Curriculum Framework on School Education (NCFSE). Under this, States and UTs are also required to formulate modules on Menstrual Health and Hygiene based on State-specific socio-cultural perceptions for inclusion in their curriculum or adopt the module developed by NCERT. **For this purpose, under special projects for equity, Rs. 10 Lakh as a onetime grant will be given to all states and UTs for developing a module on menstrual health and hygiene and its appropriate inclusion in curriculum.**

#### **6.5 Strengthening of BRCs/CRCs**

The Block Resource Centres and Cluster Resource Centres are the most critical units for training and on-site support to schools and teachers. Periodic inspection and supervision of schools to observe the infrastructure and facilities and the administrative aspects is critical. In

addition, a proper system of academic and curricular support has to be developed to serve the purpose of continuous professional up gradation of teachers. In this context, each Block and Cluster Resource Coordinator will visit the schools and provide onsite academic support and send reports on a periodic basis. It is expected that the periodic visits by BRCs/CRCs will be monitored at state level through technological intervention, preferably through a mobile app. MoE will develop a comprehensive framework on the role of BRCs/CRCs.

**6.6 Key Performance Indicators (KPIs) - For every component of Samagra Shiksha, measurable Key Performance Indicators have been developed for effective monitoring of scheme implementation. The KPIs have been developed in such a manner that qualitative impact of the scheme against each intervention can be measured. These KPIs will be monitored on a regular basis.**

### **6.7 COVID- 19 Response: Ensuring safety and security in schools and Digital learning in view of the Covid-19 situation**

The COVID-19 pandemic has impacted over 240 million children of our country who are enrolled in schools. Moreover, extended school closures may cause loss of learning. To mitigate the impact of the pandemic, schools will not only have to remodel and re-imagine the way teaching and learning have happened so far, but will also need to introduce a suitable method of delivering quality education through a healthy mix of schooling at home and schooling at school.

**With the present COVID wave, that is more virulent and faster spreading, an urgent need was felt to plan for the challenges ahead and prepare to make progress for the sake of students, parents, community and all stakeholders involved in this pursuit. Hence, taking a holistic view, the Department has prepared a comprehensive COVID Response document consolidating all the previous guidelines and intervention to mitigate the impact of the pandemic. This guideline was issued on 4<sup>th</sup> May, 2021 and it delineates detailed action plan and timelines for all Stakeholders involved on Access, Retention, Continuous Learning, Capacity Building and Stakeholder engagement.**

In this regard, the following are the major areas that require interventions:

- 1) Identifying OoSC, Mainstreaming, Enrolment, retention, transition,
- 2) Academic learning & cognitive development of students
- 3) Capacity building - with specific focus on response to blended and home-based learning including student assessments and data use,
- 4) Nutritional, socio-emotional support to systems' actors and students,
- 5) Digital education and systems' development for monitoring, tracking and remediation.

Accordingly, various interventions under Samagra Shiksha have been realigned to manage the crisis with specific emphasis on **access to quality education, learning processes and safety & security of children**. The funding provided for various components under Samagra Shiksha may be utilised to deal with the current situation by focusing on the following areas which are as follows:

*Sunita*

### 1) Access to Textbooks

- All states/UTs will ensure that relevant textbooks (Covering Class I to VIII) are printed and distributed through the school (if required, then at the doorstep) to every elementary level school going child, in the beginning of the academic session 2021-22.
- System for distribution of textbooks for students of secondary and senior secondary level may also be overseen by State/UT to ensure their timely distribution.

### 2) Availability of Supplementary Graded Material and Resource Kits:

- Since availability of devices and internet is still a major issue, workbooks, worksheets, activity material and additional books for higher classes becomes all the more important for continuity of learning. **States and UTs may prepare grade wise material and ensure their delivery to the students.**
- Activity and play based kits can also be prepared specially for ECCE to class 5 students to productively engage them in learning. SCERTs may prepare such material which will be useful for home-based learning.
- **Learning Kits for different age groups will be particularly useful for children located in remote areas, who have no access to digital formats.**
- **Funds provided for Teaching Learning Materials (TLMs) under Support to pre-school, Foundational Literacy and Numeracy and Learning enhancement/Enrichment Programmes may be utilised for this purpose.**

### 3) School Library Books should be made accessible

- It is noticed that though most schools now have libraries, the books remain unborrowed during the pandemic. E-books in libraries may be developed for issuing to students during pandemic situation.
- States/UTs must ensure that **each and every Library Book in the school reaches the homes of children** – at least one new book a month – and children get into the habit of reading. Teachers can review the knowledge acquired either online or as and when the schools reopen.

### 4) Alternative Academic Calendar:

- States and UTs may also continue to plan the Alternative Academic Calendar in its present form gives learning solutions for grades 1 to 12 for both - a child with device and one without device. This can be strengthened by connecting item banks/assessment and role of parents with the Alternative Academic Calendar.

### 5) Helping Teachers to Reach the Last Child in the last Mile

*Sunita*

- States may establish a **Control and Command Centre (CCC)** for teachers and schoolsto keep track of enrolled students, learning at home, Drop outs, information on child labour mainstreamed, Out of School Children, textbook delivery, support required by teachers and schools, etc. and provides feedback to the district level.
- **The States/UTs may also consider having a helpline or IVRS for students and parents** for some time. This helpline could be of great help to students and parents w.r.t tracking textbooks, worksheets, solving queries, getting information on digital modes, etc.
- **Teachers may visit students at least once in a week, with a brief plan of interaction with students and parents, particularly in far-flung and remote areas where access to digital devices is minimal.**

**6) Digital teaching learning process to be undertaken under Teacher training, DIKSHA/Digital content creation and Learning Enhancement Programmes (LEP) components.**

**(i) Training of Teachers on Safety and e-learning aspects.**

- Teachers may be sensitized and oriented about the safety measures such as social distancing norms, sanitization requirements, tracking of students' health etc. A **letter dated 30th April, 2021 regarding a course on COVID 19 Responsive Behaviour** has been shared with all States and UTs. This course has been designed & developed in collaboration with UNICEF and **uploaded on DIKSHA platform** with the objective of providing essential knowledge and action plan with demarcation of responsibilities, for prevention of transmission of COVID 19 in the school environment. **The course is available at the following link:**

**[https://diksha.gov.in/explore-course/course/do\\_31326644727903027212744](https://diksha.gov.in/explore-course/course/do_31326644727903027212744)**

It is requested that the States/UTs may use the above course for the training of school authorities to ensure safety of school staff, students and nearby communities from the COVID pandemic.

- Periodic check-ins and mentoring sessions between teachers and academic resource persons may be organized by State SCERTs/SIEs and DIETs, by collaborating with NCERT if required.
- Strategy for online training of teachers may be designed, where teachers are guided on teaching methodologies through live-streaming of online tutorials and MOOCs through NISHTHA and DIKSHA platform.
- States/UTs also need undertake their own capacity building programs in online mode for their teachers on various aspects related to teaching and learning in pandemic times. States/UTs can utilize DIKSHA platform for this purpose if they do not have their own Learning Management System (LMS) platforms.
- Teachers may be provided with a platform to share their experiences, ideas, best practices, issues and concerns related to e-learning.

*Sunita*

## (ii) Promotion of e-learning platforms

- Use of e-learning Platforms like DIKSHA, e-Pathshala, SWAYAM, SWAYAM Prabha, NROER and NISHTHA may be promoted among teachers and students.
- Digital and Online education guidelines '**PRAGYATA**' prepared by MOE may be referred.
- Academicians, NGOs, Teachers may be encouraged to develop and contribute content in line with the State/UT curriculum (**Vidyadaan**). The content to be further uploaded on DIKSHA after requisite curation and approvals by **SCERTs**.
- SCERTs to develop guidelines on the usage of various available e-learning platforms, regarding the sample schedule of the sessions to be conducted online (time - table) and number of hours of usage. **Guidelines should also include how study @home can be undertaken and daily or weekly timetables may be issued.**
- The teachers can conduct virtual classrooms/discussions. The classroom sessions should be either live streamed or recorded. Queries and doubts of students should be adequately answered.
- **The planning of the access should be done such that no child is left behind. State/UT governments may ensure that learning content is accessible to the needs of CWSN.** In areas with low internet connectivity, the State Government should deliver the content through Radio and TV to reach the remotest location. **Use of mother tongue/local language may be enabled where possible.** The State Government may tie up with telecom services to increase access by improving connectivity, lowering costs and increasing coverage to mitigate access inequities.
- There may be cases where parents / guardians are not in a position to support learning of students. **Adequate remedial measures should be adopted after opening of school accordingly.**

## 7) Community Mobilization and SMC training

**Funding under community mobilisation and SMC training can be utilised to ensure safety and security measures for children. SMC members may be made fully aware about the present COVID situation to create awareness among the Students and parents.**

## 8) Focused approach under Samagra Shiksha

**(a) Support to Schools, Teachers and Students:** Various components of Samagra Shiksha can be built into special and focused interventions in view of the present pandemic situation which are given below:

- a. **Learning enhancement/enriching programme** to provide supplementary material to children.
- b. **Library Grant** to be utilized for ensuring availability of reading material to students.
- c. **Special Training for OoSC and CWSN.**

- d. Support for **out of school children (OoSC) of age group 16 to 19 years** belonging to SEDG through NIOS/State open schools.
- e. **SMC training** to be utilized for ensuring community participation, parental support and awareness creation about inclusion.
- f. **Teaching learning Material** at ECCE and primary grade may be utilized for FLN kit which can be prepared by the NCERT/SCERT.
- g. **MMMER funds can also be utilized for setting-up a help desk at Panchayat level and creating awareness among masses**, through use of mass media. It can also be used for conducting online learning and content dissemination over electronic media.
- h. **Child tracking funds** may be utilized for preparing **student registry in NDEAR** compliant mode.
- i. **Special Grants to schools for sanitization and hygiene** even for limited opening/attendance of teachers etc.
- j. **Teachers grants for awareness on safety and security in online mode** and for enabling them to use online means of education.
- k. **Grants for online content development and dissemination.**
- l. **In-service training grants** for teachers for accessing **NISHTHA training modules** over DIKSHA platform.
- m. **Composite school grants** to be used by the schools flexibly to **ensure continuity of learning and at least 10% of it to be used for Water, sanitation and hygiene in schools.**

**(b) Ensuring Equity and Inclusion**

- a. **Identification/ mapping children with special needs** should become an integral part of the micro-planning and household surveys. A concerted drive to detect children with special needs at an early age should be undertaken at different levels.
- b. **Assessment of each identified CWSN** should be carried out. A team should be constituted at the block/cluster level to carry out this assessment. The assessment team will ascertain the extent and type of the disability, the developmental level of the child, the nature of support services required, assistive devices required by the child and the most appropriate form of special training to be given to the child.
- c. Under Samagra Shiksha, **stipend is given to CWSN girl child**. This will need to be tracked regularly and ensured.
- d. **No child, including CWSN, should be left behind** in terms of textbooks, enrolment, learning resources and learning guidance.
- e. In Aspirational Districts and remote areas where digital modes or even teachers are not able to reach very often, local level volunteers, including parents, maybe identified and trained if necessary, to guide the children.

*Sunita*

- f. States can consider pre-loading existing devices available in schools with educational material and sending them to remote areas, where trained volunteers can lead the process of guidance.

9). **States and UTs may also give special attention to the following points:**

- (i) Prepare own plan of action/roadmap by following NEP Implementation Plan for School Education, called '**Students' and Teachers' Holistic Advancement through Quality Education (SARTHAQ)**' released by the Department of SE&L in April 2021.
- (ii) **Regular updation of NEP Google tracker** so that the department will be appraised on a monthly basis about the initiatives taken by States/UTs. <https://docs.google.com/spreadsheets/d/10ZXip4QUZK9nHMhbPRsJWPTkq4agOrviG1VA05-vHLg/edit#gid=629451567>
- (iii) Initiate the process for setting up **State School Standards Authority (SSSA)** as an independent, State-wide body to ensure transparency and online public disclosure of all schools in the state based on prescribed benchmarks.
- (iv) **Convergence architecture with other Ministries** may be explored by States and UTs:
- a) *Convergence with Ministry of Women and Child Development for ECCE through the Anganwadi centres under the Umbrella of Integrated Child Development Scheme (ICDS) and for identification and mainstreaming of adolescent girls through special training centres or Open schools.*
- b) *National Rural Drinking Water Programme under the Ministry of Drinking Water and Sanitation for providing drinking water facilities in schools.*
- c) *National Child Labour Project (NCLP) of the Ministry of Labour to promote successful mainstreaming into regular schools of all children who have been withdrawn from child labour and rehabilitated and avoiding overlap between children covered under Special training in Samagra Shiksha and those covered under NCLP centres.*
- d) *Residential facilities for SC and ST children by the Ministry of Social Justice & Empowerment and Ministry of Tribal Affairs.*
- e) *Scheme of Assistance to Disabled Persons for Purchase/Fitting of Aids/Appliances (ADIP Scheme) and Scheme for Implementation of Persons with Disabilities Act, 1995 (SIPDA by Ministry of Social Justice and Empowerment.*
- f) *School Health Programme (SHP) under Ayushman Bharat, which is a joint initiative of the Ministry of Health & Family Welfare (MoHFW) and the Ministry of Education (MoE). The SHP programme will be implemented in government and government aided schools in 191 districts (including 117 aspirational districts) of the country in the first phase of the implementation.*

*Sunita*

- g) Convergence with Department of Rural Development for provision of playgrounds, boundary walls in schools through MNREGS and provision of school uniforms through SHGs.
- h) Convergence with Department of Panchayati Raj for use of Finance Commission funds for maintenance of school premises as required locally.
- (v) Online monitoring and regular data updation on PRABANDH including physical and financial progress component wise and school wise
- (vi) Action plan for covid response and OoSC survey may be shared with MoE by end of June.

### Section: III - Financial Estimation

#### 7) Total Estimated Budget (2021-22)

The estimates for the AWP&B for 2021-22 under Elementary, Secondary and Teacher Education are as under:

(Rs. in lakh)

Head	Spill over	Non-Recurring (Fresh)	Recurring* (Fresh)	Grand Total including spill over (2+3+4)
1	2	3	4	5
Elementary	0.0010	13511.08	217297.38	230808.461
Secondary	4368.47	5991.06	57933.05	68292.58
Teacher Education	202.03	0.00	6238.91	6440.94
Total	4570.501	19502.14	281469.34	305541.981

\*Includes Programme Management (MMER)

#### 8) Actual Releases by GOI during 2021-22:

Against the above estimates, Central Government shall provide to the State Government, Rs. 164996.08 lakh as its share (Rs. 122688.53 lakh for elementary, Rs. 38355.43lakh for secondary & senior secondary and Rs. 3952.12 lakh for Teacher Education). The State would contribute Rs. 109997.38 lakh as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha. The State will also be able to utilise their unspent balances as on 31<sup>st</sup> March, 2021 for the activities approved in 2020-21 including spill over.

Based on the demand of funds projected for 2021-22, the tentative share of recurring and non-recurring grants is given below:

(Rs. in lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	114581.88	34759.83	3743.35	153085.06
Non-recurring	8106.65	3595.60	208.77	11911.02
Total	122688.53	38355.43	3952.12	164996.08

**The Balance of the outlay (i.e. Rs.4570.501 lakh) approved under Non-recurring components in previous years, which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2021-22). Against the above Spill over, the committed liability of Department of SE&L is Rs. 1210.66 lakh (Rs. 1001.89 lakh for Elementary, Rs.NIL for Secondary and Rs. 208.77 lakh under Teacher Education after surrender) keeping in view the total approvals and grants already released.**

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

The following activities may be prioritised while incurring the expenditure:

- i) RTE entitlements
- ii) Foundational Literacy and Numeracy
- iii) Quality initiatives including ICT, VE and TE
- iv) School Grants including library and sports grants
- v) Gender, Equity and inclusive education
- vi) Completion of pending civil works/spill over.

**There are likely to be savings under the scheme. Therefore, supplementary PAB meetings may be considered separately sometime in the month of October-November, 2021, to consider the additional requirements of States and UTs, based on funds utilisation by the State/UT.**

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. It is recommended that the State should meet the balance amount from its own resources including the additional funds devolved under the 15th Finance Commission.

The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2020-21.

The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

**The State should invariably provide Single Budget Head during 2021-22 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education,**

*Sunita*

**the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha.**

**Fund flow to SCERTs, DIETs etc. will be as decided by the concerned State/UT by adopting any of the following options:**

- i. Option 1: Directly through State Treasury to SCERTs and DIETs, etc.
- ii. Option 2: Adopt the present system.

However, there will a single UC for the component and states will be responsible to ensure proper management of accounts and auditing of the same.

#### **9) Release of Funds:**

**The release of funds under the scheme will be further guided by the instructions contained in MoE D.O. letter No. 4-4/2021-IS-2 dated 24.05.2021 read with D.O. letter No. 1(13)PFMS/FCD/2020 dated 12.04.2021 from Dr. T.V. Somanathan, Secretary (Expenditure), Dept. of Expenditure, and Department of Expenditure OM No. 1(13)PFMS/FCD/2020 dated 23.03.2021, conveying the modified procedure for release of funds to States/UTs for the Centrally Sponsored Schemes [CSS) and monitoring utilization of the funds released. The aim of the revised procedure is to ensure effective cash management and improve transparency in public expenditure management. The revised procedure will be effective from the 1st July,2021.**

Accordingly, the preparatory activities need to be completed by the State/UT Governments and Implementing Agencies for smooth implementation of the revised procedure from the stipulated date. These inter-alia include:

- (i) A Single Nodal Agency [SNA) is designated for each CSS by every State Government.**
- (ii) Each SNA is registered in the Public Financial Management System (PFMS) and the bank account of each SNA is opened and mapped in PFMS.**
- (iii) Funds available in the bank account of all the IAs below the SNA are transferred to the bank account of the SNA concerned with clear bifurcation of the Central and the State share.**
- (iv) Zero balance bank accounts of the IAs down the ladder are opened. Only banks having a robust IT Systems and extensive branch network should be chosen for opening the Single Nodal Account of each CSS. The bank chosen should have the facility to open the required number of subsidiary zero balance accounts and a robust MIS for handling accounting and reconciliation at each level. The bank should also provide a user friendly dashboard to officers at various levels to monitor utilization of funds by IAs.**
- (v) All the IAs are registered in PFMS and their zero balance bank accounts are mapped in PFMS.**
- (vi) All zero balance subsidiary accounts will have allocated drawing limits to be decided by the SNA concerned from time to time and will draw on real time basis from the Single Nodal Account of the scheme as and when payments are to be made to**

beneficiaries, vendors etc. The available drawing limit will get reduced by the extent of utilization.

- (vii) Separate budget lines for Central and State shares are opened by every State Government in the State budget for every CSS having a State share and necessary provision of funds is made in the State budget for both the components.
- (viii) State GIFMIS is enabled to capture scheme component-wise expenditure along with PFMS scheme codes and Unique Code of the agencies incurring the expenditure.

**It may further be pointed out that the Dept. of Expenditure OM No. 1(13)PFMS/FCD/2020 dated 23.03.2021, inter-alia provides as under:**

- a) Funds will be released to the States strictly on the basis of balance funds of the Samagra Shiksha (Central and State share) available in the State treasury and bank account of the SNA as per PFMS in consonance with rule 232(V) of the General Financial Rules, 2017.
- b) The SNAs shall ensure that the interest earned from the funds released should be mandatorily remitted to the respective Consolidated Funds on pro-rata basis in terms of Rule 230(8) of GFR, 2017. Interest earned should be clearly and separately depicted in PFMS, scheme-specific portals integrated with PFMS and in MIS provided by the banks.
- c) States will maintain separate budget lines for Central and State Share in their Detailed Demand for Grants (DDG), and make necessary provision of the State share in the State's budget. While releasing funds to SNA, State's Integrated Financial Management Information System (IFMIS) should provide these budget heads and the same should be captured in PFMS through treasury integration.
- d) In the beginning of a financial year, the Ministries/Departments will release not more than 25% of the amount earmarked for the State for the financial year. Additional central share will be released upon transfer of the stipulated State share to the Single Nodal Account and utilization of at least 75% of the funds released earlier (both Central and State share) and compliance of the conditions of previous sanction.
- e) After opening of Single Nodal Account of the scheme and before opening zero balance subsidiary account of IAs or assigning them drawing rights from SNA's account, the IAs at all levels shall return all unspent amounts lying in their accounts to the Single Nodal Account of the SNA. It will be the responsibility of the State government concerned to ensure that the entire unspent amount is returned by all the IAs to the Single Nodal Account of the SNA concerned. For this, the State Governments will work out the modalities and the timelines and will work out Central and state share in the amount so available with IAs. SNAs will keep a record of unspent balance lying in the account of IAs and the amount refunded by IAs.
- f) The State Government will transfer the Central share received in its account in the RBI to the concerned SNA's account within a period of **21 days** of its receipt. The Central share shall not be diverted to the Personal Deposit (PD) account or any other account by the State Government. Corresponding State share should be released as early as possible and not later than **40 days** of release of the Central share. The funds will be maintained by the SNA in the Single Nodal Account of each CSS. State

Governments/SNAs/IAs shall not transfer scheme related funds to any other bank account, except for actual payments under the Scheme.

- g) State Governments will register the SNAs and all IAs on PFMS and use the unique PFMS ID assigned to the SNA and IAs for all payments to them. Bank accounts of the SNAs, IAs, vendors and other organizations receiving funds will also be mapped in PFMS.
- h) Payments will be made from the zero balance subsidiary accounts up to the drawing limit assigned to such accounts from time to time. Transactions in each Subsidiary Account will be settled with the Single Nodal Account daily through the core banking solution (CBS) on the basis of payments made during the day.
- i) SNAs and IAs will mandatorily use the **Expenditure, Advance and Transfer (EAT) module** of PFMS or integrate their systems with the PFMS to ensure that information on PFMS is updated by each IA at least once every day.
- j) SNAs will keep all the funds received in the Single Nodal Account only and shall not divert the same to Fixed Deposits/Flexi-Account/Multi-Option Deposit Account/Corporate Liquid Term Deposit (CLTD) Account etc.
- k) The State IFMIS should be able to capture scheme component-wise expenditure along with PFMS Scheme Code and Unique Code of the Agencies incurring the expenditure. State Governments will ensure daily uploading/sharing of data by the State IFMIS/Treasury applications on PFMS. PFMS will act as a facilitator for payment, tracking and monitoring of fund flow.
- l) All releases by the Centre would be subject to fulfilment of provisions of GFR by the State. The procurement guidelines as prescribed in the FM&P Manual should be adhered to and all procurement activities by the States and UTs should be routed through GEM portal.
- m) All guidelines issued by MoE regarding utilisation of funds under the scheme will be followed.
- n) The release of central share of funds to all the States and UTs is subject to fulfilling the submission of documents, reports, financial statements as prescribed in the Samagra Shiksha FMP Manual.

**Accordingly, as regards the balance of funds to be released towards 1<sup>st</sup> instalment and 2<sup>nd</sup> instalment, the above said conditions and the details to be fulfilled are at Annexure II.**

These minutes have been designed as a working document to be implemented and monitored throughout the year. They include the focus areas and new approaches of MOE which have been deliberated in detail in the PAB meetings. The objective of this is to have emphasis on quality of education and real time monitoring of activities under Samagra Shiksha through UDISE+, PGI, Mobile Apps, and Field Inspections. Many activities are shown separately for elementary and secondary due to different budget sub-heads. State specific projects are shown separately for clarity and monitoring purposes. **State will provide details of the Districts, Blocks and Schools, along with UDISE code where the activities have been conducted.** The minutes also include expected outcomes for each activity which will help States and UTs in assessing their performance.

*Sunita*

**In order to ensure effective implementation, States and UTs will prepare yearly reports on the progress of following themes/subjects:**

- Progress on Foundational Literacy and Numeracy
- Progress on Early Childhood Care and Education (ECCE)
- Report on E-Governance and Digital education
- Convergence initiatives with various line ministries
- Progress on Vocational Education.
- Progress on Teacher Education.
- State Innovations and Quality initiatives

The utilization of these funds needs to be in accordance of the detailed guidelines issued by MoE.

**All purchase from central fund should be made through GEM to ensure effective prices and standardized equipment's.**

The following points need to be kept in mind during procurement:

- Inventory of each item will be maintained by the school and the concerned school Principal will be the in-charge for ensuring that all hardware and software has been marked as inventory items. The record of ICT inventory, school wise, has to be maintained online and made available to MoE as and when required.
- The funds may be utilised for setting up ICT labs/ smart classrooms.
- Teachers should be encouraged to make use of e-learning platforms like DIKSHA, E-Pathshala, Swayam, Swayam Prabha, NROER, NISHTHA, O-labs etc.
- Teachers to be encouraged to contribute content to DIKSHA Portal.

*Sunita*

- States and UTs have to ensure that Annual Maintenance Contract (AMC) for each hardware item procured under ICT scheme has been entered into.
- In order to ensure that computers installed in the schools are being used regularly, software which indicates when the computers are turned on or off, linked to the State server must be put in place.
- As per IT Act 2000, it has to be ensured that effective firewalls and appropriate control filters and monitoring software mechanism are installed in all computers in schools. Please consult local NIC for installing a govt. approved, free firewall.

**Outcome:** Number of schools having ICT coverage and functioning as a percentage of number of Secondary/Higher Secondary schools. This will improve PGI indicator No. 1.3.3.
