1. Introduction:

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2022-23 for SAMAGRA SHIKSHA for the State Rajasthan was held on 10.05.2022 through Video Conference. The list of participants who attended the meeting is at **Annexure-I**.

Section: I - State specific initiatives, Review of Performance & Issues

2. Initiatives of the State:

Ms. Anita Karwal, Secretary (SE&L) invited Rajasthan to give a presentation on School Education in the State. Shri Mohan Lal Yadav, State Project Director, School Education (Rajasthan) gave a presentation which included the following major points:

(i) Shala Samblan App for improving school monitoring mechanism (An initiative for digitalized Officer's School Visits): Shala Samblan is a mechanism in the state to provide supportive supervision of schools. To enhance real-time uses and efficacy of supportive supervision for school governance, the State launched the Shala Samblan App. All the education officers of the state complete their monthly target visits to the schools using the app. The Shala Samblan app enabled the State to actively track student attendance, teacher attendance, student academic progress and infrastructure thus helping the state to take appropriate corrective measures and data-backed decisions.

The officers school visits enabled the State to actively monitor the progress of various initiatives and collect real-time learning outcome data. Rajasthan is one of the few states in the country to actively track learning outcomes through spot-check assessments enabled on the Shala Samblan app. The app also helps to collect student wise performance on various competencies and enables the State to take empirical data based policy decisions..

(ii) Gender Audit in schools of aspirational districts and high gender gap districts (An initiative for improving gender parity in GER): The intervention aimed to create a gender-sensitive environment in schools through a two-steps process- (1) Review of schools with the help of children, teachers and parents on certain gender-inclusive indicators, and encourage them to certify themselves; (2) Orient teachers on what is gender-sensitive school and how to achieve that, and sensitize children on gender equity by helping them to critically analyse gender dimension in school and family promoting.

(iii) Back to School programme - A bridge and remedial programme for mitigating learning loss: The Government of Rajasthan announced the ambitious Back to School program in 2021-22 to ensure that the learning loss caused due to the school closure is

mitigated. Under the aegis of the Back to School Program, a 3-month bridge program for grades 3-8 was designed, followed by a year-long remediation program for the academic year 2021-22. The "Back to school" program included the following ;

- a) Appropriate "Behind-Grade" Content: student's workbook & Teacher Support Resources.
 - b) Effective Teacher Enablement: Capacity Building of teachers through blended mode
 - c) Effective implementation Monitoring: Officer school visits using Shala Samblan app
 - d) Targeted communications and Awareness Campaign: Social Media and WhatsApp
- (iv) **Cyber Safety:**(An initiative for creating knowledge on safe online learning) :In post-COVID situation everyone got exposed to cyber world without prior preparation. This situation urgently called for action where children can learn about cyber security, digital rights, threats and possible solutions to enjoy safe online learning opportunities. Responding to this critical need on the ground, the State has taken support from UNICEF and Cyber Peace Foundation to develop IEC for students and teachers and conduct online sessions as part of awareness around cyber safety for children.
- (v) **Exposure to vocational education for upper primary level:** According to the NEP 2020 vision document, students of 6th to 8th grades must be provided basic exposure to the vocational skills. In light of this, the state introduced an activity named "Exposure to vocational education for upper primary level." This was a crucial step to prepare students with enthusiasm and understanding before pursuing vocational education in the ninth grade. The proposed activity exposes these young students to various vocational sectors, allowing them to make informed trade choices for their future careers and employment.
- (vi) **Skill Exhibition cum Competition:**An awareness program "**Skill exhibition cum competition**" was conducted for the students of upper primary level in all the 905 vocational education schools of Rajasthan. The basic idea and motive of this awareness program was to formally introduce the students of class 8th to the world of vocational education. This was a single day activity, held in the school premises. Two local industry experts for each trade along with the sector experts and the principal joined the exposure camp activity and interacted with the students. The experts gave a brief overview of their respective trades to the students and tried to resolve their queries regarding: - the importance of the sector etc., the type of skills required for the sector, career options in the field and self-employment opportunities in the sector.
- (vii) **Mission Samarth (IED):** The State launched 'Mission Samarth' for ensuring educational rights of children with special needs (CWSN). This mission focused on

“ensure access to CWSN friendly learning materials”. The State has taken education of children with disability on priority and inclusive content (audio and video) for children with disability has been prepared by subject specialists & team. The content was shared daily with CWSN students through the proper WhatsApp channel.

(viii) Awareness of safe & unsafe touch: Child protection has gained sudden attention after covid-19. Distress calls on the child helpline have been reported doubled during the 1st lockdown. Besides NCRB data suggests that crime against children is precariously increasing. In this context, the state took initiative to create awareness on issues around child protection and the POCSO act among all stakeholders. Besides, principals as crucial leader at school level, were empowered by sharing key legal information and their role as a member of the PLCPC (panchayat level child protection committee). The state created multiple reference materials -

- An IEC is designed on safe touch and unsafe touch.
- An IEC on the legal protection of children from violence developed. To display these IEC in school and conduct awareness activities around the safety of children and keeping safe during the session 2021-22.
- Detailed guidelines on school safety in the framework of child protection have been developed from technical support of UNICEF and provided to each school.

(ix) Model Libraries: Reading helps the student to develop fundamental skills such as understanding and interpreting text. It is a step towards developing proficiency in language and writing skills. Through reading books, creativity, thinking and reasoning power, positive thinking, writing skills and ability to express themselves in oral and written form along with vocabulary enhancement development in students. In this context, about 82 lakh library books are being provided by the state government to >90 lakh children in 67,359 elementary and secondary schools.

To develop libraries as vibrant, attractive, useful and learning centers, a model library in each district has been set up with the help of voluntary organizations. These model libraries are vibrant and attractive, having child useful books, furniture and other facilities.

3. Review of Commitments and Expected Outcomes & Action Taken during 2021-22

The progress made in implementing the commitments and expected outcomes given by the State in 2021-22 was reviewed and the status in respect of pending items is as under:

Sl. No.	Commitments	Action Taken	Comments of the PAB 2021-22
1.	<p>Educational Indicators:</p> <p>Net Enrollment Ratio (NER): NER has improved at all levels from year 2018-19 to 2019-20</p> <p>State would still need to focus on improving the NER at all levels by bringing back children to the age appropriate class</p>	<p>The state is focusing on age-appropriate enrolment of children all grades to improve NER at all levels. This includes enrolment drive, mentoring of PEEOs, special trainings, strengthening SMC-SDMC trainings, etc.</p> <p>In the backdrop of schools closure, state focused on Back-to-School campaign to address retention, learning and age-appropriate enrolment through extended duration of enrolment drives, monitoring of enrolment data, supply of printed home learning materials, teachers' support in home learning, etc.</p>	Complied with
2.	<p>The GPI at Secondary level is 0.89 and at higher secondary level is 0.87 which indicates lower participation of girls. Gender gap (GER) is > 10% in 18 districts at secondary level and 19 districts at higher secondary level.</p>	<p>The COVID-19 pandemic and subsequent school closure has brought many unprecedented challenges for school education. The state is continuously working and reporting on COVID-response-plan of MOE. Besides, acknowledging higher negative impact on disadvantaged groups, especially girls, the state continued its efforts to increase girls' participation in school education especially at the higher grades, with special attention to high gender gap districts. At secondary level the enrollment of girls has been increasing yearly as 3096482 in 2018-19, 3131955 in 2019-20 and 3360360 in 2020-21. Accordingly, enrolment drives were extended to the higher grades and state extended admission period till opening of schools at secondary and higher secondary grades. The Rajasthan government has been consistently trying to improve the gender equity gap at school level. Specially in 2019-20 five aspirational districts (Jaisalmer, Sirahi, Karauli, Dhaulpur & Baran) various</p>	<p>The GPI at Secondary level is 0.89 and at higher secondary level is 0.89 which indicates lower participation of girls. 		<p>activities for capacity building of girls were conducted and there is a large increase in enrollment from 87429 (2019-20) to 91672 (2020-21) at secondary level and from 50328 to 55833 at higher secondary level. In FY 2020-21 including aspirational districts six high gender gap districts are also covered namely Baran, Dhaulpur, Jaisalmer, Sirohi, Karoli, Alwar, Bharatpur, Jhalawar, Jodhpur, barmer and jalore through household surveys to reduce dropouts among girls, sensitizing through dissemination of IEC materials, capacity building training programs for the teachers. The enrollment in these 11 districts has increased in secondary level from 345894 (2019-20) to 352960 (2020-21) and in higher secondary level from 214530 to 240223. In total girls enrollment has been increased from 560424 (2019-20) to 593183 (2020-21) in 11 districts. These interventions were synchronous to the Ministry of Education (MoE) and NITI Aayog guidelines. The activities have made a significant impact on the girls enrollment of aspirational districts as the enrollment increased in last two years from 391041 (2019-20) to 422581 (2020-21) which is 8.065%. Also the Gender gap ((GER) is >10%) has decreased from 18 districts to 16 districts at secondary level and from 19 to 18 districts at higher secondary level. It shows that the gender gap is regularly decreasing in the state. List attached.</p> <p>Also, gender audit of schools and tracking of girls' average attendance was done based on which the State will closely monitor and provide additional inputs on audit reports in upcoming years.</p> <p>To address the loss incurred due to school closure during the pandemic, 10 online sessions on career choices and guidance, self-aptitude assessment for children of secondary</p>

		<p>grades, 8 online cyber safety sessions for children of elementary & secondary grades, monthly samvaad with girls on issues around their studies and life during school closure, online activities like theme-based project work under Kishori academic mela, were organized.</p> <p>Besides above, the efforts for regular activities for addressing gender gap has also been continued, e.g. (1) formation of Gargi Manch for gender equity & life skills, (2) discussions around MHM, (3) self-defense training for all girls at secondary level. These would contribute in reduction of gender gap in these districts.</p> <p>Considering the fact that the last two years have been difficult the state would expedite its interventions to reduce the gender gap in GER and achieve standard GPI on the opening of schools.</p>	
3.	There are more than 10,000 Schools with adverse PTR at elementary level.	As per UDISE 2020-21 with adverse PTR at elementary level, the no. of schools reduced to 8528.	There are 13,000 elementary schools with adverse PTR and 25,000 surplus teachers. In the government schools the PTR is 23 at primary and 14 at upper primary level in the State. It is strongly recommended that the State needs to re-deploy the excess teachers to the schools having adverse PTR as per RTE.
4.	There are 7413 primary and 202 upper primary Single	As per UDISE 2020-21 the no. of Single Teacher Schools is reduced to 6892 Primary	There are 8,704 primary and

5.	There are 25,322 Surplus Teachers at Elementary level while there are a large number of schools having adverse PTR. State need to go for a rationalization of teachers, to ensure availability of required number of teachers in all schools.	As per UDISE 2020-21 the surplus Teachers at elementary level reduced to 21909. State has initiated rationalisation of Teachers at elementary level. School wise sanctioned posts have been decided. The rationalised process will be initiated in coming session.	There are 25,182 Surplus Teachers at Elementary Level as per UDISE+ 2020-21. State need to go for a rationalization of teachers, to ensure availability of required number of teachers in all schools.
6.	Rain Water Harvesting: The State may look for convergence for providing rain water harvesting in schools with 15 th finance commission funds for which joint letter has been sent by DOSEL and Mo Panchayat Raj.	Efforts are being made to provide Rain water harvesting in schools with 15 Finance Commission funds and other sources also.	Noted. Correspondences of State and its outcome with concerned department may be provided by State.
7.	Toilets: The State has not proposed basic facilities like boys Toilets, Girls Toilets and CWSN Toilets in AWP& B 2021-22 for elementary, secondary and Hr. Secondary level. In case there are any gaps, these may be provided through 15 th FC based on above DO Letter.	Efforts are being made to fulfill gaps for basic facilities like Boys Toilets, Girls Toilets and CWSN Toilets through 15 Finance Commission and other sources.	Noted.

4. Review of performance during 2021-22:

PGI State for 2021-22 is now open for data entry since January, 2022 and though State has initiated the process only few entries have been made. State had secured a score of 859 in Performance Grading Index (PGI) and was placed in Grade I. The Domain-wise Gaps in 2019-20 as compared to 2018-19 and 2017-18 are shown below:

Year	Category 1				Category 2	Total
	Domain 1 (180)	Domain 2 (80)	Domain 3 (150)	Domain 4 (230)	Domain 1 (360)	All Domains (1000)
2017-18	168	56	84	210	234	752
<i>GAP</i>	<i>12</i>	<i>24</i>	<i>66</i>	<i>20</i>	<i>126</i>	<i>248</i>
2018-19	168	65	98	209	227	767
<i>GAP</i>	<i>12</i>	<i>15</i>	<i>52</i>	<i>21</i>	<i>133</i>	<i>233</i>

<i>GAP</i>	<i>12</i>	<i>12</i>	<i>49</i>	<i>15</i>	<i>53</i>	<i>141</i>

State was requested to examine its score in each domain and take measures to improve its overall PGI score.

- a) **Learning Outcomes and Quality (C-1, D-1):** State still needs to work on providing interventions to improve the learning outcomes of the students.
- b) **Access Outcomes (C-1, D-2):** State needs to focus on the Adjusted Net Enrolment Rate (ANER) at Secondary level and take steps to identify Out-of-school-children and mainstream them in education system either through regular schooling or thorough Open Distance Mode of SIOS/NIOS.
- c) **Infrastructure & Facilities (C-1, D-3):** State needs to ensure that all eligible children of elementary classes are provided Free Textbook within one month of start of academic year.
- d) **Equity Outcomes (C-1, D-4):** State needs to ensure that 100% of the entitled CWSN of Govt, and aided schools receive Aids and Appliances.
- e) **Governance Processes (C-2, D-1):** State needs to focus on;
 - i) Fund by the State Treasury is released to SIS on priority and average number of days taken to release funds to society is reduced.
 - ii) The Percentage of Upper Primary schools meeting norms of subject-teacher as per RTE provisions is increased.
 - iii) Funds (including value of goods and services in kind) arranged through PPP, CSR as a percentage of State budget on schools education is increased.
 - iv) The Percentage of schools/ SCERT/ DIETs registered under PFMS is increased.

the release of Rs.212.25 lakh as a Central share;however, state is yet to submit the Utilisation Certificate for the same. State is requested to makethese 2 BITEs functional on priority.

- **Vacancy in SCERT:** The vacancy of academic positions in SCERT is 24.44 % with 34 faculties in position as against the total sanctioned post of 45 as per the scheme. These vacant posts need to be filled up on priority as it is also directly impacting PGI indicators # 2.1.12.
- **Vacancy in DIETs:** The vacancy of academic positions in 33 DIETs is 54.43% with only 376 faculties in position as against a total sanctioned post of 825 (25 academic posts per DIET). These vacant post needs to be filled up on priority as it is also directly impacting PGI indicators # 2.1.12.
- **Status of registration of SCERT/SIE & DIETs under Public Finance Management System (PFMS):** State hasreported that while the SCERT has been registered under PFMS, the registration of 33 DIETs on PFMS is still pending.
- **Status of DIETs in Aspirational Districts:** Out of the total 33 districts in the State,only 5come under aspirational district category and these DIETs are functional.

Sl. No.	District	DIET Status	DIET Name
1.	Baran	Functional	DIET Baran
2.	Dholpur	Functional	DIET DHOLPUR
3.	Jaisalmer	Functional	DIET Jaisalmer
4.	Karauli	Functional	DIET Karauli
5.	Sirohi	Functional	DIET Sirohi

Source: AWP&B 2022-23

- **Drop-out rate** decreased substantially in all the levels.The annual average dropout rate for the year 2020-21 at Secondary level was 9% However, it is important to note that the dropout rate amongst the ST and Muslim children is still very high. It is also important to mention that the dropout rate in certain Districts is very high than the State average.
- There are 13,000 elementary schools with adverse PTR and 25,000 surplus teachers. In the government schools the PTR is 23 at primary and 14 at upper primary level in the State. It is strongly recommended that the State needs to re-deploy the excess teachers to the schools having adverse PTR as per RTE.
- There are 8,704 primary and 248 upper primary Single Teacher Schools.
- There are 25,182 Surplus Teachers at Elementary Level as per UDISE+ 2020-21. State needs to go for a rationalization of teachers, to ensure availability of required number of teachers in all schools.

Section: II- New Approaches and Learning Recovery Plan for 2022-23

6. New Approaches 2022-23:

During the year 2022-23, the thrust of the appraisal exercise is based on the areas detailed below:

6.1 Preparation of 5-year Perspective Plan (including current year):

In order to achieve the desirable objectives and outcomes of the scheme, it has been decided to prepare a comprehensive action plan covering all interventions of SamagraShikshaupto 2025-26 with long term vision and sustainability. While preparing the perspective plan, States/UTs may also identify outcomes to be achieved. A 5-year perspective plan module comprising of major indicators/interventions and outcomes to be achieved has been developed on PRABANDH portal, which has been filled by the States and UTs. This perspective plan will be linked to the Annual work plan of the state and while appraising the same, targets given in perspective plan will also be taken into consideration. This requires suitable and adequate planning at every stage to avoid any future ambiguity. The perspective plan for Rajasthan is enclosed at **Annexure XVIII**.

6.2 Annual Calendar of Activities:

In order to achieve the objectives of the scheme, the States/UTs should formulate an action plan laying down timelines for implementation of various activities. Overall results can only be improved through a quantifiable time bound implementation. The indicative implementation calendar for Rajasthan in 2022-23 is at **Annexure II**.

6.3 National Initiative for Proficiency in Reading with Understanding and Numeracy (NIPUN Bharat):

- **Perspective Plan for NIPUN Bharat:** NIPUN Bharat mission is expected to achieve its target of universal acquisition of foundational skills by all children at the end of grade III. Therefore, it is of utmost importance to make a plan for next five years which can be broken into annual plans and targets. In this regard, a planning template has already been shared with the states and UTs and the same has further been revised based on feedback from the states/UTs and digitized. The NIPUN Bharat Portal which will be launched soon will have all the details of the documents and information on NIPUN Bharat Mission at one place.
- **Teaching Learning Materials & Teacher Resource Materials:** States and UTs should focus on various interventions related to Child centric Teaching Learning Materials, indigenous toys and games, play based activities and supplementary graded material, Teacher Manuals, Activity Handbooks, resource materials for teachers to align their innovative pedagogies with learning outcomes and grade level competencies at foundational level. The teaching learning material may be prepared in home/local/regional languages.

- **Display of Lakshya/Targets:** States and UTs should ensure that Lakshya/Targets for Foundational Literacy and Numeracy are displayed on the walls of schools/classrooms in local languages so that students, teachers and parents are aware of the same. SMC members and Parents may be made aware of the Lakshyas of the mission so that they can participate in the process and make this mission a success. The template for the same has been shared by MoE on 22nd February, 2022.
- **Printing and Distribution of Codified Learning Outcomes:** Learning Outcomes for the Foundational Stage have been developed and codified and are available in the NIPUN Bharat guidelines document.
(https://www.education.gov.in/sites/upload_files/mhrd/files/nipun_bharat_eng1.pdf).
In order to ensure that the learning outcomes reach all teachers, all parents and all schools, States/UTs may prepare the following:
 - (i) Print these learning outcomes and translate them into regional languages
 - (ii) Develop posters on these Learning Outcomes for schools,
 - (iii) Develop Leaflets/Brochures for Parents

Funds available under MMMER component of SamagraShikshamay be utilized for this purpose.

- **IEC materials for creating awareness:** IEC Materials may be developed to create awareness drives about the importance of Foundational Literacy and Numeracy.
- **Display of NIPUN Bharat LOGO:** State and UTs must ensure that NIPUN Bharat logo is painted in all Primary sections/school walls. The design of the logo has been shared by MoE and funds for this can be availed under Composite School Grant.

6.4 Implementation of VidyaPravesh in all Schools:

A three month play based school preparation module for grade I have been launched by NCERT and uploaded on the NIPUN Bharat link on DIKSHA (<https://diksha.gov.in/fin.html>). The module is designed as an exemplar and the States/Union Territories/schools are requested to ensure timely adoption/adaptation of the same and training of teachers so that the Module could be implemented in all schools of the country in the next academic session i.e., 2022-23. (Ref letter No. D.O. No. 01-17/2021-1S.14 dated: 18th November, 2021). The module may also be introduced at the Balvatika level. Module and revised version of the VidyaPravesh are as given below:

- i. <https://ncert.nic.in/pdf/vidyapravesh.pdf>
- ii. https://ncert.nic.in/pdf/VidyaPravesh_Guidelines_Gradel.pdf

6.5 Targeted and saturation approach for expansion of Secondary and Senior Secondary Education:

To achieve 100% GER at all levels as envisaged in NEP 2020, it is of utmost importance that adequate facilities in terms of infrastructure and quality education are available at the secondary

level. Therefore, SamagraShiksha will focus on saturation of certain key aspects in next 4 years. This kind of targeted approach will lead to universal access and affordable quality education for all at secondary stage (for the age group of 14-18 years) in the next 4 years, starting with the aspirational districts.

- a) **Opening of new Secondary/Senior Secondary Schools:** To ensure 100% Gross Access Ratio (GAR), this Department has conducted a GIS mapping exercise to find out the requirement of Secondary/Sr. Secondary schools in a scientific and realistic manner. While calculating GAR and preparing the proposal for opening of the new secondary/sr. secondary school based on GIS mapping, state must consider availability of govt. aided and private unaided schools also in the vicinity as per the distance norms. **The States and UTs are requested to send the proposals for opening of new secondary and senior secondary schools based on GIS Mapping done by MOE.**
- b) **Infrastructure:** Priority for saturation in secondary and sr. secondary schools will be given to the aspirational districts which will later be expanded to other districts.
- c) **Integrated Science Lab:** All secondary schools including KGBVs should be provided with integrated science lab.
- d) **ICT and Smart classrooms:** All secondary/senior secondary schools including KGBVs should be provided ICT/Smart classroom with internet facility, states and UTs may ensure electricity in schools for this purpose.
- e) **Vocational Education:** 50% of the composite secondary/sr. secondary schools as envisaged in NEP 2020 will introduce vocational education in the next 4 years.
- f) **School Readiness Module for students at Secondary Level:** The dropout rate at Secondary level has been consistently higher and one of the reasons for the same is student's inability to cope-up with the curriculum and high stakes associated with these classes. Hence, a 2-3 months readiness module should be prepared for children entering in grade IX so that they are prepared for the secondary stage. NCERT will be developing this module which can be adopted/adapted by the states and UTs.

6.6 Strengthening of BRCs and CRCs:

BRCs and CRCs have a significant role in ensuring the implementation of National Education Policy, 2020. Essentially, these institutions are the most critical units for ensuring and evaluating the quality of education at school level on a constant basis and providing timely remedial interventions. With this perspective, the Department is coming up with a comprehensive framework on the roles and responsibilities of these functionaries, linkages with other state/district level structures, identifying existing challenges and accordingly coming up with suggestive measures to improve their overall functioning. States and UTs are requested to adopt the framework to help develop the BRCs and CRCs as vibrant academic resource centres for training and onsite support to schools and teachers. Further, all vacant posts at BRCs/CRCs should be filled up on priority.

6.7 Re-envisioning the role of DIETs as per NEP 2020:

DIETs were originally envisioned to strengthen elementary education and support the decentralization of education to the district level. SamagraShiksha envisages the DIETs as a strong district institution that would prepare and support teachers at the school level. Now, with the implementation of the NEP 2020, it has become all the more important to make DIETs the focal point for driving pedagogic initiatives, providing necessary leadership for Foundational Literacy and Numeracy (FLN), use of technology in education and orienting teachers on assessment tools for competency based evaluation. Thus, the Department is coming up with a vision document for DIETs and States and UTs are accordingly encouraged to do a reappraisal of the roles, responsibilities and functioning of DIETs.

6.8 Social Audit:

Checking, monitoring and verification of the implementation of the interventions of SamagraShiksha would be facilitated by Social Audit. This audit is to be carried out by the community and the entire Gram Sabha with the help of stakeholders like the Local Authority, SMC members, SHGs, Youth Clubs, etc. The norms of SamagraShiksha also emphasize careful monitoring of provisions of Gender and Inclusion. Hence, Social Audit to cover 20% of schools per year is mandatory so that all schools are covered at least once by 2025-26. This audit will help in ensuring transparency and accountability at all levels. In this regard, detailed guidelines were shared with the states and UTs on 8th February, 2022 and the following are the major action points:

- a) Appoint a Nodal Officer for Social Audit by 28th February, 2022. The Nodal Officer will coordinate with the Ministry of Education, State Education Department, SIS and Social Audit Unit (SAU) to facilitate the Social Audit Process.
- b) A one-day workshop/orientation programme on Social Audit will be held at the National level with the Nodal Officers of the States/UTs designated for Social Audit in the month of March/April, 2022.
- c) State/UT will sign a MoU/agreement with the SAU established in the respective State/UT, as a Society under the Societies Registration Act, by March/April, 2022. The SAU of a neighbouring State may be selected, if the State/UT does not have a SAU.
- d) The State/UT Government will organize a briefing and planning meeting by April, 2022, with the State Government officials including the designated officer for Social Audit, officials from SAU, etc. Representatives from the Ministry of Education may also be invited to participate in the meeting.
- e) The SAU will share the district wise list of master trainers and cluster wise social auditors with the Nodal Officer by March/April, 2022. The district wise master trainers will be mapped with the cluster/s of the respective districts.
- f) Training will be provided to master trainers at the State/UT level in coordination with NIRD/SIRD/SAU and School Education Department in April-May, 2022. The Master Trainers will then be deployed at the district level to provide training to all the identified Cluster Social Auditors (CSA) for SamagraShiksha by end of June 2022.

- g) The District/Block authorities will identify the Social Audit Facilitation Team (SAFT) by June 2022 for each cluster. The team will visit the schools in the cluster and facilitate the Social Audit for the scheme. The tenure of SAFT will be 3 years from its constitution.
- h) The Master Trainers and CSAS will also provide training to SAFT members in conjunction with DIET by July 2022.
- i) The Cluster Social Auditor (CSA) deployed by the SAU at each cluster will intimate Gram Panchayat about the schedule of conducting Social Audit in the schools under their jurisdiction. The BEO shall also notify the schedule to Gram Panchayat in writing and ensure that it is advertised publicly in order to maximise community participation in public hearings at Village/Cluster and Block level i.e., at Gram Sabha and at Block Panchayat Samiti respectively.

6.9 Inclusive Education:

A comprehensive action plan (Calendar of activities) is to be prepared for the identification of children with special needs (CWSN), training of teachers, availability of special educators, making infrastructure and ICT inclusive and awareness programmes. States and UTs may explore avenues for convergence with Ministry of Health and Ministry of Social Justice for effective coverage and implementation. Regular updation of child wise data relating to stipend for girls and other students oriented component-wise details under Inclusive Education must be uploaded on PRABANDH.

6.10 Vidyanjali 2.0:

Vidyanjali, a school volunteer programme aims to facilitate the community and volunteers to directly connect with the government and government-aided schools to contribute their services and/or assets/ materials/equipment through a dedicated portal. The Department has issued guidelines to the States and UTs and requested them to participate in the program by on boarding their schools on the portal. In addition, the States and UTs are required to also identify the local volunteers/civil society organisations working in the field and encourage them to contribute to the schools through the portal so that the demand raised by schools could be met, leading to overall improvement in the quality of school education.

6.11 Ek Bharat Shrestha Bharat:

Ek Bharat Shrestha Bharat programme was launched by Hon'ble Prime Minister on EktaDiwas (31st October, 2015) to foster national integration by a coordinated mutual engagement process between States and other institutions. All the States and UTs have been paired. The Department has issued revised guidelines on 20th November 2020 for the implementation of the programme to the States/UTs. An illustrative list of suggested activities to be taken up in schools in accordance with NEP 2020 has been drawn up and shared with States, UTs and concerned organizations. Based on these guidelines, the participating States/UTs will prepare an annual action plan of the activities that they would carry out through the year in coordination with paired States/UTs. The State and UT is required to submit monthly and annual report of the activities to the Department.

6.12 Learning Recovery Plan for 2022-23:

Covid-19 pandemic has presented unprecedented challenges for the education sector as the schools could not open for most part of this academic year and large migrations took place all over the country. The extended school closures have interrupted the learning process of children at every stage. Consequently, the Department has taken several initiatives to ensure that the school going students do not lag behind in their studies during the pandemic.

1) **Mitigating learning loss:**

After a prolonged closure, many States/UTs have now started reopening schools in a phased manner by following SOPs of COVID guidelines. Towards this effort to mitigate learning loss, the following interventions are suggested to be taken up in a planned manner:

- (i) NCERT has developed a **bridge course for Out of School Children (OOSC)** from Preschool to Class VIII that aims to bridge the learning gaps and help OOSC to be mainstreamed in the regular school. States and UTs may adopt this course for proper mainstreaming of OOSC.
- (ii) **Alternative Academic Calendar:** The new Alternative Academic Calendar contains week-wise plan consisting of interesting and challenging activities, with reference to learning outcome/theme/chapter taken from syllabus or textbook. It maps activities for both – children with devices and children with no access to devices. States and UTs may adopt this for giving weekly guidance to schools, parents, teachers and students to ensure continuity of education.
- (iii) **Post NAS intervention:** NAS was recently held on 12th November 2021 and will reflect the learning gaps of pandemic period. The National/state and district reports will soon be out, however, states and UTs are requested to plan for the post-NAS interventions based on the findings and ensure appropriate interventions.
- (iv) **Expansion of DIKSHA (Digital Infrastructure for Knowledge Sharing):** DIKSHA can be accessed by learners and teachers across the country and currently supports 30+ languages and the various curricula of NCERT, CBSE and SCERTs across India. In the context of COVID-19 related disruption of schooling, DIKSHA made it possible for all states/UTs to enable learning/education at home through innovative state programs. Hence, states and UTs may ensure further increasing the usage of DIKSHA, including development and uploading of quality e-resources and disseminating the same to the school and student level.
- (v) **100 Days Reading Campaign:** The Department has launched a 100 days reading campaign for children studying in Balvatika to Class VIII on 1st January 2022. In this regard a detailed guideline with weekly calendar of activities was shared on 9th December 2021. States and UTs are requested to participate by involving all Stakeholders for making this Campaign a huge success and also take it further.
- (vi) **Ensuring age appropriate books in the Libraries and intensive use of Libraries:** National Education Policy, 2020 has emphasised the importance of libraries and books including development of enjoyable and inspirational books in Indian languages, availability and accessibility of books in school/public libraries, strengthening of libraries and building a culture of reading across the country. Keeping this in view, the library guidelines was further revised and shared with States and UTs on 28th October, 2021. ([https://dse.education.gov.in/sites/default/files/update/revised_guidelines_for_promotion Libra](https://dse.education.gov.in/sites/default/files/update/revised_guidelines_for_promotion_Libra)

ry Reading%20.pdf). States and UTs may follow the revised guidelines and ensure that age appropriate books are available in the libraries, and borrowing of books for reading by students is 100%.

(vii) Capacity Building of Teachers: In the year for 2021-22, NISHTHA 2.0 has been extended to Secondary/senior teachers and NISHTHA 3.0 for Foundational Literacy and Numeracy has been launched for covering all pre-primary and primary grade teachers in Government and Government Aided schools. State and UTs need to share the results of the pre-training assessment for the appraisal and post training assessment with DoSE&L, Ministry of Education (MoE) after the implementation. SCERTs may be entrusted with this task of carrying out the impact evaluation study. Consequently, in 2022-23, NISHTHA training will also be extended to:

- Senior secondary level teachers with a focus on improvement in quality of teachers and learning outcomes of students;
- Master trainers for Anganwadi Workers in collaboration with the Department of Women and Child Development;
- Educational Administrators; and
- Skill Development in collaboration with Ministry of Skill Development.

(viii) Training Need Analysis: As NEP 2020 mandates 50 hrs of CPD every year for teachers based on their requirement, SCERTs may conduct a training need analysis for teachers at all levels to prepare customized training programmes accordingly. The training can be conducted online or in blended mode as per the prevalent situation.

2) Learning Recovery Package 2022-23:

A comprehensive COVID action plan had been shared with the States and UTs on 4th May 2021, outlining the role of local bodies, formation of nodal group at village/town level, conducting door-to-door/helpdesk-based/app based survey to identify out of school children, their mainstreaming and resource sharing. As a part of the learning recovery package for 2022-23, in addition to the existing interventions, some additional components have been identified for funding as a onetime measure. The additional components identified are:

- i. **Learning Enhancement Package (LEP) for all students:** The primary objective of the Learning Enhancement Package (LEP) is to help children to continue learning as the first step towards the restoration of normal learning following this emergency situation. This package will consist of various educational resources worksheets/workbooks, 15-20 age appropriate storybooks, supplementary materials for continuing the learning process for all children including children with special needs (CWSN). Since availability of devices and internet is still a major issue, workbooks, worksheets, activity material and additional books for higher classes becomes all the more important for continuity of learning. States and UTs may prepare grade wise material and ensure their delivery to the students. All children must be provided this package in the beginning of the academic session of 2022-23. Financial support @ Rs. 500 will be provided for children at upper primary and secondary level, as grades 1-5 are already covered under NIPUN Bharat.

- ii. **Teacher Resource Package (TRP) under Innovation:** To continue with the hybrid mode of learning, the usage of tablets will enable teachers to use the resources and content available on various digital portals and show them to the students. It will assist them to undertake NISHTHA and other on-line trainings. It will also help them to upload and monitor the various data/records, track the progress of each child and provide academic help to students during this pandemic. Financial support @ Rs. 10000 for tablets will be provided for the 25 lakh teachers at the primary level.
- iii. **Foundational Learning Study (FLS) under NIPUN Bharat Mission:** Oral Reading Fluency is the ability to read age-appropriate known as well as unknown text at a certain minimum pace, accurately, and with comprehension. It is one of several critical components required for achievement of foundational literacy skills. It is proposed to have an assessment in Oral Reading Fluency for establishing minimum reading benchmarks in different Indian languages for children at Grade 3 level, alongwith foundational learning study and assessing performance against the same, so as to take remedial steps. Financial support @ Rs. 20.00 lakh per State/UT will be provided covering all States and UTs for conducting periodic baseline assessment including Post Foundational Learning Study interventions.
- iv. **ICT facility to each BRC under Innovation:** The initiative of ICT in School Education has tremendous potential for enhancing outreach and improving quality of education. ICT at BRC level will enable them to take up a substantial load of teacher capacity building with the help of face-to-face as well as online teaching-learning techniques, tools, content and resources aimed at improving the quality and efficiency of the teaching learning process. These ICT labs available in these blocks will also be utilised as nodal resource centres for identification of CWSN so that parents will be able to reach the schools to get the benefits. Financial support of @ Rs. 6.4 lakh non-recurring and Rs. 2.4 lakh recurring including for tablets will be provided for availing ICT facility in each BRC.
- v. **Strengthening of CRCs - Mobility support to CRCs:** The Cluster Resource Centres are the most critical units for training and on-site support to schools and teachers. The CRCs need to undertake regular visits and organise monthly meetings to discuss academic issues and design strategies for better school/student performance. During this pandemic, CRCs need to conduct periodic visits and supervision of schools/localities to observe the learning facilities. In this context, each Cluster Resource Coordinator should visit the schools (locality of learning centres in case the schools are closed) and provide onsite academic support. Financial support of @ Rs. 1000 per school will be provided as mobility support for visit by CRCs to provide support during the COVID pandemic.

Section: III- Financial Estimation

7. Total Estimated Budget (2022-23)

The estimates for the AWP&B for 2022-23 under Elementary, Teacher Education and Secondary are as under:

(Rs. in lakh)

Head	Spill over	Non-Recurring (Fresh)	Recurring* (Fresh)	Total Fresh (3+4)	Grand Total (Including Spill-Over) (2+5)
1	2	3	4	5	6
Elementary	34266.5	23290.09	388986.79	412276.88	446543.38
Secondary	49502.624	37786.86	74244.41	112031.27	161533.894
Teacher Education	291.694	0	4726.35	4726.35	5018.044
Total	84060.818	61076.95	467957.55	529034.5	613095.318

*Includes Programme Management (MMMER)

8. Actual Releases by GOI during 2022-23

Against the above estimates, Central Government shall provide to the State Government, Rs. 330877.36lakh as its share (Rs. 243428.31 lakh for elementary, Rs. 84613.24 lakh for secondary & senior secondary and Rs. 2835.81 lakh for Teacher Education). The State would contribute Rs. 220584.91 lakh as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha. States and UTs will also be able to utilise their unspent balances as on 31st March, 2022 for the activities approved in 2021-22 including spill over.

Based on the demand of funds projected for 2022-23, the tentative share of recurring and non-recurring grants as per the state is given below:

(Rs. in lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	233392.07	44546.65	2835.81	280774.53
Non-recurring	10036.23	40066.60	0.00	50102.83
Total	243428.31	84613.24	2835.81	330877.36

The Balance of the outlay (i.e. Rs. 84060.818lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2022-23). Against the above Spill over, the committed liability of Department of SE&L is Rs. 13409.200 lakh (Rs. -3937.82 lakh for Elementary, Rs. 17394.48 lakh for Secondary and Rs. -47.46 lakh under Teacher Education after surrender), keeping in view the total approvals and grants already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

The following activities may be prioritised while incurring the expenditure:

- i) RTE entitlements
- ii) Foundational Literacy and Numeracy
- iii) Quality initiatives including ICT, VE and TE
- iv) School Grants including library and sports grants
- v) Gender, Equity and inclusive education
- vi) Completion of pending civil works/spill over.

There are likely to be savings under the scheme. Therefore, supplementary PAB meetings may be considered separately sometime in the month of October-November, 2022, to consider the additional requirements of States and UTs, based on funds utilisation by the State/UT.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. It is recommended that the State should meet the balance amount from its own resources including the additional funds devolved under the 15th Finance Commission.

The interventions under the SamagraShiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for SamagraShiksha in the Demand for Grants (BE) 2022-23.

The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2022-23 and the nomenclature should be SamagraShiksha. Since SamagraShiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of SamagraShiksha. Fund flow to SCERTs, DIETs etc. will be through State Nodal Account of State Implementing Society only.

9. Release of Funds:

The release of funds under the scheme will be further guided by the instructions contained in Department of Expenditure OM No. 1(13)PFMS/FCD/2020 dated 23.03.2022 circulated vide MoE D.O. No. 4-4/2020-IS.2 dated 06.04.2022, requesting to ensure fulfilment of the following necessary conditions to facilitate release of funds under Centrally Sponsored Schemes (CSS) for the FY 2022-23:

- (i) The entire amount of central share of CSS released to the State till 31st March, 2022 is transferred to the Single Nodal Account of the SNA concerned.
- (ii) Corresponding State share in full is credited to by the State Government to the Single Nodal Account of the SNA.
- (iii) Interest accrued in the SNA account is deposited in the Consolidated Fund of India as per the instructions contained in DoE's OM No. 1(13)/PFMS/FCD/2020 dated 30.06.2021.
- (iv) All the bank accounts except the Single Nodal Account of the SNA and all the bank accounts of implementing agencies except zero balance account opened under DoE's instruction dated 23rd March, 2021 have been closed and the amount available in these accounts has been deposited in the Single Nodal Account of the SNA concerned. State GIFMIS is enabled to capture scheme component-wise expenditure along with PFMS scheme codes and Unique Code of the agencies incurring the expenditure.
- (v) Funds available in the bank account of SNA should not be more than 25% of the amount likely to be released under a CSS to a State in 2022-23.
- (vi) Separate budget lines for Central and State share under the CSS in their detailed demand for grants of the State has been opened.
- (vii) In case of UTs without Legislature, Letter of Authorization would be issued and they shall work directly in PFMS without transferring fund to the Single Nodal Account.

(viii) All other provisions of the DoE's instructions dated 23.03.2021 regarding release of funds for CSS are strictly complied with.

The utilisation of funds shall be monitored through the PFMS to ensure that the release of funds is in accordance with Rule 232 (V) of GFR-2017, as per details given in **Annexure III**.

As regards the balance of funds to be released towards 1st instalment and 2nd instalment, the above said conditions and the details to be fulfilled is at Annexure IV.

These minutes have been designed as a working document to be implemented and monitored throughout the year. They include the focus areas and new approaches of MOE which have been deliberated in detail in the PAB meetings. The objective is to have emphasis on quality of education and real time monitoring of activities under SamagraShiksha through UDISE+, PGI, Mobile Apps, and Field Inspections. Many activities are shown separately for elementary and secondary due to different budget sub-heads. State specific projects are shown separately for clarity and monitoring purposes. **State will provide details of the Districts, Blocks and Schools, along with UDISE code where the activities have been conducted.** The minutes also include expected outcomes for each activity which will help States and UTs in assessing their performance.

In order to ensure effective implementation, States and UTs will prepare yearly reports on the progress of following themes/subjects:

- Progress on Foundational Literacy and Numeracy
- Progress on Early Childhood Care and Education (ECCE)
- Report on E-Governance and Digital Education
- Convergence initiatives with various line ministries
- Progress on Vocational Education.
- Progress on Teacher Education.
- State Innovations and Quality initiatives

These reports will be submitted in the **month of June every year for the previous year.**

23) Financial Support for Salary of Teachers

An outlay of Rs. 201691.73 lakh was estimated for financial support for salary of teachers as a lumpsum grant and not on the basis of number of teachers. The support for salary of teacher is calculated as per following formulation which is (i) 2021-22: 100 % of central share of expenditure in 2019-20 (ii) 2022-23: 95% of central share of expenditure incurred in 2019-20 (iii) 2023-24: 90% of central share of expenditure in 2019-20 (iv) 2024-25: 85% of central share of expenditure in 2019-20 and (v) 2025-26: 75% of central share of expenditure in 2019-20. This is further subject to the state maintaining the requisite level of filled up posts.

a) Elementary:

Sanctioned Post			Working			Vacancies		
By State	Under SS	Total	By State	Under SS	Total	By State	Under SS	Total
177303	122084	299387	157806	116185	273991	19497	5899	25396

An outlay Rs. 194099.9lakh was estimated as support for teacher salary at elementary level as per norms of the Scheme. State was advised to relook at the requirement of teacher/headmaster posts and rationalize deployment of teachers as all teachers are the responsibility of the State. There is no dual cadre of teachers – only financial support for additional teacher salary would be provided under the SamagraShiksha. Any additionally as per terms and conditions for recruitment of teachers in the State is to be borne by the State.

Outcome: Teacher's role is central and their deployment & rationalization would help in maintaining appropriate teacher-pupil ratio and is covered under PGI 2.1.7, 2.1.8, 2.1.9, 2.1.11a, 2.1.21, 2.1.22 and 2.1.23.

d) 'Rani LaxmibaiAtmaRakshaPrashikshan' - Self-Defence Training: Gender-based violence threatens the growth, development, education and health of adolescent girls in the country. Self-defence training instil self confidence amongst girls and helps to promote their education particularly their transition to secondary and higher secondary level and to reduce the drop-out rate in schools. Through self-defence techniques, the girls are taught to increase their core strength. In dire situations, one is not required to have a particular dress to defend and save oneself instead a strategic

nudge, a sharp flick, a kick or a punch are enough to deter the attacker. The girls are trained to use every day articles such as, Key chain, dupatta, Stole, mufflers, bags, pen/pencil, notebook etc. as weapons of opportunity/improvised self-defence weapons to their advantage.

The States and UTs may also look for convergence for availing funding for self-defence training under the Nirbhaya Fund under Ministry of Women and Child Development, Government of India, Police Department, Home Guards, NCC or with other State government schemes. **State is requested to provide UDISE No of these schools within two months where these activities will be carried out.**

The utilization of these funds needs to be in accordance of the detailed guidelines issued by MOE.

All purchase from central fund should be made through GEM to ensure effective prices and standardized equipments.

The following points need to be kept in mind during procurement:

- Inventory of each item will be maintained by the school and the concerned school Principal will be the in-charge for ensuring that all hardware and software has been marked as inventory items. The record of ICT inventory, school wise, has to be maintained online and made available to MOE as and when required.
- Teachers should be encouraged to make use of e-learning platforms like DIKSHA, E-Pathshala, Swayam, SwayamPrabha, NROER, NISHTHA, O-labs etc.
- Teachers to be encouraged to contribute content to DIKSHA Portal.
- States and UTs have to ensure that Annual Maintenance Contract (AMC) for each hardware item procured under ICT scheme has been entered into.
- In order to ensure that computers installed in the schools are being used regularly, software which indicates when the computers are turned on or off, linked to the State server must be put in place.
- As per IT Act 2000, it has to be ensured that effective firewalls and appropriate control filters and monitoring software mechanism are installed in all computers in schools. Please consult local NIC for installing a govt. approved, free firewall.

Outcome: Number of schools having ICT coverage and functioning as a percentage of number of Secondary/Higher Secondary schools. This will improve PGI indicator No. 1.3.3.

29) Monitoring Information System (MIS)

An outlay of **Rs. 443.01 lakh** was estimated for support to various MIS activities of the Department like UDISE+, Shagun and child tracking system, etc. An outlay of Rs. 177.20388 lakh @ Rs. 2 per student was estimated for MIS/UDISE+ activities and an outlay of Rs. 265.80582 lakh @ Rs. 3 per student was estimated for collecting student wise data. It is mandatory for the State to collect the student wise data from classes Pre-Primary to XII, in the current financial year. The same database will be used for monitoring the progress of the students in Vidya Samiksha Kendra (VSK) at State. Software which is being developed by NIC may be used for student wise data collection if the State doesn't have any such system in place.

(Rs. in lakh)

Activity Master	Physical (Students)	Unit Cost	Financial
Child Tracking System	8860194	0.00003	265.80582
Management Information System (UDISE +)	8860194	0.00002	177.20388

An outlay of **Rs. 22781.47 lakh** was estimated for Management, Monitoring, Media, Evaluation & Research (MMMER) for Staffing cost, Media, Advertising & Publicity, Research Studies, etc.

(Rs. in lakh)

Activity Master	Physical	Unit Cost	Financial
MMMER (E.E / S.E. / T.E)	1	22781.47635	22781.47635

31) Outcome Targets:

To achieve the desired objectives and outcomes of the scheme, it has been decided to prepare a Comprehensive Action Plan covering all interventions of SamagraShiksha upto 2025- 26 with long term vision and sustainability. The 5-year Perspective Plan including year-wise outcome target is at **Annexure XVIII**. State will ensure effective implementation of this outcome based action plan.

32) Spill Over

An outlay of **Rs.84060.8180lakh** as Spill over under various activities falling under Elementary Education, Secondary Education and Teacher Education was estimated with the condition that all pending activities should be completed during this year 2022-23. The detail is enclosed at **Annexure XIX**.

33) Costing Sheet

The consolidated item-wise estimate for 2022-23 is at **Annexure XX**. The State must bifurcate the annexed costing sheet among all the Districts according to their proposals/approvals and capture the district wise expenditure against the budget allotted, on the PRABANDH portal on a monthly basis for the real time monitoring of each activity/component approved under SamagraShiksha. Also, State needs to ensure that timely implementation of the various interventions as per the annual calendar of activities submitted.

The meeting ended with a vote of thanks to the Chair.
