1. **Introduction:**

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2022-23 for SAMAGRA SHIKSHA for the State of Andhra Pradesh was held on 26.04.2022 through Video Conference. The list of participants who attended the meeting is at **Annexure-I**.

Section: I - State specific initiatives, Review of Performance & Issues

2. **Initiatives of the State:**

Ms. Anita Karwal, Secretary (SE&L) invited Andhra Pradesh to give a presentation on School Education in the State. Shri Budithi Rajasekhar, Special Chief Secretary, School Education (Andhra Pradesh) gave a presentation which included the following major points:

a) **Action taken for tackling the learning loss through Digital Learning Platforms:**

- (i) **School Readiness Programme:** State has implemented School Readiness programme for the first two months of the academic year in all classes.
- (ii) **Baseline assessment:** Before the re-opening of schools after the pandemic, baseline assessment was conducted from 27th to 31st July, 2021 in all government schools covering classes I to X.
- (iii) **Bridge Course materials:** On the basis of the findings of the baseline assessment, State has specially developed Bridge Course materials and distributed to all schools, primary to Class X, to address any learning gaps that would have arisen from the ongoing pandemic.
- (iv) **Training of Teachers:** Teachers were provided specialized training on pedagogy and competency based assessment.
- (v) **100 Days Reading Campaign:** Students from Balvatika to Class 8 under all managements in the State had participated in the 100 days training programme organized from January to April, 2022. During this programme, awareness drives were organized along with activities such as: storytelling, reading melas, songs and rhymes.

b) **Convergence with other Ministries along with CSR:** State has taken up the following initiatives under convergence with other ministries:

- (i) **Women Development & Child Welfare Department:** Pre-primary activity books were developed and training was conducted for the Anganwadi workers by the SCERT. In addition, KGBV girls also participated in the mock parliament conducted by the AP Women Commission.
- (ii) **National Institute of the Empowerment of Persons with Intellectual Disabilities (NIEPID), Secunderabad:** TLMs were provided to children with Intellectual disabilities under the ADIP scheme. Further, in-service training programmes were conducted for special educators and teachers.
- (iii) **National Institute for Empowerment of People with Visual Disabilities, Secunderabad:** Braille Kits have been provided to children with visual impairment under the ADIP scheme.

- (iv) **Artificial Limbs and Manufacturing Corporation Limited (ALIMCo):** Aids and appliances have been provided to Children with Special Needs under the ADIP scheme.
- (v) **Tribal Welfare Department and BC welfare department:** Enrolment drive was conducted and tribal language books have been developed.
- (vi) **District Medical and Health Board:** Software provided for assessment of Disabled for Access, Rehabilitation and Empowerment (SADAREM) to Children with Special Needs. Further, medical camps were conducted in all KGBVs for providing vaccination and vaccination drive also initiated in all schools. Periodic medical check-ups were also conducted by general physician, ophthalmologist and other doctors from PHCs and UHCs.
- (vii) **Bharath Scouts and Guides:** Trainings were provided to the teaching staff working in KGBVs for mobilizing girls to participate in the guides programme.
- c) **Jagananna Vidya Kanuka (Student Kit):** This is an initiative of the State wherein student kits are provided. This student kits include: Three pairs of uniforms; School bag; Shoe and two pairs of socks; Notebooks, textbooks & workbooks; Belt; Picture dictionary and Oxford dictionary.
- d) **Nadu Nedu:** This is a state specific program for Transforming School Infrastructure in all Government Schools in a period of 3 years in 3 phases. In phase I, 15715 Schools were covered with financial assistance of Rs.3669 cr. In the coming two years, the plan is for strengthening of (57,189) schools and (3,280) other educational institutions with an estimated cost of Rs.16021.67 crores. The infrastructure components that are covered under this component are: major & minor repair; toilets with running water; drinking water supply; painting of entire campus; electrification; English labs; compound wall; kitchen sheds, etc.
- e) **Learn a word a day:** The objective of this state specific programme is to enrich the students' vocabulary which would be beneficial in both speaking and writing through Dictionary. Under this, initially a 30-day action plan was designed from 15th Feb to 15th March 2022 which was continued till the end of the academic year. The day wise activity was also worked out for 30 days with suggestive English word along with Telugu meaning and usage. This programme is envisaged to create interest about the language and vocabulary through utilization of the English Lab and the Dictionaries provided.
- f) **State level Science Congress:** A State Level Science Congress was conducted on 7th November, 2021 at DIET, Angaluru, Krishna district. A total of 671 Students and 74 lecturers of DIETs showcased their creativity and innovations from all over the state during this programme.
- g) **School Safety:** With a focus on school safety, the following activities have been taken up by the State:
- Convergence meetings held with line department
 - One-day orientation organized for teachers by line departments
 - Celebrated School safety day on 28th January, 2022, wherein students have taken the school safety pledge.

3. Review of Commitments and Expected Outcomes & Action Taken during 2021-22

The progress made in implementing the commitments and expected outcomes given by the State in 2021-22 was reviewed and the status in respect of pending items is as under:

Sl. No.	Commitments	Action Taken	Comments of the PAB 2022-23
1.	Pending works in non-recurring/spill over: State was asked to take up the pending works on priority and ensure that all works pending under different components prior to 2020-21 are completed in this financial year.	Tenure of Parents committee was completed and elections were conducted in phases because of which it got delayed. Further conversion from CFMS to PFMS, mapping of accounts took lot of time. But PFMS procedure has been introduced and all works sanctioned upto 2020-21 will be scheduled for completion during the year 2022-23 without any hindrance.	State to ensure all pending works are completed on priority.
2.	Schools with Adverse PTR: at Primary level single teacher schools have increased from 7803 to 10065 and the percentage of primary schools with adverse PTR also increased sharply from 29 to 40 percent (UDISE 2019-20). State would need to carry out the rationalization of schools at primary level.	School mapping exercise is being carried out to ensure PTR.	State needs to come up with a concrete action plan for rationalization of schools at the primary level.
3.	High Drop-out Rate: At Secondary level, the annual average drop-out rate for boys is higher than girls in 5 districts; Kadapa (Boys-24.7 & Girls-19.1), Krishna (Boys-21.7 & Girls-12.8), Anantapur (Boys-20.4 & Girls-17.7), East Godavari (Boys-19.6 & Girls-13.2) and Prakasam district (Boys-19.5 & Girls-15.8). State would need to identify the factors for high drop-out rate for boys and plan the interventions accordingly.	Survey was conducted on the children absenteeism and major reason identified is migration. COVID Pandemic has resulted in migration of families. Further, Door to door survey and enrolment drive is scheduled from May to June to identify such out of school children.	State should emphasize on reducing the high drop-out rate especially at the Secondary level with a special plan of action.
4.	Construction of KGBV Buildings: The construction work is in progress in 72 KGBVs (Type IV). Out of 75, 10 building were sanctioned in 2011-12, 47 in 2016-17 and 15 in 2017-18. Further, the construction work not started yet in 07 KGBVs (Type IV), sanctioned in 2011-12.	As on 01-04-2021, there is a spill over commitment of 68 KGBVs (Type-IV). So far 16 Buildings have been completed, 34 are in progress and 18 works are yet to be started. Not started buildings are proposed for construction through School Parent Committees and State has scheduled for completion of all	State needs to take up the not started buildings on priority

	State needs to complete the construction of these buildings and make them functional.	works in the financial year 2022-23.	
5.	Low CwSN Enrolment: out of total enrolment of 3986116 students in the State, the CwSN enrolment is 101951 (only 1.25%), and out of that 43% are girls and 57% are boys. Out of total Secondary Schools, only 55% Schools (4277) have CWSN enrolled whereas in Secondary Schools, only 52% (24220) Schools have CwSN enrolled. State would need to prepare an action plan on improving the status of CwSN.	Conducted different programmes like orientation programmes for parents of CwSN, door to door survey and enrolment drive in the state for creating awareness on policies and provisions for CwSN which have been implemented by Government of India and Government of Andhra Pradesh. There is some gap in enrolment of CwSN due to pandemic of Covid-19.	State is encouraged to continue taking up adequate measures towards improving the enrolment of CwSN.
6.	Vocational Education: The State Government has decided to drop vocational training in 10 sectors and retain only 4 sectors (Agriculture, Apparel, Electronics and IT/ ITeS). Under the scheme, non-recurring grant is given for purchase of lab equipment's in schools. The State may consider as to how the existing infrastructure created/labs set up for the sectors dropped, will be utilised. The State may also intimate as to how the labs for the 04 sectors to be continued will be set-up in the schools in which courses for the sectors dropped were being offered. No further grant non-recurring grant will be provided to the State for the purpose.	Trades which were dropped do not have labs established. Further the grants are being utilised for the present four trades and state is planning to use the resources for Vocational and Skill hub initiatives. Budgets were released to district and are in the process of establishing labs.	No further non-recurring grant will be provided to the State for the 10 sectors which have been dropped. State may also intimate as to how the labs for the 04 sectors to be continued will be set-up in the schools in which courses for the sectors dropped were being offered.
7.	Classes on Vocational Education: in the last academic year (2020-21), no classes on vocational subject conducted in the state. The State should ensure that arrangement for online classes should be done and completion of courses is done in the interest of the students.	The State has taken necessary steps to continue vocational education during lock down due to Covid-19. State has prepared digital inventory for the Students of all the job roles. The State plans on providing online courses to keep Students skills current even during school closures.	State should continue to take measures for regular conduct of these vocational classes so as to ensure completion of these courses by the students.
8.	Vacancy in SCERT: Vacancy of	Vacancy of academic positions in SCERT is 17%	State should initiate

These vacant posts need to be filled up on priority as it is also directly impacting PGI indicator # 2.1.12.	with 24 faculties in position as against total sanctioned 29.	the process of restructuring of the SCERT as per MoE guidelines and fill up existing vacancies at the earliest.
9.	Vacancy in DIET: Vacancy of academic positions in 13 Functional DIETs is 38% with only 202 faculties in position as against a total recommended strength of 325 (25 Academic posts per DIET). These vacant posts needs to be filled up on priority as it is also directly impacting PGI indicator # 2.1.12	Vacancy of academic positions in 13 functional DIETs is 23% with 262 faculties in position as against total sanctioned 340.	State should ensure existing vacancies are filled up on priority.

4. Review of performance during 2021-22:

PGI State for 2021-22 is now open for data entry since January, 2022 but State is yet to initiate the process of filling of entries. State had secured a score of 811 in Performance Grading Index (PGI) and was placed in Grade I. The Domain-wise Gaps in 2019-20 as compared to 2018-19 and 2017-18 are shown below:

Year	Category 1				Category 2	Total
	Domain 1 (180)	Domain 2 (80)	Domain 3 (150)	Domain 4 (230)	Domain 1 (360)	All Domains (1000)
2017-18	154	70	99	194	211	728
GAP	26	10	51	36	149	272
2018-19	154	77	104	194	196	725
GAP	26	3	46	36	164	275
2019-20	154	65	117	204	271	811
GAP	26	15	33	26	89	189

State was requested to examine its score in each domain and take measures to improve its overall PGI score.

- Learning Outcomes and Quality (C-1, D-1):** State still needs to work on providing interventions to improve the learning outcomes of the students.
- Access Outcomes (C-1, D-2):** State's performance in this domain is even poorer than last year and as such needs urgent steps to improve the same, especially with a focus on the retention rate at the elementary and secondary level.

- c) **Infrastructure & Facilities (C-1, D-3):** State has shown substantial improvement under this and was encouraged to further take measures to reach the top grade, with specific focus on areas where the performance is low i.e., Integrated Science Lab and Computer Lab.
- d) **Equity Outcomes (C-1, D-4):** State has shown improvement under this domain with increase in the gross enrolment ratio of CwSN and % of entitled CwSN receiving aids and appliances. However, percentage of schools having ramp for disabled children to access school building and percentage of schools having functional CwSN friendly toilets are still an area of concern.
- e) **Governance Processes (C-2, D-1):** State has shown maximum improvement under this domain and would now need specific focus on these three areas i.e., % of primary and upper primary schools meeting head teacher norms as per RTE, Number of head-teachers/principals recruited through a merit-based selection system as a % of total number of head-teachers/principals recruited (in the given year) and Funds arranged through PPP, CSR as a percentage of State budget on schools education.

5. **Appraisal issues/ Commitments for 2022-23**

- **Decline in Enrolment and High Dropout rate:** The total decline in enrolment in the State between grades is quite high at 2.80 lakh. Moreover, the grade wise annual average dropout rate at class X at 31.3 and class XI at 7.9 are an area of concern. The average annual dropout rate at the secondary level in 2021 is also quite high at 16.7. State needs to take adequate steps to reduce the dropout rate and improve the retention rate.
- **Decline in Transition Rate:** As per UDISE+, transition from Secondary to Higher Secondary level is much lower than transition from elementary to secondary level in some districts, attributing to a transition loss of 2 lakhs. These districts are West Godavari, Kadapa, Anantapur, Kurnool, Prakasam and Krishna. State needs to take steps to improve the transition rate from the secondary to higher secondary level. Especially in these districts.
- **Surplus Teachers at Elementary level:** There are 6119 Surplus Teachers at Elementary Level, while the number of single teacher schools has increased at both the primary and upper primary level. The number of schools with adverse PTR is also quite high at 47.56 % and 17.93 % at the primary and upper primary level. State needs to go for a rationalization of teachers, to ensure availability of required number of teachers in all schools.
- **Subject PTR at Secondary level:** 70.6% secondary schools are having teachers for all core subjects. Subject PTR at the secondary level is 33 for Language, 66 for Mathematics, 46 for Science and 97 for Social Studies. State still needs to ensure required number of Language, Mathematics, Science and Social Studies teachers at the secondary level.
- **Teacher vacancy at Elementary level:** There are 39008 vacant posts of teachers in Govt. Elementary schools, which is an increase of 0.52% from 2021-22 that would need to be filled on priority.
- **Teacher vacancy at Secondary level:** There are still 11888 vacant posts of teachers in Govt. Secondary schools, even though there is a slight decrease in vacancy from 2021-22 that would need to be filled on priority.
- **Inclusive Education:** Out of a total number of 8410924 students, the total number of Children with Disability (CwD) is 88,252 i.e., only 1%. Further, out of a total number of 63,343 schools, the total number of schools with CwD is 27,291 i.e., 43% and of these the number of schools with >10 CwD is 1633 (3%) while the number of schools with <10 CwD is 25658 (41%). State is requested to take concerted efforts to ensure timely identification for wider coverage and requisite interventions and support.

○ Vacancy of Academic positions in TEIs:

- (i) **Vacancy of academic positions in 24 Functional DIETs** is 19.38 % with 262 faculties in position as against a total sanctioned post of 325 (25 Academic posts per DIET). These vacant post needs to be filled up on priority as it is also directly impacting PGI indicators # 2.1.12
- (ii) **Vacancy of academic positions in SCERT** is 46.67 % with only 24 faculties in position as against the 45 sanctioned academic posts. These vacant posts need to be filled up on priority as it is also directly impacting PGI indicators # 2.1.12.

Section: II- New Approaches and Learning Recovery Plan for 2022-23

6. New Approaches 2022-23:

During the year 2022-23, the thrust of the appraisal exercise is based on the areas as detailed below. **The thrust areas for 2022-23 are:**

6.1 Preparation of 5-year Perspective Plan (including current year):

In order to achieve the desirable objectives and outcomes of the scheme, it has been decided to prepare a comprehensive action plan covering all interventions of Samagra Shiksha upto 2025-26 with long term vision and sustainability. While preparing the perspective plan, States/UTs may also identify outcomes to be achieved. A 5-year perspective plan module comprising of major indicators/interventions and outcomes to be achieved is being developed on PRABANDH portal. States and UTs may fill up this format on priority and prepare long term outcome based plan of action with yearly targets. This perspective plan will be linked to the Annual work plan of the state and while appraising the same, targets given in perspective plan will also be taken into consideration. This requires suitable and adequate planning at every stage to avoid any future ambiguity.

6.2 Annual Calendar of Activities:

In order to achieve the objectives of the scheme, the States/UTs should formulate an action plan laying down timelines for implementation of various activities in 2022-23. Overall results can only be improved through a quantifiable time bound implementation. The indicative calendar for implementation for the State of Andhra Pradesh is at **Annexure-II**.

6.3 National Initiative for Proficiency in Reading with Understanding and Numeracy (NIPUN Bharat):

- **Perspective Plan for NIPUN Bharat:** NIPUN Bharat mission is expected achieve its target of universal acquisition of foundational skills by all children at the end of grade III. Therefore, it is of utmost importance to make a plan for next five years which can be broken into annual plans and targets. In this regard, a planning template has already been shared with the states and UTs and the same has further been revised based on feedback from the states/UTs and is being digitized. The NIPUN Bharat Portal which will be launched soon will have all the details of the documents and information on NIPUN Bharat Mission at one place.

- **Teaching Learning Materials & Teacher Resource Materials:** States and UTs should focus on various interventions related to Child centric Teaching Learning Materials, indigenous toys and games, play based activities and supplementary graded material, Teacher Manuals, Activity Handbooks, resource materials for teachers to align their innovative pedagogies with learning outcomes and grade level competencies at foundational level. The teaching learning material may be prepared in home/local/regional languages.
- **Display of Lakshya/Targets:** States and UTs should ensure that Lakshya/Targets for Foundational Literacy and Numeracy are displayed on the walls of schools/classrooms so that students, teachers and parents are aware of the same. SMC members and Parents may be made aware of the Lakshyas of the mission so that they can participate in the process and make this mission a success. The template for the same has been shared by MoE on 22nd February, 2022.
- **Printing and Distribution of Codified Learning Outcomes:** Learning Outcomes for the Foundational Stage have been developed and codified and are available in the NIPUN Bharat guidelines document.
(https://www.education.gov.in/sites/upload_files/mhrd/files/nipun_bharat_eng1.pdf).
In order to ensure that the learning outcomes reach all teachers, all parents and all schools, States/UTs may prepare the following:
 - i) Print these learning outcomes and translate them into regional languages
 - ii) Develop posters on these Learning Outcomes for schools,
 - iii) Develop Leaflets/Brochures for Parents

Funds available under MMMER component of Samagra Shiksha will be utilized for this purpose.

- **IEC materials for creating awareness:** Information Education Communication (IEC) Materials may be developed to create awareness drives about the importance of Foundational Literacy and Numeracy.
- **Display of NIPUN Bharat LOGO:** State and UTs must ensure that NIPUN Bharat logo is painted in all Primary sections/school walls. The design of the logo has been shared by MoE and funds for this can be availed under Composite School Grant.

6.4 Implementation of Vidya Pravesh in all Schools:

A three month play based school preparation module for grade I has been launched by NCERT and uploaded on the NIPUN Bharat link on DIKSHA (<https://diksha.gov.in/fin.html>). The module is designed as an exemplar and the States/Union Territories/schools are requested to ensure timely adoption/adaptation of the same so that the Module could be **implemented in all schools of the country in the next academic session i.e., 2022-23. (Ref letter No. D.O. No. 01-17/2021-1S.14 dated: 18th November, 2021)**. Module and revised version of the Vidya Pravesh are as given below:

6.5 Targeted and Saturated approach for expansion of Secondary and Senior Secondary Education:

With regard to the objective of achieving 100% GER at all levels as envisaged in NEP 2020, it is of utmost importance that adequate facilities in terms of infrastructure and quality education are available at the secondary level. Therefore, under Samagra Shiksha focus will be on saturation of certain key aspects in next 4 years. This kind of targeted approach will lead to universal access and affordable quality education for all at secondary stage (for the age group of 14-18 years) in the next 4 years, starting with the aspirational districts.

- a) **Opening of new Secondary/Senior Secondary Schools:** To ascertain the number of Secondary and Sr. Secondary schools needed to ensure 100% Gross Access Ratio (GAR), this Department has conducted a GIS mapping exercise to find out the requirement of Secondary/Sr. Secondary schools in a scientific and realistic manner. While calculating GAR and preparing the proposal for opening of the new secondary/sr. secondary school based on GIS mapping, state must consider availability of govt. aided and private unaided schools also in the vicinity as per the distance norms. **The States and UTs are requested to send the proposals for opening of new secondary and senior secondary schools based on GIS Mapping done by the MOE.**
- b) **Infrastructure:** Priority for saturation in secondary and sr. secondary schools will be given to the aspirational districts which will later be expanded to other districts.
- c) **Integrated Science Lab:** All secondary schools including KGBVs should be provided with integrated science lab. States and UTs may prepare their proposals accordingly.
- d) **ICT and Smart classrooms:** All secondary/senior secondary schools including KGBVs should be provided ICT/Smart classroom with internet facility, states and UTs may ensure electricity in schools for this purpose. States and UTs may prepare their proposals accordingly.
- e) **Vocational Education:** 50% of the composite secondary/sr. secondary schools as envisaged in NEP 2020 will be provided support for vocational education in the next 4 years.
- f) **School Readiness Module for students at Secondary Level:** The dropout rate at Secondary level has been consistently higher and one of the reasons for the same is student's inability to cope-up with the curriculum and high stakes associated with these classes. It would be a good idea to have a 2-3 months readiness module for children entering in grade IX so that they are prepared for the secondary stage. NCERT will be developing this module which can be adopted/adapted by the states and UTs.

6.6 Strengthening of BRCs and CRCs:

BRCs and CRCs have a significant role in ensuring the implementation of the National Education Policy, 2020. Essentially, these institutions are the most critical units for ensuring and evaluating the quality of education at school level on a constant basis and providing timely remedial interventions. With this perspective, the Department is coming up with a comprehensive framework on the roles and responsibilities of these functionaries, linkages with other state/district level structures, identifying existing challenges and accordingly coming up with

suggestive measures to improve their overall functioning. States and UTs are requested to adopt the framework to help develop the BRCs and CRCs as vibrant academic resource centres for training and onsite support to schools and teachers. Further, all vacant posts at BRCs/CRCs should be filled up on priority.

6.7 Re-envisioning the role of DIETs as per NEP 2020:

DIETs were originally envisioned to strengthen elementary education and support the decentralization of education to the district level. Samagra Shiksha envisages the DIETs as a strong district institution that would prepare and support teachers at the school level. Now, with the implementation of the NEP 2020, it has become all the more important to make DIETs the focal point for driving pedagogic initiatives, providing necessary leadership for Foundational Literacy and Numeracy (FLN), use of technology in education and orienting teachers on assessment tools for competency based evaluation. Thus, the Department is coming up with a vision document for DIETs and States and UTs are accordingly encouraged to do a reappraisal of the roles, responsibilities and functioning of DIETs.

6.8 Social Audit:

Checking, monitoring and verification of the implementation of the interventions of Samagra Shiksha would be facilitated by Social Audit. This audit is to be carried out by the community and the entire Gram Sabha with the help of stakeholders like the Local Authority, SMC members, SHGs, Youth Clubs, etc. The norms of Samagra Shiksha also emphasize on careful monitoring of provisions of Gender and Inclusion. Hence, Social Audit to cover 20% of schools per year is mandatory so that all schools are covered in a period of Five years. This audit will help in monitoring the implementation of the scheme and ensuring transparency, accountability at all levels. In this regard, guidelines were shared with the states and UTs on 8th February, 2022 and the following are the major action points:

- a) Appoint a Nodal Officer for Social Audit by 28th February, 2022. The Nodal Officer will coordinate with the Ministry of Education, State Education Department, SIS and Social Audit Unit (SAU) to facilitate the Social Audit Process.
- b) A one-day workshop/orientation programme on Social Audit will be held at the National level with the Nodal Officers of the States/UTs designated for Social Audit in the month of March/April, 2022.
- c) State/UT will sign an MoU/agreement with the SAU established in the respective State/UT, as a Society under the Societies Registration Act, by March/April, 2022. The SAU of a neighbouring State may be selected, if the State/UT does not have a SAU.
- d) The State/UT Government will organize a briefing and planning meeting by April, 2022, with the State Government officials including the designated officer for Social Audit, officials from SAU, etc. Representative/s from the Ministry of Education may also be invited to participate in the meeting.
- e) The SAU will share the district wise list of master trainers and cluster wise social auditors with the Nodal Officer by March/April, 2022. The district wise master trainers will be mapped with the cluster/s of the respective districts.
- f) Training will be provided to master trainers at the State/UT level in coordination with NIRD/SIRD/SAU and School Education Department in April-May, 2022. The Master Trainers will

then be deployed at the district level to provide training to all the identified Cluster Social Auditors (CSAS) for Samagra Shiksha by end of June 2022.

- g) The District/Block authorities will be asked to identify the list of Social Audit Facilitation Team (SAFT) by June 2022 for each cluster. The team will visit the schools and facilitate the Social Audit for the scheme. The tenure of SAFT will be 3 years from its constitution.
- h) The Master Trainers and CSAS will also provide training to SAFT members in conjunction with DIET by July 2022.
- i) The Cluster Social Auditor (CSA) deployed by the SAU at each cluster will intimate Gram Panchayat about the schedule of conducting Social Audit in the schools under their jurisdiction. The BEO shall also notify the schedule to Gram Panchayat in writing and ensure that it is advertised publicly in order to maximise the community participation in public hearings at Village/Cluster and Block level i.e., at Gram Sabha and at Block Panchayat Samiti respectively.

6.9 Inclusive Education:

A comprehensive action plan (Calendar of activities) is to be prepared for the identification of children with special needs (CWSN), training of teachers, availability of special educators, making infrastructure and ICT inclusive and awareness programmes. States and UTs may explore avenues for convergence with Ministry of Health and Ministry of Social Justice for effective coverage and implementation.

Regular updation of child wise data relating to stipend for girls and other students oriented component-wise details under Inclusive Education must be uploaded on PRABANDH.

6.10 Vidyanjali 2.0:

Vidyanjali, a school volunteer programme aims to facilitate the community and volunteers to directly connect with the government and government-aided schools to contribute their services and/or assets/ materials/equipment through a dedicated portal. The Department has issued guidelines to the States and UTs and requested them to participate in the program by on boarding their schools on the portal. In addition, the States and UTs are required to have also to identify the local volunteers/civil society organisations working on the field and encourage them to contribute to the schools through the portal so that the demand raised by schools could be met, leading to overall improvement in the quality of school education.

6.11 Ek Bharat Shrestha Bharat:

Ek Bharat Shrestha Bharat programme was launched by Hon'ble Prime Minister on Ekta Diwas (31st October, 2015) to foster national integration by a coordinated mutual engagement process between States and other institutions. All the States and UTs have been paired. The Department of School Education and Literacy has issued revised guidelines on 20th November 2020 for the implementation of the programme in the States/UTs. An illustrative list of suggested activities to be taken up in schools in accordance with NEP 2020 has been drawn up by the Department and shared with States, UTs and concerned organizations. Based on the guidelines issued by the Department, the participating States/UTs will prepare an annual action plan of the activities that they would carry out through the year in coordination with paired States/UTs. The State and UT is required to submit monthly and annual report of the activities to the Department.

6.12 Learning Recovery Plan for 2022-23:

Covid-19 pandemic has presented unprecedented challenges for the education sector as the schools could not open for most part of this academic year and large migrations took place all over the country. The extended school closures have interrupted the learning process of children and caused learning loss at every stage. Consequently, the Department has taken several initiatives to ensure that the school going students do not lag behind in their studies during the pandemic.

1) **Mitigating learning loss:**

Due to the adverse effect of Covid-19 pandemic on the education sector, the schools could not open for most part of this academic year and large migrations took place all over the country. After a prolonged closure, many States/UTs have now started reopening schools in a phased manner by following SOPs of COVID guidelines. Towards this effort to mitigate learning loss, the following interventions are suggested to be taken up in a planned manner:

- (i) NCERT has developed a **bridge course for Out of School Children (OoSC)** from Preschool to Class VIII aims to bridge the learning gaps and help OOSC to be mainstreamed in the regular school. States and UTs may adopt this course for proper mainstreaming of OOSC.
- (ii) **Alternative Academic Calendar:** The new Alternative Academic Calendar contains week-wise plan consisting of interesting and challenging activities, with reference to learning outcome/theme/chapter taken from syllabus or textbook. It maps activities for both – children with devices and children with no access to devices. States and UTs may adopt this for giving weekly guidance to schools, parents, teachers and students to ensure continuity of education.
- (iii) **Post NAS intervention:** AS was recently held on 12th November 2021 and will reflect the learning gaps of pandemic period. The National/state and district reports will soon be out, however, states and UTs are requested to plan for the post-NAS interventions based on the findings and ensure appropriate interventions.
- (iv) **Expansion of DIKSHA (Digital Infrastructure for Knowledge Sharing):** DIKSHA can be accessed by learners and teachers across the country and currently supports 30+ languages and the various curricula of NCERT, CBSE and SCERTs across India. In the context of COVID-19 related disruption of schooling, DIKSHA made it possible for all states/UTs to enable learning/education at home through innovative state programs. Hence, states and UTs may ensure further increasing the usage of DIKSHA, including development and uploading of quality e-resources and disseminating the same to the school and student level.
- (v) **100 Days Reading Campaign:** The Department has launched a 100 days reading campaign for children studying in Bal Vatika to Class VIII on 1st January 2022. In this regard a detailed guideline with weekly calendar of activities has been shared on 9th December 2021. States and UTs are requested to participate by involving all Stakeholders for making this Campaign a huge success.

(vi) **Ensuring age appropriate books in the Libraries and intensive use of Libraries:** The National Education Policy, 2020 has emphasised the importance of libraries and books by highlighting on various aspects including development of enjoyable and inspirational books in Indian languages, availability and accessibility of books in school/public libraries, strengthening of libraries and building a culture of reading across the country. Keeping in view the recommendations of the National Education Policy, 2020 on the importance of libraries and books by highlighting on various aspects, the guidelines was further revised and shared with States and UTs on 28th October, 2021. (https://dse.education.gov.in/sites/default/files/update/revised_guidelines_for_promotion_Library_Reading%20.pdf). States and UTs may follow the revised guidelines and ensure that age appropriate books are available in the libraries, and borrowing of books for reading by students is 100%.

(vii) **Capacity Building of Teachers:** In the year for 2021-22, NISHTHA 2.0 has been extended to Secondary/senior teachers and NISHTHA 3.0 for Foundational Literacy and Numeracy has been launched for covering all pre-primary and primary grade teachers in Government and Government Aided schools. State and UTs need to share the results of the pre-training assessment for the appraisal and post training assessment with DoSE&L, Ministry of Education (MoE) after the implementation. SCERTs may be entrusted with this task of carrying out the impact evaluation study. Consequently, in 2022-23, NISHTHA training will also be extended to:

- Senior secondary level teachers with a focus on improvement in quality of teachers and learning outcomes of students;
- Anganwadi Workers in collaboration with the Department of Women and Child Development;
- Educational Administrators; and
- Skill Development in collaboration with Ministry of Skill Development.

(viii) **Training Need Analysis:** As NEP 2020 mandates 50 hrs of CPD every year for teachers based on their requirement, SCERTs may conduct a training need analysis for teachers at all levels to prepare customized training programmes accordingly. The training can be conducted online or in blended mode as per the prevalent situation.

2) Learning Recovery Package 2022-23:

Several initiatives have been taken up by the Department in the year 2021-22 to ensure that the school going students do not lag behind in their studies during this COVID-19 pandemic. In this regard, a comprehensive COVID action plan had been shared with the States and UTs on 4th May 2021, outlining the role of local bodies, formation of nodal group at village/town level, conducting door-to-door/helpdesk-based/app based survey to identify out of school children, their mainstreaming and resource sharing. As a part of the learning recovery package for 2022-23, in addition to the existing interventions, some additional components have been identified for funding as a onetime measure. The additional components identified are:

i. **Learning Enhancement Package (LEP) for all students:** The primary objective of the Learning Enhancement Package (LEP) is to help to continue learning as the first step towards the restoration of normal learning following this emergency situation. This package

will consist of various educational resources worksheets/workbooks, 15-20 age appropriate storybooks, supplementary materials for continuing the learning process for all children including children with special needs (CWSN). Since availability of devices and internet is still a major issue, workbooks, worksheets, activity material and additional books for higher classes becomes all the more important for continuity of learning. States and UTs may prepare grade wise material and ensure their delivery to the students. All children must be provided this package in the beginning of the academic session of 2022-23. Financial support of @ Rs. 500 will be provided for children at upper primary and secondary level, as grades 1-5 are already covered under NIPUN Bharat.

- ii. **Teacher Resource Package (TRP) under Innovation:** To continue with the hybrid mode of learning, the usage of tablets will enable teachers to use the resources and content on various digital portals and show them to the students. It will assist them to undertake NISHTHA and other on-line trainings. It will also help them to upload and monitor the various data/records, track the progress of each child and provide academic help to students during this pandemic. Financial support of @ Rs. 10000 per teacher for tablets will be provided for the 25 lakh teachers at the primary level.
- iii. **Foundational Learning Study (FLS) under NIPUN Bharat Mission:** FLS is the ability to read age-appropriate known as well as unknown text at a certain minimum pace, accurately, and with comprehension. It is one of several critical components required for achievement of foundational literacy skills. It is proposed to have an assessment in Oral Reading Fluency for establishing minimum reading benchmarks in different Indian languages for children at Grade 3 level and assessing performance against the same, so as to take remedial steps. Financial support of @ Rs. 20.00 lakh per State/UT will be provided covering all States and UTs for conducting periodic baseline assessment including Post Foundational Learning Study interventions.
- iv. **ICT facility to each BRC under Innovation:** The initiative of ICT in School Education has tremendous potential for enhancing outreach and improving quality of education. ICT at BRC level will enable them to take up a substantial load of teacher capacity building with the help of face-to-face as well as online teaching-learning techniques, tools, content and resources aimed at improving the quality and efficiency of the teaching learning process. These ICT labs available in these blocks will also be utilised as nodal resource centres for identification of CWSN so that parents will be able to reach the schools to get the benefits. Financial support of @ Rs. 6.40 lakh non-recurring and Rs. 2.40 lakh recurring including for tablets will be provided for availing ICT facility in each BRC.
- v. **Strengthening of CRCs - Mobility support to CRCs:** The Cluster Resource Centres are the most critical units for training and on-site support to schools and teachers. The CRCs need to undertake regular visits and organise monthly meetings to discuss academic issues and design strategies for better school/student performance. During this pandemic, CRCs need to conduct periodic visits and supervision of schools/localities to observe the learning facilities. In addition, a proper system of academic and curricular support has to be developed to serve the purpose of continuous professional up gradation of teachers. In this

context, each Cluster Resource Coordinator should visit the schools/locality of learning centres in case the schools are closed and provide onsite academic support under his/her jurisdiction. Financial support of @ Rs. 1000 per school will be provided as mobility support for visit by CRCs to provide support during the COVID pandemic.

8. Actual Releases by GOI during 2022-23

Against the above estimates, Central Government shall provide to the State Government, Rs. 164184.19lakh as its share (Rs. 129546.70lakh for Elementary, Rs. 33822.56lakh for Secondary & Senior Secondary and Rs. 814.94lakh for Teacher Education). The State would contribute Rs. 109456.13lakh as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha. States and UTs will also be able to utilise their unspent balances as on 31st March, 2022 for the activities approved in 2021-22 including spill over.

Based on the demand of funds projected for 2022-23, the tentative share of recurring and non-recurring grants as per the state is given below:

(Rs. in lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	101041.65	28059.29	662.80	129763.73
Non-recurring	28505.05	5763.27	152.14	34420.46
Total	129546.70	33822.56	814.94	164184.19

The Balance of the outlay (i.e. Rs. 84142.08lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2022-23). Against the above Spill over, the committed liability of Department of SE&L is Rs. 31392.65lakh (Rs. 15453.59 lakh for Elementary, Rs. 15763.66lakh for Secondary and Rs. 175.40lakh under Teacher Education), keeping in view the total approvals and grants already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

The following activities may be prioritised while incurring the expenditure:

- i) RTE entitlements
- ii) Foundational Literacy and Numeracy
- iii) Quality initiatives including ICT, VE and TE
- iv) School Grants including library and sports grants
- v) Gender, Equity and inclusive education
- vi) Completion of pending civil works/spill over.

There are likely to be savings under the scheme. Therefore, supplementary PAB meetings may be considered separately sometime in the month of October-November, 2022, to consider the additional requirements of States and UTs, based on funds utilisation by the State/UT.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. It is recommended that the State should meet the balance amount from its own resources including the additional funds devolved under the 15th Finance Commission.

The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2022-23.

The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2022-23 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha.

Fund flow to SCERTs, DIETs etc. will be through State Nodal Account of State Implementing Society only.

9. Release of Funds:

The release of funds under the scheme will be further guided by the instructions contained in Department of Expenditure OM No. 1(13) PFMS/FCD/2020 dated 23.03.2022 circulated vide MoE D.O. No. 4-4/2020-IS.2 dated 06.04.2022, requesting to ensure fulfilment of the following necessary conditions to facilitate release of funds under Centrally Sponsored Schemes (CSS) for the FY 2022-23:

Accordingly, as regards the balance of funds to be released towards 1st instalment and 2nd instalment, the above said conditions and the details is to be fulfilled is at Annexure IV.

These minutes have been designed as a working document to be implemented and monitored throughout the year. They include the focus areas and new approaches of MOE which have been deliberated in detail in the PAB meetings. The objective of this is to have emphasis on quality of education and real time monitoring of activities under Samagra Shiksha through UDISE+, PGI, Mobile Apps, and Field Inspections. Many activities are shown separately for elementary and secondary due to different budget sub-heads. State specific projects are shown separately for clarity and monitoring purposes. **State will provide details of the Districts, Blocks and Schools, along with UDISE code where the activities have been conducted.** The minutes also include expected outcomes for each activity which will help States and UTs in assessing their performance.

In order to ensure effective implementation, States and UTs will prepare yearly reports on the progress of following themes/subjects:

- Progress on Foundational Literacy and Numeracy
- Progress on Early Childhood Care and Education (ECCE)
- Report on E-Governance and Digital Education
- Convergence initiatives with various line ministries
- Progress on Vocational Education.
- Progress on Teacher Education.
- State Innovations and Quality initiatives

These reports will be submitted in the **month of June every year for the previous year.**

The utilization of the funds for sports and physical education at paras (e) and (f) above needs to be in accordance with the detailed guidelines issued by MOE in 24.12.2018. The following points need to be kept in mind:

- Age appropriate sports equipment for government schools may be procured as per the guidelines issued by this Department to the States & UTs. The States & UTs may if they so desire, procure items from beyond this list subject to its actual requirement being certified by the head of school.
- Age appropriate sports activities may be organized in the Government schools of States & UTs as per the guidelines to be issued by this Department.
- Schools may include traditional/regional games of the respective State/Region. For maintaining workable stock position of sports equipment's, periodic record may be maintained including workable equipment, repairable equipment, write-off equipment and new items to be purchased to maintain the required stock position.
- One responsible person/PET/Teacher-in-charge may be given the responsibility to take care of the equipment and maintaining the stock position of sports equipment in the school.

Outcome: The above intervention is meant for improving the PGI indicators and contributes to overall improvement in mental and physical development of the student.

v) **'Rani Laxmibai Atma Raksha Prashikshan' - Self-Defence Training:** Gender-based violence is a serious problem threatening the growth, development, education and health of adolescent girls in the country. Self-defence training techniques instil self confidence amongst girls and helps to promote girls' education particularly their transition to secondary and higher secondary level and to reduce the drop-out rate in schools. Through self-defence techniques, the girls are taught to increase their core strength. In dire situations, one is not required to have martial art training or a particular dress to defend and save oneself instead a strategic nudge, a sharp flick, a kick or a punch are enough to deter the attacker. The girls are trained to use every day articles such as, Key chain, dupatta, Stole, mufflers, bags, pen/pencil, notebook etc. as weapons of opportunity/improvised self-defence weapons to their advantage.

The States and UTs may also look for convergence for availing funding for self-defence training under the Nirbhaya Fund under Ministry of Women and Child Development, Government of India, Police Department, Home Guards, NCC or with other State government schemes. **State is requested to provide UDISE No of these schools within two months where these activities will be carried out.**

Rani Laxmibai AtmaRaksha Prashikshan (Elementary and Secondary): An outlay of **Rs. 561.15 lakh was** estimated as per detail given below, @ Rs. 5000/- per school per month was estimated for 3 Months training in self-defence for girls in **3741 Upper Primary schools** and **Rs. 945.30 lakh was** estimated as per detail given below, @ Rs. 5000/- per school per month was estimated for 3 Months training in self-defence for girls in **6302 Secondary/Senior Secondary schools.**

The utilization of these funds needs to be in accordance of the detailed guidelines issued by MOE.

All purchase from central fund should be made through GEM to ensure effective prices and standardized equipment's.

The following points need to be kept in mind during procurement:

- Inventory of each item will be maintained by the school and the concerned school Principal will be the in-charge for ensuring that all hardware and software has been marked as inventory items. The record of ICT inventory, school wise, has to be maintained online and made available to MOE as and when required.
- The funds may be utilised for setting up ICT labs/ smart classrooms.

- Teachers should be encouraged to make use of e-learning platforms like DIKSHA, E-Pathshala, Swayam, Swayam Prabha, NROER, NISHTHA, O-labs etc.
- Teachers to be encouraged to contribute content to DIKSHA Portal.
- States and UTs have to ensure that Annual Maintenance Contract (AMC) for each hardware item procured under ICT scheme has been entered into.
- In order to ensure that computers installed in the schools are being used regularly, software which indicates when the computers are turned on or off, linked to the State server must be put in place.
- As per IT Act 2000, it has to be ensured that effective firewalls and appropriate control filters and monitoring software mechanism are installed in all computers in schools. Please consult local NIC for installing a govt. approved, free firewall.

Outcome: Number of schools having ICT coverage and functioning as a percentage of number of Secondary/Higher Secondary schools. This will improve PGI indicator No. 1.3.3.

y) Outcome Targets:

In order to achieve the desirable objectives and outcomes of the scheme, it has been decided to prepare a Comprehensive Action Plan covering all interventions of Samagra Shiksha upto 2025-26 with long term vision and sustainability. The 5-year Perspective Plan for Samagra Shiksha including year-wise outcome target is at **Annexure XII**. State will ensure effective implementation of this outcome based plan of action.

z) Spill Over

An outlay of **Rs.84142.08lakh** as Spill over under various activities falling under Elementary Education, Secondary Education and Teacher Education was estimated with the condition that all pending activities should be completed during this year 2022-23. The detail is enclosed at **Annexure XIII**.

aa) Costing Sheet

The details of State consolidated item-wise estimate for 2022-23 is at **Annexure XIV**. The State must bifurcate the annexed costing sheet among all the Districts according to their proposals/approvals and capture the district wise expenditure against the budget allotted, on the PRABANDH portal on a monthly basis for the real time monitoring of each of the activities/components approved under Samagra Shiksha. Also, State needs to ensure that timely implementation of the various interventions as per the annual calendar of activities submitted.

The meeting ended with a vote of thanks to the Chair.

										<p>33277.74 lakhs. 0.52% vacant posts has increased. Hence 0.52% amount has deducted. Therefore finally eligible amount is Rs. 33104.45 lakhs and the same amount Rs. 33104.45 lakhs recommended for the financial year 2022-23.</p> <p>Note In the financial year 2022-23 it is 95% of the approved outlay of 2021-22. This is further subject to the state maintaining the required level of filled up posts. This principle is based as per the direction of PAB-2021-22 minutes. If certain percentage vacancy of teachers increase in 2022-23 from 2021-22 then that percentage amount could be reduced from 95% eligible amount.</p>
