IS-6 Section

Shastri Bhawan, New Delhi,
Dated 24th August, 2022

To

All Secretaries In-Charge of School Education in all the States and UTs

Sub:- Regarding ICT Labs, Smart Class rooms and TABS sanctioned during 2022-23 and other issues –Reg.

Sir/Madam,

Kindly refer to this Department's O.M. No.19-21/2022-IS-6 dated 01.07.2022 (copy attached) wherein Secretaries of States and UTs looking after Education were requested to review ICT component every month with the SPDs and ensure that all the ICT Labs/ Smart Class rooms/ TABS which are already sanctioned are positioned in all the Schools as per norms and procedure.

It is also to inform that in the PAB Minutes of Samagra Shiksha for the year 2022-23 for all States/UTs, the following has been mentioned: -

"All purchase from central fund should be made through GeM to ensure effective prices and standardized equipments"

In this regard, it is to inform that the CEO, GeM, Ministry of Commerce and Industry, Government of India vide D.O. dated 23.06.2022 (copy attached) has observed that the organizations under the Ministry of Education are not utilizing GeM platform for procurement as per the stated potential. CEO, GeM has also informed that with growing portfolio of products & services categories, suppliers, and features, it is believed that all the Products and Services can be procured through GeM. Any missing specialized categories/ features can also be added by GeM on request, and in the interim, buyer can leverage custom bids to do such procurement. CEO, GeM has also informed that GeM has also engaged a third-party service provider to analyze and create categories based on custom bids to ensure that all of the procurement can be subsequently converted into structured catalogue-led buying.

In this regard, States and UTs are once again informed that all purchase from central funds should be made through GeM procurement as per the norms and procedure.

In case of any clarifications/ technical support pertaining to GeM, Nodal officer (GeM appointed) for Ministry of Education (Shri Ashish Kumar Saxena, +91-9870835374, director-ashish@gem.gov.in) may be contacted.

Yours faithfully,

(Dr. E. Naveen Nicolas)

Director, Government of India

OFFICE MEMORANDUM

Dated 1st July 2022

Sub: Regarding ICT Labs, Smart Class rooms and TABS sanctioned during 2022-23 and other issues – Reg.

Information and Communication Technologies (ICTs) is increasingly becoming indispensable part of the education system. The use of ICT and digital initiatives would help transform the process of teaching and learning from the traditional instructional teacher-centered endeavour to a learner-centered approach. ICT enabled tools and digital contents caters the requirement of the teachers to equip and acquaint themselves to the use of technology for pedagogical practices which would lead to improved teaching and learning efficiency. In view of new education policy and to address the digital divide, a strong and stable ICT infrastructure is very much needed.

You may be aware that that the ICT and Digital Initiatives component of Samagra Shiksha covers Government and Aided Schools having classes VI to XII. Under this component financial assistance is provided for establishing ICT Lab and Smart Classrooms in schools. The non- recurring/recurring grant under 'ICT and Digital Initiatives' is available to the States and UTs for following two options:

- **Option I:** Under this option schools which have not availed the ICT facility earlier can either opt for ICT or smart classrooms as per their requirement and need. In case of more than 700 enrolment, an additional ICT lab can also be considered.
- **Option II:** Under this option schools which have already availed the ICT facility earlier can avail smart classrooms/tablets as per the norms of the scheme.

Financial Provisions:

- **ICT Lab:** A non-recurring grant of up to Rs. 6.40 lakh per school and recurring grant of upto Rs. 2.40 lakh per school per annum for a period of 5 years.
- **Smart Classrooms:** The non-recurring grant for Smart Class rooms (2 smart classrooms per school) is of Rs. 2.40 lakh and the recurring grant is Rs. 0.38 lakh (including E Content and Digital Resources, Charges for Electricity. The state may also use Solar Power-Hybrid solar instead, to ensure Sustainability and Internet connectivity (Tele communications/ satellite communication/ OFC).
- Recurring grant may be given for the 6th year to smoothen transition, subject to state giving a plan and commitment of funds for taking over the project and continuing the facility in the school.

a.	Capital Expenditure (Non-recurring)	Rs.in lakhs per school
1.	Tablets/ Laptops/Notebooks/PCs with Integrated Teaching Learning Devices, Digital Boards with Content Management Systems/solutions (CMS)/ Learning Management Systems (LMS), Free and Open Source Software (FOSS) and OS and/or Servers with minimum 16 GB RAM, 1 TB Hard Disk, 1 Projector/ LCD/ LED/ Plasma Screen, 1 Printer, 1 Scanner, 1 Web Camera, 1 Modem, Broadband/DTH-TV Antenna/ ROT/ SIT, Router, Generator/ Solar Package/Panel, UPS, Video Camera, Charging Racks, etc.	6.00
2.	Operating System & Application Software, Open Source Video Conferencing Software (FOSS may be preferred)	0.20
3.	Furniture	0.20
Total		6.40

Note: The cost includes Annual Maintenance Contract for a minimum period of 5 years.

b.	Recurring Expenditure	Rs.in lakhs per school
1.	E Content and Digital Resources	0.24
2.	Charges for Electricity/Diesel/Kerosene @ Rs.2000/- p.m. The state may also use Solar Power-Hybrid solar instead, to ensure Sustainability	0.24
3.	Internet connectivity (Tele communications/ satellite communication/ OFC) @ 1000 PM	0.12
4.	Financial Assistance for ICT Instructor @ Rs.15000/- p.m.	1.80
Total		2.40

Smart Classrooms: One time Non- recurring grant of Rs. 2.40 lakh and the recurring grant of Rs. 0.38 lakh (including E Content and Digital Resources, Charges for Electricity) for Maximum 2 smart classrooms per school for a period of 5 years.

The following is the abstract of sanctions made during 2022-23

1. ICT Labs : 8989
2. Smart Class Rooms: 30792
3. TABs : 1482565
4. ICT Labs in BRCs : 6525

The following is the Abstract of ICT Labs and Smart Class rooms sanctioned prior to 31-03-2022 and not ground yet

1. ICT Labs : 33034
2. Smart Class rooms: 41810

The State / UT wise details of sanctions issued during 2022-23 and the ICT Labs/ Smart class rooms of previous years which are not grounded yet are shown in Annexure enclosed.

This year the approvals for ICT Labs / Smart Class rooms / ICT BRCs / TABS etc. have increased enormously from Rs.1913.40 Crores during 2021-22 to Rs. 3628.61 Crores during 2022-23.

In this regard all the Secretaries looking after Education are requested to review this component every month with the SPDs and ensure that all the ICT Labs / Smart Class rooms / TABs are positioned in all the Schools as per norms and procedure at the earliest.

This is issued with the approval of Competent Authority.

23rd June, 2022

Respected Sir,

This is to bring to your kind notice that the Department of Commerce has been asked to make a presentation on 'Adoption of GeM by Ministries/Departments and PSUs' to the hon'ble Prime Minister and Council of Ministers on 29th June 2022.

2. Since there is no single source of overall procurement spend potential for Goods & Services, multiple data sources have been leveraged by GeM to estimate spend potential and build an understanding of the growth and coverage so far.

- For Central Ministries (including allied CPSEs & other bodies): The annual budget for the Ministry, tenders published on CPPP, actual potential for services, and regular interactions of GeM nodal officers with buyers' officers have been leveraged.
- For major 50 CPSEs being tracked with Department of Public Enterprises (DPE), a joint effort was undertaken in 2021 with DPE and CPSEs to estimate overall procurement potential through GeM. The data for 42 of these has come from CPSEs directly, and other 8 are based on data provided by DPE.

Is/Coord.

3. This methodology is intended to provide a directional outlook with conservative estimates of the overall public procurement potential across buyer organizations. Since GeM is continuously adding product and service categories as well as functionalities, the addressable potential spend via GeM is also growing for all buyers.

4. For Ministry of Education specifically, the adoption at aggregate level is estimated to be as follows:

AB
30/6/22
AB/BS
AY/ABS

Buying organization	Estimated annual procurement potential Goods + Services (Rs Cr.)	GeM GMV FY20-21 (Rs. Cr)	GeM GMV FY21-22 (Rs. Cr.)	GeM Utilization Ratio (GUR) FY20-21	GeM Utilization Ratio (GUR) FY21-22
Ministry of Education (overall including allied CPSEs and other bodies)	2,500	700	1,856	28.0%	74.3%

विश्व शिक्षा मंत्रालय/Min. of Education
29 JUN 2022
के. र. अजय/ C. R. Section

5. It is observed that the organizations under the Ministry of Education are not utilizing GeM platform for procurement as per the stated potential. It is requested that necessary directions may be issued to the organizations to enhance procurement on GeM. It may be noted that SCoGeM (Standing Committee on GeM) meetings are not being held regularly for Ministry of Education which are to be held twice a month as per the OM dated 19th September 2017 from Department of Expenditure. Respective stakeholders are also requested to hold SCoGeMs regularly.

6. With growing portfolio of products & services categories, suppliers, and features, it is believed that all the Products and Services can be procured through GeM. Any missing specialized categories / features can also be added by GeM on request, and in the interim, buyer can leverage custom bids to do such procurements. GeM has also engaged a third-party service provider to analyze and create categories based on custom bids to ensure that all of the procurement can be subsequently converted into structured catalogue-led buying.

7. In case of any clarification, you may kindly contact the Nodal officer for Ministry of Education (Shri Ashish Kumar Saxena, +91-9870835374, director-ashish@gem.gov.in), or CEO-GeM (Shri P. K. Singh, 011- 23725091/23349186, +91-9899969618, ceo-gem@gov.in).

warm regards.

Yours sincerely,

(P. K. Singh)
