1. Introduction:

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2024-25 for SAMAGRA SHIKSHA for the State of Gujarat was held on 31st January, 2024 at New Delhi. The list of participants who attended the meeting is at *Annexure-I*.

Section I General Discussion on Educational Indicators and Overall Progress of States/UTs

Shri Sanjay Kumar, Secretary (SE&L) welcomed the participants and asked Additional Secretary, Shri Vipin Kumar to share a presentation on the implementation of Samagra Shiksha Scheme and the status of School Education in the nine states/UTs i.e., Himachal Pradesh, Maharashtra, Gujarat, Kerala, Arunachal Pradesh, Manipur, Bihar, Dadra Nagra Haveli and Daman & Diu and Lakshadweep. The following are the major action points from the discussion and deliberations during the presentation:

1) Pending non-recurring expenditure

With respect to previous non-recurring approvals, for which no action has been taken up by the state/UT over the years, it was reiterated that as per the Samagra Shiksha framework these are committed liabilities which would become the sole responsibility of the state after a point of time i.e., 5 years after the approval. States and UTs were urged to come up with a concrete plan of action for completing pending works which have not been started within a time frame.

If the State/UT is of the opinion that these works cannot be started because of certain reasons, then they may consider for surrendering these works so that they may get more space to consider fresh proposals. The States and UTs were instructed to update the status of non-recurring works on the PRABANDH portal on a regular basis to prevent any discrepancies in the reported data.

2) Importance of water conservation: During the 3rd Chief Secretaries Conference Hon'ble Prime Minister emphasized the importance of water conservation and developing a tradition of Jal Utsav to spread awareness about the same.

Further the Hon'ble Prime Minister suggested that students in groups may visit houses in a village/locality to sensitize the people on the importance of water conservation. They may collect water samples from these houses during visits and the quality of water can be tested in the schools by these students using testing kits, which may be made available. It may also be ensured that water conservation is a part of school curriculum.

3) Saturation of basic schooling facilities: Various facilities have been provided to schools to ensure universal access to schooling. As deliberated in the 3rd Chief Secretaries Conference, the focus should be on saturation of these facilities i.e., portable drinking water, electricity, girls' and boys' toilets, sports facility, sports

ground, etc. For access to sports ground, it was suggested that a mapping can be done on access of students to sports grounds and accordingly provision may be considered at the cluster level, wherein children can be grouped in batches to utilize the facilities.

In addition to improve these facilities, it was further suggested that the funds from MGNREGA and Panchayati Raj institutions may also be dovetailed. In this regard, suitable guidelines have been issued by joint signatures of CEO (NITI Aayog), Secretary (School Education and Literacy), Secretary (Panchayati Raj), and Secretary (Rural Development).

- 4) Ensuring use of ICT in the classrooms:** Secretary SE&L shared his concerns about the high pendency in establishment of ICT labs and Smart Classrooms across the Nine States and UTs. He said that the benefits of digital education can be leveraged only when these pending ICT labs and smart classrooms are made functional. He added that DIKSHA (Digital Infrastructure for School Education) is an important resource, and this needs to become part of the pedagogy in the classroom, wherein the resources available can be used by teachers in classroom transaction.

Priority must be given to completing the ICT labs and smart classrooms. To further augment this effort, he suggested that the focus should also be on saturating internet connectivity especially in secondary and senior secondary schools. For this purpose, a drive may be initiated by the concerned States and UTs and major service providers of internet may be brought on board.

- 5) Skill Education:** Secretary SE&L mentioned that there is substantial pendency in the setting up of Skill Education laboratories in some States and UTs from the pre-Samagra Shiksha years. The National Education Policy 2020 states that all students, particularly those in secondary stage of schooling, need to undergo skill education. He urged the States and UTs to re-evaluate the existing job roles in light of the changing needs of the job market and also to align them as per 21st century skills.
- 6) Support through NIOS for OoSC of the age group 16 to 19 years:** With respect to support through NIOS for out of school children, it was informed that special centres have been provided by NIOS across the country for students in government schools and the registration fee in these special centres have been subsidised @ ₹ 2000 per student. This is a special provision made by NIOS for out of school children and examination fees are also exempted for first timers. Many States are undertaking enrolment drives for identification and mainstreaming out of school children.
- 7) Establishment of Vidya Samiksha Kendras (VSK):** Vidya Samiksha Kendra, a tool to monitor educational outcomes has already been set up at national level at NCERT and other States/UTs are also setting up the same for improved monitoring of activities and learning outcomes.

For a more comprehensive perspective, Secretary DoSE&L suggested that the States and UTs that are still in the process of establishing the VSK, should visit the VSK in Gujarat and CBSE. Additional Secretary, Shri Anandrao Vishnu Patil requested the

States and UTs to make the VSK functional as soon as possible and preferably by 31st March, 2024. The necessity of onboarding state education boards in a manner akin to that of the CBSE was also emphasized.

- 8) Strengthening of DIETs and SCERT:** Secretary DoSE&L informed that the Department is upgrading all functioning 613 DIETs in the country in a phased manner through infrastructure and technology resource support as vibrant Centres of Excellence.

The scheme has started with approximately 125 DIETs in FY 2023-24. For this purpose, all existing vacancies in DIETs of Excellence should be filled on priority by 30th June 2024 and release of funds for a particular DIET of Excellence will be contingent upon filling of these existing vacancies for academic positions. With a similar objective, it was further apprised that the department is in the process of strengthening the SCERTs and if required, a supplementary Project Approval Board may be conducted for this purpose.

- 9) Display of photographs of teachers:** This is one of the priority areas of the 3rd Chief Secretaries Conference for addressing the issue of proxy teachers and teacher absenteeism. To address this issue, photographs of teachers should be displayed in a common area in the school premises. Most of the States and UTs have completed this exercise but this is a continuous process. For this purpose, there should be a provision in schools where the display of teachers' photographs is updated in case of transfer or retirement of a teacher.

- 10) Kasturba Gandhi Balika Vidyalaya (KGBV):** Kasturba Gandhi Balika Vidyalayas (KGBVs) offer a significant opportunity to empower girls. As per NEP 2020, instead of the existing four types of KGBVs, it was observed that the focus should subsequently be on one type of KGBV i.e., the Class 6 to 12 type. Ideally, a KGBV should only be a hostel tied up with a K-12 school.

Accordingly, States and UTs were advised to prioritize the strengthening of KGBVs on similar lines. It was further informed that NCERT has conducted a study for evaluation of the existing KGBVs and to come up with a suggestive model for a KGBV. The report will be shared with all States and UTs shortly and States were requested to adhere to this guideline.

- 11) UDISE+ 2022-23:** The UDISE for 2022-23 is in the process of being released and in the meantime the Department is trying to correlate and triangulate the data to assess the reason for any increase or decrease in the educational indicators. However, Secretary SE&L highlighted that there seems to be a decrease in the availability of enrolment capacity as a student goes up to a higher grade due to which seamless transfer is affected.

Moreover, retention rate for schools with grades from 1 to 12 is very high whereas there is a drop in the other schools due to presence of multiple school structures. To address many such issues, it was informed that a State/UT specific analysis based on

the latest UDISE+ will be shared shortly by DDG Statistics. States and UTs were advised to share these data with senior officials of their respective States and UTs to draw their attention towards this important issue of multiplicity of schools. It will facilitate in making pertinent policy level decisions as per requirement.

- 12) Repeaters in grade 10 & 12:** As per the data available, across the country, around 27.5 lakh students are failing in class 10 while around 18.6 lakh students are failing in class 12. States and UTs were informed that the State of Andhra Pradesh has issued an official government order, with effect from the academic session 2023-24, making it mandatory for students who fail in classes 10 and 12 to repeat the class as a regular student, with a focus to improve the Gross Enrolment Ratio.

Furthermore, there are also students who are not appearing in these exams, and they could be the potential candidates for skill-based training and open schooling. Other States and UTs were also requested to look into this issue and take necessary steps to address the issues of failures of students in 10th and 12th.

- 13) Addressing the issue of PTR for children with Special Needs:** Economic Advisor, Ms. A. Srija informed about the recent amendment to the RTE Act, which prescribes appointment of 01 special education teacher for every 10 CwDs for classes 1 to 5, and 1 special education teacher for every 15 CwDs for classes 6 to 8. In this context, as per the recent directive of the Hon'ble Supreme Court, States and UTs are required to file an affidavit by giving a list of details which includes the number of students with special needs and the number of teachers required, within a period of six weeks.

As per information in UDISE+, around 20% schools have CwSN and the percentage of CwSN at national level is 0.85%. Hence, it was suggested a mapping exercise may be conducted to assess the requirements of special educators.

- 14) Strengthening convergence between stakeholders:** It was observed that at present there is not much interaction taking place between the schools and higher education institutions. Under the PM SHRI scheme, an innovative intervention has been initiated wherein STEM teachers and head teachers can go for trainings in IITs and IIMs.

Also, innovative concepts being implemented by other stakeholders such as integration of environmental awareness and sustainability programme into school education through green school audits, zero tolerance to water wastage, initiatives through school students for water purity measurement, are unique initiatives that can be adapted by States and UTs.

- 15) Re-analysis of Budget under the three components (EE, SE & TE):** Secretary SE&L observed that the budget and expenditure under the Elementary Education, Secondary Education and Teacher Education head needs to be analysed for all States and UTs. The purpose is to work out avenues for spending more, especially under the SE and TE component. Towards this end, it was decided to hold a mid-term review

under Samagra Shiksha for all States and UTs in batches to assess not only the intervention wise progress but also the requirement of supplementary funds, if any.

- 16) Social Audit:** It was clarified that the expenditure for conducting the Social Audit will be met from the MMER funds (0.5%) and in case flexibility is required in the budget limit proposed, States and UTs may write to the Department for any possible amendment. Further, due to challenges faced by the States and UTs in identifying and selecting SAUs, it was informed that the option of educational institutes based on NAAC rating for conducting Social Audit in schools may be explored, in case there is no feasibility of signing MoU with SAUs.

The Department will also be reviewing the progress of Social Audit on a half yearly basis, in which representatives of States/UTs and SAU, institute(s) etc., may participate.

- 17) Vidyanjali:** The Vidyanjali portal helps volunteers interact and connect directly with schools of their choice to share their knowledge and skills as well as contribute in the form of assets, etc. States were urged to onboard their schools and avail the facilities provided under this initiative. It was noted that a few States have their own portals; and the same ought to be connected with the Vidyanjali portal. In addition, the Department will also conduct an exercise for mapping of States which have their own portal.

- 18) Financial Support to manpower in Residential schools/Hostels -** States are running residential schools/ hostels particularly KGBVs /NASCBV under Samagra Shiksha scheme. Financial support to salaries is provided to staff of the Residential hostels/Schools under Samagra Shiksha. Although the central share for salaries is capped it is clarified that states may provide additional funds for manpower support apart from the PAB approvals from their State Funds.

- 19) Approvals under the scheme are strictly for various interventions under the ambit of Samagra Shiksha Framework.** States/UTs are advised to avoid any individual/vendor specific proposal. Due procedure of procurement as laid down as per the extant guidelines, Samagra Shiksha Manual of Financial Management and Procurement needs to be followed by the State/UT for hiring of goods/services including utilization of GeM portal.

- 20) Focus on Foundational Literacy and Numeracy (FLN):** The National Education Policy (NEP) 2020 lays special focus on FLN and ECCE as it is the foundation of all future learning. Therefore, in NIPUN Bharat Mission, the emphasis should be on ensuring three years of pre-schooling for every child before entry into grade 1. For this purpose, the TLM for preschools like Jadui Pitara and its e-version and textbooks for Classes 1 and 2 should immediately be put to use from this academic session, especially in local languages. In addition, emphasis should be on implementation of Vidya Pravesh, 3 months School Preparation Module, so that every child in the country necessarily attains foundational literacy and numeracy by the end of Grade 2, by 2026.

- 21) Eco Clubs - ensuring saturation and meaningful activities:** The NEP 2020 emphasizes integration of environmental awareness and sustainability into school

curricula. In this regard, it is equally important to get the students across all stages engaged in meaningful and age-appropriate environment friendly activities. It was mentioned that Eco Club provides a useful platform for learners to equip themselves with the relevant knowledge, behaviours and attitudes and enable them to come up with responsible climate solutions. It was, therefore, suggested that States/UTs may endeavour to establish eco clubs across all schools in their respective jurisdictions and align their activities with the Mission LIFE (Lifestyle for Environment) programme of the government.

- 22)** The salient seven core thematic areas of Mission LIFE is being mapped into defined activities and associated with an equivalent metric for measurement. A detailed template for the same would be shared soon by coordination Bureau.

Best Practices of Year 2023-24

Gender Audit of all schools

The Gender Audit was conducted in all schools as per Checklist consist of 28 different Indicators; the checklist is shared with all district Girls Education Coordinators, BRC's & CRC's through School Monitoring Application. The Indicators in the Checklist are divided into three main aspects a) School and classroom Physical environment b) School and classroom Learning environment, C) Teacher -Child Interaction and Pedagogy.

Focused intervention and community mobilization: Samagra Shiksha Gujarat have identified 10 districts where GPI is very low. State OIC conducted video conference with the stakeholders responsible for improving the GPI of these districts like District gender coordinators, BRCs, CRCs and school Principals to identify the area specific issues and prepare strategy to improve the transition of the girls in Secondary.

Project *Jignasha* in KGBVs: - Convergence with IIT Gandhinagar to create curiosity towards Science and Math for Std 6th to 8th students of KGBVs

To create curiosity and interest towards Science and Math for Std 6th to 8th students of KGBVs Samagra Shiksha Gujarat has collaborated with IIT Gandhinagar, the institute has developed 28 videos to develop curiosity among students. These videos focus on the Foundation of experiential science. The Girls Education Branch of Samagra Shiksha has developed a guideline and instructed KGBVs to run Curiosity Videos as per the calender. It was also instructed that the Girls of KGBV must be provided with the learning material before showing the videos.

Digital Content Creation for CwSN:

The objective is to sensitize and aware CwSN students, School Headmasters / Principals, Teachers, Parents of CwSN and other stakeholders regarding the examination provisions and the procedure for availing them. The video explains different examination provisions for CwSN offered by Gujarat Secondary & Higher Secondary Education Board (GSHSEB) such as extra time for completion of examination paper, facility of scribe or amanuensis, exemption from second and third language courses, etc. The video can be accessed on the below link

<https://www.youtube.com/watch?v=XVAER8RDVWU&list=PLGZQfuNf5a5Ua7PLY4pCyR2k9jMohb9kj&index=1>

Converting GCERT Textbooks into Indian Sign Language (ISL) & Embedding ISL videos in existing G-Shala All videos:

The GCERT state textbooks of Class 3 to 8 and the e-content on G-shala App & Gujarat e-class you tube channel are converted into ISL in coordination with Central University of Rajasthan. The e-content (Std.1. to 12) is being modified on **G-Shala mobile App** to ensure the accessibility for CwSN in line with Development of e-content for CwSN

guidelines by MoE. Adding features such as audio files, ebooks, subtitles, ISL, etc. in G-Shala App to provide access for hearing impaired and visually impaired students

Divyaan Application and Web-dashboard:

It is a monitoring application with Geo-tagging feature to monitor the outcomes achieved by District Coordinators, Special Educator (SE) at Cluster and School level working in pursuit of their roles and responsibilities. For this purpose, a tablet to each Special Educator has been given through which their visits to Schools, Resource Rooms and CwSN's Home are being tracked as per the timetable called tour-dairy. Through this app, the SEs access, monitor and capture the real time data related to CwSN. The data collected are being organized at one place and generate reports and dashboards for better planning and decision making at State, District and Cluster levels.

Gyankunj (Interactive Class)

From year 2017-18, a new initiative "Gyankunj" Project is implemented across the State. "Gyankunj" is a school digitalization programme to enhance classroom interactivity and teaching-learning processes with the help of technology tools like Projector, Interactive White Board / Interactive Flat Panel, Laptop, Speaker etc. It is executed in total 65,437 Classrooms at 16,000 schools to achieve Gujarat Government's goal of imparting education through Digital Mode of Education under Mission Schools of Excellence. Further, the work is in progress to develop 43,750 Smart Classes.

"SWAMUlayankan – Chat Bot based self-practice by students at home for std. 3 to 12. Automatic Assessment of Student **Progress, Performance, Misconceptions and** sending **remedial video links** to students based on their performance. School Teachers are given performance reports of their students through which they can use actionable insights & pedagogical recommendations to calibrate the teaching process in a virtual/real classroom

GIS School Mapping-ensuring access to Elementary Education

The schools are mapped with cluster and block boundary in GIS environment. The school information is integrated with Geo-Spatial Database along with data of Unified District Information System for Education (UDISE). 100% access is ensured to Elementary Education through scientific and proven method as per neighbourhood norms under RTE Act. It is appreciated by Silver Award under National e-Governance Award 2013. The State has initiated the exercise of polygon mapping to get exact area of school campus including details of survey numbers, name of owner etc. to map with record of Revenue Department,

Online Attendance of Teachers & Students

Online attendance system is launched on 19th Nov, 2018 for focusing on punctuality of teachers and students in schools. It is capturing teachers & students daily attendance for each individual record available under Teacher Portal (for teachers) & Child Tracking System (for students). The State has deployed Chatbot Smart Attendance - (System Managing Attendance for Regularity & Timeliness) for getting online attendance of teachers and students in simpler way of chatting online.

Centralised Summative and Formative Examinations for Grades 3 to 12

It is initiated to conduct the exams as per centrally defined blue print of question papers and online entry of child wise obtained marks on a platform. It is to introduce a platform to collect and analyze data. This large repository of data running into about 1000 Crores of data sets is analyzed through VSK using AI and ML. This gives us State wise analysis of achievements across all Learning Outcomes of all Subjects from Grade 3 to 12. Gujarat is the first State to offer Learning Outcomes based Report Card for every student, all subjects, across Grades 3 to 12. Total of 15 Crore Report Cards have been generated till now.

Chat bot Applications – Xamata & Gyan - PRABHAV

Xamata: eXpression of Achieved Marks under Tests & Assessments

- Designed & launched with an aim to **capture the question wise marks** obtained by the students. Provides clear indication towards measuring the Student Learning by capturing the results of assessments.

Gyan – PRABHAV

Performance Reports of Assessments to Build History of Academic Volatility

- Designed & launched with the intent to extract report cards of ALL Assessments
- Extracts & disseminates the Student Report Cards.

School Monitoring App - GPS based Monitoring Application for CRC-BRC Co.

Most of the information is being done online from the state level for child tracking, attendance, examination results, Mission Vidya, PAT, Diagnostic Tests etc. for effective monitoring through technology to save time. The CRC Coordinator, BRC Co-ordinator as well as Block Resource Person who are functioning at the grass root level, regularly visits the school and strives to improve the quality of education. So, their transactions and activities are being monitored in the field by providing tablet with pre-loaded app (GPS based monitoring) for the holistic development of the school.

Gujarat Career Counseling Portal:

Samagra Shiksha, Gujarat had launched a **Career Counseling portal** for the benefit of **all the students** from class 9-12th studying in Govt. and Aided Schools. Through this portal we are trying to reach Lakhs of students by providing them a platform for information on Best College, Relevant career options and related support. This portal is

the result of Collaboration between Samagra Shiksha, UNICEF and I Dream Career. Through this portal, students, teachers and master trainers will have unique ID and personalized profiles so that students can efficiently look for career interests as per their aspirations, goals and skills.

Vidya Smaiksha Kendra (VSK) for State level monitoring

Gujarat Council of School Education (GCSE), Samagra Shiksha (SS), Education Department, Gujarat State has set-up Vidya Samiksha Kendra (VSK) for State level monitoring and tracking field level academic and non-academic activities and to monitor and improve the performance and the accountabilities of field level academic & non-academic staff by implementing data driven decisions.

Early Warning System to prevent dropout in Gujarat

An Early Warning System (EWS) is deployed with an aim to identify students at risk of dropping out of school, based on the presence of 'red flags', i.e., specific factors that contribute to dropout. Having identified them, the EWS then supports children to stay in school through strategies and interventions to meet their specific needs. It is a system that enables schools or education authorities to recognize a red flag warning at an early stage – before the student has dropped out and early enough to put in place appropriate support to keep them in school.

Vachan Nipun (AI Enabled ORF Platform):

The State has developed an AI enabled ORF (Oral Reading Fluency) platform to achieve targets of Foundational Literacy and Numeracy as per New Education Policy 2020 (NEP 2020) and deployed *Vachan Nipun* platform to assess and monitor ORF (Oral Reading Fluency) of students of class 2 to 8.

Section II: State Specific Issues - Gujarat

- 1) School size and single teacher schools:** As per the presentation shared, out of the total 34,699 Govt.schools in the state, 5 schools are with zero enrolment, 8572 schools are with less than 50 enrolment, and 1139 single teacher schools. In addition, the number of Government schools with adverse PTR at the elementary level is 10.32%. Secretary SE&L suggested that the state needs to ensure rationalization of schools and ensure sufficient number of teachers in all school, especially at the elementary level.
- 2) Pendency in Infrastructure facilities:** As per PRABANH portal, there is pendency in completion of infrastructure facilities (since inception) in the state ,i.e., Additional classrooms (1.66%); Boys toilet (1.71%); Girls' toilet (1.56%); CwSN toilet (13.12%); Integrated Science Labs (100%); ICT (8.2%); Smart Classrooms (17.6%) and Skill Education Labs (22%). With respect to previous

non-recurring approvals, for which no action has been taken up by the state/UT over the years, it was reiterated that as per the Samagra Shiksha framework these are committed liabilities which would become the sole responsibility of the state after a point of time i.e., 5 years after the approval. States and UTs were urged to come up with a concrete plan of action for completing pending works which have not been started within a time frame.

If the State/UT is of the opinion that these works cannot be started because of certain reasons, then they may consider for surrendering these works so that they may get more space to consider fresh proposals. The States and UTs were instructed to update the status of non-recurring works on the PRABANDH portal on a regular basis to prevent any discrepancies in the reported data.

- 3) Vacancies in TEIs:** There is a high vacancy of academic positions as per state sanctioned posts in the SCERT (44.83%) and DIETs (60.50%). Considering the important role of these institutions in empowering of teachers, the vacant positions of the SCERT and DIETs may be filled on priority to strengthen these institutions. In addition, it was informed that the release of funds under the DIETs of Excellence scheme will be contingent upon the filling up of existing vacancies latest by 30th June 2024.
- 4) SARTHAQ- NEP 2020 Implementation:** State has updated that status of all 73 tasks on the Google NEP 2020 tracker, however Tasks are Sparsely filled between the months of January, 2022 to January 2024 State was also asked to prioritize the tasks under SARTHAQ in terms of importance and ensure its effective implementation and timely update on the Google tracker <https://docs.google.com/spreadsheets/d/10ZXip4QUZK9nHMhbPRSJWPTkq4ag0rv iG1VA05-vHLg/edit?usp=sharing>.
- 5) Implementation of Vidya Pravesh:** State has been implementing Vidya Pravesh in all government and government aided schools from the FY 2023-24. It was pointed out that as the 3rd CS Conference prioritizes the implementation of Vidya Pravesh, it is crucial to ensure that all private schools are also implementing this three-month School Preparedness Module from their own resources.
- 6) Display of photographs of teachers in schools:** State has reported display of photographs of teachers in 34,699 government schools As per the 3rd CS Conference to the address the issue of proxy teachers and teacher absenteeism, the state was urged to ensure that photographs of all the teachers are displayed and updated in all schools.
- 7) Status on Social Audit:** The state have already signed the MoU for conduct of Social Audit, it was clarified that state may explore educational institutes based on NAAC rating for conducting Social Audit in schools, in case there is no feasibility of signing MoU with SAUs.

**Section III:
Financial Section - Gujarat**

1. Total Estimated Budget (2024-25)

The approved estimates for the AWP&B for 2024-25 under Elementary, Teacher Education and Secondary are as under:

(₹ in lakh)

Head	Spill over	Non-Recurring (Fresh)	Recurring * (Fresh)	Total Fresh (3+4)	Grand Total (Including Spill-Over) (2+5)
1	2	3	4	5	5
Elementary	41400.03	30262.71	190404.12	220666.83	262066.86
Secondary	17516.31	8616.20	33482.14	42098.34	59614.65

*Includes Programme Management (MMMER)

**Includes 762 lakh for Academic Resource Persons (ARPs)

Actual Releases by GOI during 2024-25

Against the above approvals for 2024-25, **Central Government will provide to the State Government, ₹ 159843.72 lakh as its share (₹ 132400.10 lakh for elementary, ₹ 23802.59 lakh for secondary & senior secondary and ₹ 3641.03 lakh for Teacher Education). The State would contribute ₹ 106562.48 lakh as its matching State share.** The above Central share as per the existing fund sharing pattern of Samagra Shiksha State will also be able to utilise their unspent balances as on 31st March, 2024 for the activities approved in 2023-24 including spill over.

Based on the demand of funds projected for 2024-25, the tentative share of recurring and non-recurring grants is given below:

(₹ in lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	112852.67	18632.872	1784.10	133269.64
Non-recurring	19547.43	5169.72	1856.93	26574.08
Total	132400.10	23802.59	3641.03	159843.72

The Balance of the outlay (i.e., ₹ 64208.07 lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2024-25). Against the above Spill over, the committed liability of Department of SE&L is ₹ 24465.12 lakh (₹ 12258.58 lakh for Elementary, ₹ 9757.91 lakh for Secondary and ₹ 2448.63 lakh under Teacher Education) keeping in view the total approvals and grants already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by the State and physical and financial progress of these interventions under the non-recurring head.

As per Section 7(5) of the RTE Act, 2009, the State Government shall, after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2024-25. The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The States and UTs have been repeatedly informed about the compliance of the guidelines of Ministry of Finance for release of funds under CSS. The States/UTs are to strictly adhere to the implementation of the new financial architecture where CSS funds are being released in 4 instalments, while ensuring 75% expenditure at each stage. Submission of proposals should be well within time, to ensure maximum disbursement of funds from GOI. In case of delay in compliance of the necessary guidelines, the States/UTs may not be able to receive the earmarked funds for the FY.

The State should invariably provide Single Budget Head during 2024-25 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which form the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha. Fund flow to SCERTs, DIETs etc. will be through State Nodal Account of State Implementing Society only.

2. Spill Over

An outlay of ₹ **64208.07** as Spill over under various activities falling under Elementary Education, Secondary Education and Teacher Education was estimated with the condition that all pending activities should be completed during this year 2024-25. The detail is enclosed at ***Annexure II***.

3. Costing Sheet

The consolidated item-wise estimate for 2024-25 is at ***Annexure III*** and list of schools at ***Annexure IV***. The State must bifurcate the annexed costing sheet among all the districts according to their proposals/approvals and capture the district wise expenditure against the budget allotted, on the PRABANDH portal on a monthly basis for the real time monitoring of each activity/component approved under Samagra Shiksha. Also, State needs to ensure that timely implementation of the various interventions as per the annual calendar of activities submitted.

The PAB has approved the above activities for the State during F.Y. 2024-25 subject to the following conditions:

1. It is reiterated that although PAB has approved the said interventions based on the proposals submitted by the state, but it will be the responsibility and liability of the respective State to ensure that the expenditures are in line with Govt of India guideline.
2. There should not be any duplication of activities and beneficiaries between Samagra Shiksha and other schemes.
3. Components which fall under the purview of the Department of WCD, or other Ministries/Departments must be carried out in convergence and accordance with respective Ministries/Departments.

The meeting ended with a vote of thanks to the Chair.

List of Participants

- Shri Sanjay Kumar, Secretary, Department of School Education & Literacy.
- Shri Vipin Kumar, Additional Secretary (SE&L), MoE.
- Shri Anandrao V. Patil, Additional Secretary (SE&L), MoE.
- Dr. Vinod Rao, Secretary, Primary & Secondary Education, Government of Gujarat.
- Dr. Amarpreet Duggal, Joint Secretary (SE&L), MoE.
- Smt. A Srija, Economic Advisor (SE&L), MoE.
- Shri Shobhit Gupta, Director (Finance), MoE.
- Shri Umesh Pratap Singh, Director (SS), MoE.
- Dr. Ratankanvar H. Gadhavicharan, State Project Director, Samagra Shiksha, Gujarat.
- Shri Rahul Pachori, Director (SS), MoE.
- Shri Mahesh Mehta, Secretary, Samagra Shiksha, Gujarat.
- Shri Asif Savant, OIC-MIS, Samagra Shiksha, Gujarat.
- Shri Vishal Soni, DBA & SA, Samagra Shiksha, Gujarat.
- Shri Hitendra Joshi, OIC-STP & VE, Samagra Shiksha, Gujarat.
- Smt. Darshana Suthar, OIC-Gender Education, SPO, Samagra Shiksha, Gujarat.
- Smt. Shruti Patel, Addl. State Project Engineer, Samagra Shiksha, Gujarat.
- All the other officials of Samagra Shiksha, Gujarat.
- Smt. Alka Mishra, State Coordinator for Gujarat, MoE.
- Appraisal Team - TSG Consultants, Samagra Shiksha, MoE.
