- The vocational education is functional in all 289 schools

## 4. Review of performance during 2022-23

PGI State for 2021-22 is now open for data entry since January, 2022 and though the State has initiated the process, only few entries have been made. State has secured a score of 851 in Performance Grading Index (PGI) and was placed in Grade I. The Domain-wise Gaps in 2020-2021 as compared to 2019-20,2018-19 and 2017-18 and are shown below:

Year	Category 1				Category 2	Total
	Domain 1 (180)	Domain 2 (80)	Domain 3 (150)	Domain 4 (230)	Domain 1 (360)	All Domains (1000)
<b>2017-18</b>	132	62	73	202	134	<b>603</b>
<b>GAP</b>	48	18	77	28	226	<b>397</b>
<b>2018-19</b>	114	64	109	207	214	<b>708</b>
<b>GAP</b>	66	16	41	23	146	292
<b>2019-20</b>	132	65	113	213	281	<b>804</b>
<b>GAP</b>	48	15	37	17	79	196
<b>2020-21</b>	132	67	132	211	309	<b>851</b>
<b>GAP</b>	48	13	18	19	51	149

**State was requested to examine its score in each domain and take measures to improve its overall PGI Score.**

- **Learning Outcomes and Quality (C-1, D-1):** State still needs to work on providing interventions to improve the learning outcomes of the students. State also needs to focus on passed percentage of students in board examination results.
- **Access Outcomes (C-1, D-2):** State needs to focus on the Adjusted Net Enrolment Rate (ANER) at Secondary level and take steps to identify Out-of-School-Children and complete their mainstreaming during academic year for Classes 1 to 8.

- **Infrastructure & Facilities (C-1, D-3):** State needs to focus on provision of Computer Aided Learning (CAL)/ICT facilities in Upper Primary Schools and Secondary Schools. State also needs to focus on improving availability of Integrated Science Labs in elementary and secondary level.
- **Equity Outcomes (C-1, D-4):** State needs to focus on increasing difference between boys' and girls' transition rate from Upper Primary to Secondary Level.
- **Governance Processes (C-2, D-1):** There is need to focus on filling up all the academic positions in state and in district academic institutions at the beginning of the academic year and also increase in State budget on education; and may explore to arrange funds through PPP and CSR to supplement State budget on school education.

<b>Total</b>	<b>602908.74</b>	<b>44300.20</b>	<b>10665.69</b>	<b>657874.64</b>

**The Balance of the outlay (i.e. Rs. 189154.95 lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2023-24). Against the above Spill over, the committed liability of Department of SE&L is Rs. 6315.58 lakh (Rs. -2111.53 lakh for Elementary and Rs. 8427.11 lakh for Secondary Education after surrender), keeping in view the total approvals and grants already released.**

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

As per Section 7(5) of the RTE Act, 2009, the State Government shall, after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2023-24. The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

**The State should invariably provide Single Budget Head during 2023-24 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha. Fund flow to SCERTs, DIETs etc. will be through State Nodal Account of State Implementing Society only.**

### **Spill Over**

An outlay of **Rs. 189154.95 lakh** as Spill over under various activities falling under Elementary Education, Secondary Education and Teacher Education was estimated with the condition that all pending activities should be completed during this year 2023-24. The detail is enclosed at **Annexure II**.

### **Costing Sheet**

The consolidated item-wise estimate for 2023-24 is at **Annexure III**. The State must bifurcate the annexed costing sheet among all the Districts according to their proposals/approvals and capture the district wise expenditure against the budget allotted, on the PRABANDH portal on a monthly basis for the real time monitoring of each activity/component approved under Samagra Shiksha.

Also, State needs to ensure that timely implementation of the various interventions as per the annual calendar of activities submitted.

- C. In case of ineluctable needs, the targeted locations for approved Samagra Siksha interventions can be modified up to 10% of the total allocations by the State/UT without any change in the financial costs. *For Example- If the intervention of 100 Smart Class have been sanctioned to 100 schools, the location of 10 schools may be changed to other schools by States/UTs, subject to the conditions that new schools (Schools in which smart class is now provided) are fulfilling the Samagra Siksha Norms/criteria of sanction of Smart Class.*

Also, the modified locations should not amount to more than 10% of the total financial approval for the given activity as well. **It is noteworthy that the location should be changed only when it is not possible to implement that activity at the approved location.** While changing the location of any interventions, the norms of Samagra Siksha for that particular intervention should be strictly adhered to. Any change in this connection, should be informed to the Department with proper justification and supporting documents.

- D. Further, wherever States/UTs involve/engage a third party or organisation for the implementation of a programme/intervention/activity approved under the Samagra Shiksha Scheme, the complete responsibility for such involvement/engagement of the third party with reference to financial/legal or any other implications will rest with the respective State/UT only. Approval of any activity under Samagra Shiksha Scheme for which third party has been engaged by the State/UT does not tantamount to any endorsement (financial/legal and any other) by the Ministry of Education for the involvement/engagement of such third party or organisation.

The meeting ended with a vote of thanks to the Chair.
