1. Introduction:

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2023-24 for SAMAGRA SHIKSHA for the State of Chhattisgarh was held on 6th April 2023 through Video Conference. The list of participants who attended the meeting is at **Annexure-I**

Shri Sanjay Kumar, Secretary (SE&L) welcomed the participants and invited Chhattisgarh State officials to give a presentation on School Education. **Shri S. Bharathi Dasan, Secretary, School Education (Chhattisgarh)** gave a presentation which included the following major points:

Section: I- State specific initiatives, Review of Performance & Issues

2.1 GER & NER-

There is a declining trend in GER & NER from year 2020-21 to 2021-22 therefore the State is putting efforts towards its improvement.

2.2 Drop-out Rate:

18946 children were approved for coverage through ODL mode in 2022-23 out of which only 7223 passed the exam. The State informed to the PAB that next year indicators would be better since positive efforts are being made.

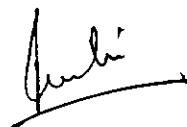

2.3: Grade wise decline in enrolment and dropout:

The data trend showed that dropout rate is high at all levels particularly when there is a transition from primary to upper primary, upper primary to secondary and secondary to senior secondary level. Hence, the total decline between the grades is shown as 1.70 lakh excluding repeaters that is 11,365.

The reasons of high dropout could be migration, non-availability of schools or remotely located household with long commute distance for a child. The dropout rate for boys is higher as compared to the girls, which may be due to children, especially boys, dropping school to take up employment of some sort.

It was pointed out that the number of drop out children is quite significant, and therefore State was requested to identify the reasons and factors causing school dropout. This will help State to take appropriate interventions to check the high dropout at all levels of education.

2.4 Special Training for Out of School children: The state is promoting non-residential training to OoSC rather than residential to reduce training expenditures and hence proposed less amount that is as per requirement.

2.5 Virtual Inspection of Schools: In every district, state has appointed three Project Monitoring Units for Math, Language, and IT. These PMUs were doing virtual monitoring of schools on the basis of the indicators developed for the implementation of FLN.

2.6 Reopening of Schools : Around 400 schools are closed in the state for two decades in the naxal dominated regions. Now the local people are demanding re-opening of 315 schools as peace has been restored in the region. Hence the state has decided to re-open 315 schools.

2.7 Free Uniform: The system of disbursement of uniform is carried out through the corporations of Khadi Board & Handloom Department. Entire fund for uniforms is transferred to the Corporation where uniforms are stitched at standard sizes by the SHGs. The state would ensure distribution of first set of uniform by 15th June and second set by July, 2023.

2.8 Free Textbook : Textbook Corporation is involved in printing of textbooks in Chhattisgarh and fund for the same are transferred to the TBC through DPA.

2.9 Community mobilization & SMCs:

Community mobilization in the State is quite effective and 16 member School Management committee regularly participate in SMC meetings. State makes efforts to create awareness regarding reducing school dropout and other concerned issues through the support of SMC members.

2.10 RTE & Reimbursement of Fee under 12(1)(c) :

No private school in the state has received land, grant or any other support from the State and all schools enrolling children under Section 12 (1)(c) are eligible for reimbursement. State incurred an expenditure of Rs. 14042.42 lakh in the year 2022-23, out of which Rs. 4332.56 lakh was paid to the private schools for nursery classes. Approximately, 2.70 lakh Students are enrolled in 6420 Pvt schools in the year 2022-23. State government also provides financial support for education of beneficiaries covered under Section 12(1) (c) of RTE Act, 2009 for their education from classes 9th to 12th. Selection of beneficiaries is done through lottery system and an online system has been devised for reimbursement of fees to schools.

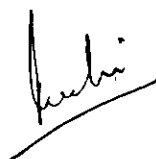

Under Matari Dulari scheme of State government, there is a provision to give Rs one lakh to those students, who have lost either or both parents in COVID Pandemic.

2.11 Civil Work

Civil works progress is hampered due to issues of land acquisition, local level conflicts/challenges/Left-wing extremism affected regions. The state has developed an online monitoring system to monitor civil work and its expedite progress. The state has agreed to complete construction of all pending civil work on priority basis.

2.12 Teacher's Vacancy

A large number of teacher's post are vacant. Recent approvals from finance and the State cabinet paved the way for starting the recruitment process for 15000 positions but due to the ongoing reservation issue at state level the process is hampered.

2.13 Pre-Primary

State has taken an initiative by starting 5173 Balwadi (Pre-primary) classes for 5 – 6-year age group children. The state has identified schools where Anganwadis are co-located within the school campus and it is therefore easier for children in the age group of 5-6 years age group to attend Balwadi(Pre-primary) classes.

2.14 KGBV:

So far, 62 schools have been upgraded from Type 1 to Type 3.

1.15 NAS Survey

The state is putting continuous efforts towards improvement of quality of education.

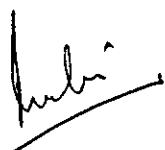

Other issues taken up during discussion:-

- Balvadi's should be NEP compliant and state should now emphasise upon starting Pre-primary for 3+ students.
- Gender parity index needs to be checked by the state. State is also assessing whether the girls are getting admission under RTE 12 (1) c or not to enhance their fair representation.
- Director (Finance) highlighted the issue of outstanding advances and making efforts to clear/reduce the same as well..
- The state has made request regarding early release of funds in purview of upcoming state legislative election in the state.

Section II : Financial Estimate

6. Total Estimated Budget (2023-24)

The estimates for the AWP&B for 2023-24 under Elementary, Teacher Education and Secondary are as under:

(Rs. in lakh)

Head	Spill over	Non-Recurring (Fresh)	Recurring * (Fresh)	Total Fresh (3+4)	Grand Total (Including Spill-Over) (2+5)
1	2	3	4	5	5
Elementary	32873.39	16752.70	100536.14	117288.84	150162.23
Secondary	25725.40	9300.03	37888.99	47189.02	72914.42
Teacher Education	1519.28	0.00	2691.07	2691.07	4210.35
Total	60118.07	26052.73	141116.20	167168.93	227287.00

*Includes Programme Management (MMMER)

7. Actual to be Released by GOI during 2023-24

Against the above estimates, Central Government shall provide to the State Government, Rs. 115785.13 lakh as its share (Rs. 77209.98 lakh for elementary, Rs. 36711.01 lakh for secondary & senior secondary and Rs. 1864.14 lakh for Teacher Education). The State would contribute Rs. 77190.09 lakh as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha. States will also be able to utilise their unspent balances as on 31st March, 2024 for the activities approved in 2023-24 including spill over.

Based on the demand of funds projected for 2023-24, the tentative share of recurring and non-recurring grants is given below:

(Rs. In lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	59844.66	22733.39	1614.64	84192.70
Non-recurring	17365.32	13977.62	249.50	31592.44
Total	77209.98	36711.01	1864.14	115785.13

The Balance of the outlay (i.e., Rs. 60118.07 lakh) approved under non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2023-24). Against the above Spill over, the committed liability of Department of SE&L is Rs. 15960.80 lakh (Rs. 7313.70 lakh for Elementary, Rs. 8397.60 lakh

for Secondary and Rs. 249.50 lakh under Teacher Education after surrender) keeping in view the total approvals and grants already released.

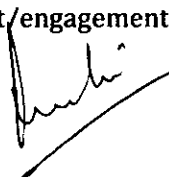

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2023-24. The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2023-24 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha. Fund flow to SCERTs, DIETs etc. will be through State Nodal Account of State Implementing Society only.

In case of ineluctable needs, the targeted locations for approved Samagra Siksha interventions can be modified up to 10% of the total allocations by the State/UT without any change in the financial costs. For Example- If the intervention of 100 Smart Class have been sanctioned to 100 schools, the location of 10 schools may be changed to other schools by States/UTs, subject to the conditions that new schools (Schools in which smart class is now provided) are fulfilling the Samagra Siksha Norms/criteria of sanction of Smart Class. Also, the modified locations should not amount to more than 10% of the total financial approval for the given activity as well. **It is noteworthy that the location should be changed only when it is not possible to implement that activity at the approved location.** While changing the location of any interventions, the norms of Samagra Siksha for that particular intervention should be strictly adhered to. Any change in this connection, should be informed to the Department with proper justification and supporting documents.

Further, wherever States/UTs involve/engage a third party or organisation for the implementation of a programme/intervention/activity approved under the Samagra Shiksha Scheme, the complete responsibility for such involvement/engagement of the third party with reference to financial/legal

or any other implications will rest with the respective State/UT only. Approval of any activity under Samagra Shiksha Scheme for which third party has been engaged by the State/UT does not tantamount to any endorsement (financial/legal and any other) by the Ministry of Education for the involvement/engagement of such third party or organisation.

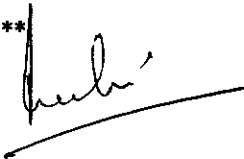

8. Spill Over

An outlay of **Rs. 60118.07464 lakh** as Spill over under various activities falling under Elementary Education, Secondary Education and Teacher Education was estimated with the condition that all pending activities should be completed during this year 2023-24. The detail is enclosed at ***Annexure II***

9. Costing Sheet

The consolidated item-wise estimate for 2023-24 is at ***Annexure III***. The State must bifurcate the annexed costing sheet among all the Districts according to their proposals/approvals and capture the district wise expenditure against the budget allotted, on the PRABANDH portal on a monthly basis for the real time monitoring of each activity/component approved under Samagra Shiksha. Also, State needs to ensure that timely implementation of the various interventions as per the annual calendar of activities submitted.

The meeting ended with a vote of thanks from and to the Chair.
