1. Introduction:

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2023-24 for SAMAGRA SHIKSHA for the State of Odisha was held on 12th April, 2023 through Video Conference. The list of participants who attended the meeting is at **Annexure-I**.

Section: I - State specific initiatives, Review of Performance & Issues

Shri Sanjay Kumar Singh, Secretary (SE&L) invited Odisha to give a presentation on School Education in the State. Smt. Aswathy. S, Secretary, Commissioner cum Secretary, School and Mass Education (Odisha) gave a presentation which included the following major points:

- a) **Multilingual Education (MLE):** State has 62 tribal communities including 13 Particularly Vulnerable Tribe Groups (PVTGs) where 22 tribes have their own dialects. MLE was implemented in 21 tribal languages in 1483 schools of 17 districts covering 1,05,446 ST students. Further, to impart education in the mother tongue, 3200 numbers of MLE Shiksha Sahayaks (SSs) and 217 Education Volunteers (EVs) have been engaged from the relevant tribal communities. A state-level policy for facilitating and accelerating the mother tongue-based Multilingual education for all tribal children in the state was also notified in 2014.
- b) **SURAVI-2022:** It is a Children's festival organized at the Cluster, Block, District and State level during the months of October-November, 2022 to nurture young talents in the state. During these three days festival, different competitions, field trips, Mock Assembly, Meet the Personality, Workshops, Stalls, and Cultural programmes were organized among the students selected through a rigorous process from Cluster to State level. Around 2000 children and 1500 guide teachers and officials have participated in the State level programme.
- c) **Seasonal Hostel for Migrant Children:** Migration month in the state starts after the completion of the Kharif season and the 'NUAKHAI' festival of Odisha (September and October). Identification of migrant children is done by the CRCC, BRCC, SMC, PRI members, School Teachers and Anganwadi Workers. The School and Mass Education Department in convergence with Labour Department is opening of a Residential seasonal hostel at the source point and a Non-residential at the destination point. These seasonal hostels are set up to prevent child labour and dropout. In addition, mainstreaming of children in school is also carried out after the closure of seasonal hostel and return of parents from migration.
- d) **Sachetanata Ratha:** State has organized the Sachetanata Ratha - Back to School Campaign in all habitations, clusters, blocks, NAC, Municipality, and Municipal Corporations. This is a 5 to 7 days campaign to create awareness among the community, students, teachers, and parents to bring back the children to schools. Around 40,62,222 students across 251 Blocks, 45975 habitations, and 39489 schools have been covered.
- e) **Pravesh Utsav (Enrolment Drive):** 'Prabeshsa Utsav' and 'Purna Upasthan Divas' - a weeklong campaign/activity conducted in the schools. The objective of the programme is to create awareness among the parents, teachers, students, and community to identify the out-of-school children, mobilize the community for admission into age-appropriate classes, and send the children to school regularly.
- f) **Learning Recovery Programme (LRP):** LRP implemented in 54,442 of schools both Govt. /Govt. aided covering 40,09,787 students and 2,28,886 teachers. Under this, Teaching Learning Materials

क. सि. वासुदेवन/K. C. VASUDEVAN

भारत सरकार/Govt. of India
शिक्षा मंत्रालय/Min. of Education
स्कूल शिक्षा और साक्षरता विभाग/D/o School Education & Literacy
शास्त्री भवन, नई दिल्ली/Shastri Bhawan, New Delhi

(based on learning outcome) developed for Mathematics, Environmental Science/Science, and English/Odia. In addition, Teachers' manual & Students' workbook have also been developed. An LRP Software also developed for capturing data & evidences such as Students attendance, Baseline, Mid-Term, & End-Term Results. In the LRP assessment, it was found that most of the students scored above 30% in all subjects and these students performed better in Mid and End-Term assessments in comparison to baseline. This LRP has contributed towards bridging the learning gap and mainstreaming the students in the current class.

1. Review of Commitments and Expected Outcomes & Action Taken during 2022-23

The progress made in implementing the commitments and expected outcomes given by the State in 2021-22 was reviewed and the status in respect of pending items is as under:-

Sl. No.	Commitment	Action Taken	Remarks
1	Low Gross Enrolment Ratio (GER): The Gross Enrolment ratio at the higher secondary level has reduced from 47.55 in 2019-20 to 46.37 in 2020-21. The GER at the higher secondary level is also less than 30% in 5 districts i.e., Nabarangpur, Malkangiri, Koraput, Rayagada, and Gajapati. Moreover, GER at higher secondary level for ST is also very low at 38.5%. The state needs to focus on improving GER, especially at the higher secondary level by bringing back children to the age-appropriate classes	<ul style="list-style-type: none"> The GER at the Higher Secondary level during 2021-22 is 43.58 (Source: UDISE+2021-22). Enrolment in UDISE is taken only in formal Sr Secondary schools. But, the enrolment of Technical Institutions equivalent to classes 11 & 12 is not covered under UDISE+. Hence, the students studying in the above institutions are not included in the GER calculation. Steps are being taken during the collection of UDISE 2022-23 to sort out this matter by including the enrolment of these institutions. Govt. is also taking steps to upgrade the existing Secondary schools to Hr. secondary level to provide access to the students to their neighbourhood institutions for enhancing enrolment. 106 Govt. Secondary schools have been upgraded to Higher Secondary level during 2022-23 and 219 Sr. Secondary schools proposed in 2023-24 Annual Plan under Samagra Shiksha. 	<p>The status reported by the state is noted.</p> <p>However, the GER has further reduced from 46.37 in 2020-21 to 43.58 in 2021-22. State still needs to take appropriate steps to keep a check on this drop in GER at the Higher Secondary level.</p>

Sl. No.	Commitment	Action Taken	Remarks																								
2	<p>High Dropout Rate: The dropout rate at the secondary level is more than 20% in 7 districts i.e., Deogarh (24.8), Keonjhar (22.10), Nuapada (21.4), Kalahandi (21.1), Angul (20.8), Boudh (20.6) and Bhadrak (20.2). In addition, the dropout rate for SC, ST, and Muslim is also, quite high at 19%, 20%, and 16% respectively. The state needs to take adequate measures to reduce the dropout rate and improve the retention rate.</p>	<ul style="list-style-type: none"> The Secondary Dropout rate of the State has increased in the following 7 districts during 2021-22: <table border="1"> <thead> <tr> <th></th> <th>2020-21</th> <th>2021-22</th> </tr> </thead> <tbody> <tr> <td>Angul</td> <td>20.94</td> <td>29.45</td> </tr> <tr> <td>Bhadrak</td> <td>20.17</td> <td>31.67</td> </tr> <tr> <td>Boudh</td> <td>20.60</td> <td>38.92</td> </tr> <tr> <td>Deogarh</td> <td>24.82</td> <td>32.50</td> </tr> <tr> <td>Kalahandi</td> <td>21.07</td> <td>31.56</td> </tr> <tr> <td>Keonjhar</td> <td>22.14</td> <td>32.54</td> </tr> <tr> <td>Nuapada</td> <td>21.44</td> <td>38.76</td> </tr> </tbody> </table> <ul style="list-style-type: none"> Govt. is taking steps to transform the secondary level of education to ensure better retention of students at the Secondary level so that the dropout rate could be reduced. To further reduce the dropout rate proposal for the opening of 85 new secondary schools has been given in Annual Plan in 2023-24 under Samagra Shiksha. 		2020-21	2021-22	Angul	20.94	29.45	Bhadrak	20.17	31.67	Boudh	20.60	38.92	Deogarh	24.82	32.50	Kalahandi	21.07	31.56	Keonjhar	22.14	32.54	Nuapada	21.44	38.76	<p>Noted.</p> <p>State needs to continue taking adequate measures to reduce the dropout rate and improve the retention rate especially in these 7 districts.</p>
	2020-21	2021-22																									
Angul	20.94	29.45																									
Bhadrak	20.17	31.67																									
Boudh	20.60	38.92																									
Deogarh	24.82	32.50																									
Kalahandi	21.07	31.56																									
Keonjhar	22.14	32.54																									
Nuapada	21.44	38.76																									
3	<p>The decline in Transition Rate: As per UDISE+, the transition from Secondary to Higher Secondary is less than 55% in 13 districts accounting for a transition loss of 2.4 lakh. The state needs to take steps to improve the transition rate from the Secondary to Higher Secondary level.</p>	<ul style="list-style-type: none"> Transition Rate from Secondary to Higher Secondary during 2021-22 is 49.93%. For ST children transition rate is only 40.33% at secondary to Higher Secondary level during 2021-22. The above transition rate is based on the enrolment covered in UDISE+. As the enrolment of class 11 or the equivalent of all the institutions including Technical Institutions is not tracked in UDISE+, the assessment of the exact number of students transiting from secondary to Higher Secondary could not be accessed. 	<p>The transition rate from secondary to higher secondary has declined considerably for boys from 60.6 in 2020-21 to 49.9 in 2021-22. In addition, from elementary to the secondary level, the transition rate has declined by- around 10% from previous year. State needs to focus on improving the transition rate at all levels.</p>																								

Sl. No.	Commitment	Action Taken	Remarks
		<ul style="list-style-type: none"> For providing better access to Sr Secondary level of education, 106 Govt. Secondary schools have been upgraded to Higher Secondary level during 2022-23 and 219 Sr. Secondary schools proposed in 2023-24 Annual Plan under Samagra Shiksha. 	
4	<p>Surplus Teachers at Elementary level: There are still 27220 Surplus Teachers at Elementary Level, while the number of single-teacher schools has increased at both the primary and upper primary levels. Moreover, only 27.2% of upper primary schools have 3 subject teachers as per the RTE norms. The state needs to go for a rationalization of teachers, to ensure the availability of the required number of teachers in all schools.</p>	<ul style="list-style-type: none"> Surplus of Teachers at the Elementary level in Govt. schools have been decreased to 2047. The number of single teacher Govt. elementary schools has increased due to the retirement/death of teachers during the COVID pandemic situation. The process has been started by the state Govt. for the recruitment of around 20,000 elementary teachers to address the schools with single teacher. In 44.28% Govt. Upper Primary schools, have teachers for all 3 subjects as per the RTE norm (<i>source: UDISE+ 2021-22</i>). During rationalization process, availability of the required number of subject teachers in all Upper Primary schools is being ensured. 	State needs to ensure that the action plan for rationalization of teachers is effectively implemented at the elementary level.
5.	<p>Vacancy of academic positions in TEIs</p> <ul style="list-style-type: none"> Vacancy of academic positions in 30 Functional DIETs is 54.40% with only 342 faculties in position as against a total sanctioned post of 825 (as per scheme). These vacant posts need to be filled up on priority as it is also directly impacting PGI indicators 	Filling up of the post of 191 academic positions in the DIETs have been processed by the State Government.	<p>State should complete on priority the process initiated for filling up of existing vacancies in the DIETs.</p> <p>The Department is in the process of strengthening the SCERT and DIETs and one of the major focus areas is filling of existing vacancies of academic positions in</p>

Sl. No.	Commitment	Action Taken	Remarks
	# 2.1.12. • Vacancy of academic positions in SCERT is 80% with only 9 faculties in position as against the 45 sanctioned academic posts. These vacant posts need to be filled up on priority as it is also directly impacting PGI indicators # 2.1.12.	The file for filling up of academic positions in the SCERT is pending with the state government and will be done shortly.	the SCERT. Hence, State needs to give priority to filling the existing vacancies.

2. Review of performance during 2021-22:

State had secured a score of 877 in Performance Grading Index [PGI] and was placed in Grade I. The Domain-wise Gaps in 2020-21 as compared to 2019-20 and 2018-19 are shown below:

Year	Category 1				Category	Total
	Domain 1 (180)	Domain 2 (80)	Domain 3 (150)	Domain 4 (230)	Domain 1 (360)	All Domains (1000)
2018-19	138	67	72	190	282	749
GAP	42	13	78	40	78	251
2019-20	138	68	109	219	304	838
GAP	42	12	41	11	56	162
2020-21	138	71	133	221	314	877
GAP	42	9	17	9	46	123

State was requested to examine its score in each domain and take measures to improve its overall PGI score.

- Learning Outcomes and Quality (C-1, D-1):** State has not shown any progress in this domain over the years and as such needs to urgently come up with focussed interventions to improve the learning outcomes of the students.
- Access Outcomes (C-1, D-2):** State still needs to focus on the Adjusted Net Enrolment Rate (ANER) at Secondary level and take steps for identifying Out-of-school-children and mainstreaming.
- Infrastructure & Facilities (C-1, D-3):** State has shown maximum improvement under this and was encouraged to further take measures to reach the top grade, with specific focus on areas where the performance is low i.e., Integrated Science Lab and Percentage of schools covered by VE subject.

- d) **Equity Outcomes (C-1, D-4):** State has shown some improvement under this and would need to ensure 100% schools are having functional toilets for both Boys and Girls.
- e) **Governance Processes (C-2, D-1):** Though the State has shown substantial improvement under this, specific focus is required on % of daily attendance of teachers recorded in an electronic attendance system, % of Schools at Elementary level Covered Under Twinning/ Partnership, Average number of days taken by State govt. to release Central and State share of funds to societies (during the given financial year) and CSR as a percentage of State budget on schooleducation.

3. Appraisal issues/ Commitments for 2023-24

- **Pending Works in Non-recurring/Spill Over:**The year-wise details of pending non-recurring interventions under different components are as detailed in the table below. *State was asked to ensure that the in-progress works are completed on priority in this financial year.*

Status of physical progress of pending Civil works (As on 28.02.2023)

Source: PRABANDH

- **Net Enrolment Ratio (NER):** NER has declined at Primary, Elementary and substantially at the Higher Secondary level from year 2020-21 to 2021-22. State would need to focus on improving the NER at these levels, with a focus on the Higher Secondary level, by bringing back children to the age-appropriate classes.
- **Age-wise enrolment in Grade I:** The National Education Policy 2020 has emphasized that 5 to 6 year olds should be in the Balvatika or Pre-school and 6 years old will join class 1. However, the age wise enrolment in grade I in the state varies considerably as detailed in the table below:

Age	% of Enrolment
<5	7.50
5	64.5
6	26.3
>7	1.7
<5	7.50

This gap is affecting the national level GER, NER and Adjusted NAR. These three indicators contribute to the global index. State needs to re-examine the existing variation and get the age of entry to the schools shifted to 6 years.

- **Dropout Rate:** The annual average dropout rate has increased at both the elementary and secondary level from 0 to 2.4 at the elementary level and from 16.0 to 27.3 at the secondary level from 2020-21 to 2021-22. Moreover, there is high dropout rate in 5 districts i.e., Nabarangpur, Nuapada, Boudh, Koraput and Rayagada. State needs to urgently take adequate measures to reduce the dropout rate at both levels and improve the retention rate.
- **Transition Rate:** The transition rate from elementary to higher secondary has declined considerably for boys from 59 in 2020-21 to 47.60 in 2021-22. Further, boy's transition has declined by 10% from previous year from secondary to the higher secondary level. State needs to focus on improving the transition rate especially for boys.
- **Government schools without facilities in aspirational districts:** The state has 10 aspirational districts i.e., Bolangir, Dhenkanal, Gajapati, Kalahandi, Kandhamal, Koraput, Malkangiri, Nabarangpur, Nuapada and Rayagada. There are schools in these districts which are not covered by basic facilities such as toilets, drinking water, electricity, ramp, playground, boundary wall and library. State needs to focus on these aspirational districts and funds for the same can also be availed from the NITI Aayog's Aspirational District Programme.
- **Surplus Teachers at Elementary level:** There are still 16,351 Surplus Teachers at Elementary Level, while the number of single teacher schools has increased at both the primary and upper primary level. The number of schools with adverse PTR has also increased at the primary level i.e., from 11.93 in 2020-21 to 18.51 in 2021-22. State needs to go for a rationalization of teachers, to ensure availability of required number of teachers in all schools, especially at the primary level.
- **Subject PTR at Secondary level:** Only 46.5% secondary schools are having teachers for all core subjects. Subject PTR at the secondary level is 43 for Language, 77 for Mathematics, 97 for Science and 81 for Social Studies. State needs to ensure required number of Language, Mathematics, Science and Social Studies teachers in all schools at the secondary level.

के. सि. वासुदेवन/K. C. VASUDEVAN

9/12/25

- **Inclusive Education:** Out of a total number of 7576893 students, the number of Children with Disability (CwD) is 146512 i.e., 1.9%. Further, out of a total 331336 teachers, only 31701 teachers are trained in Inclusive Education i.e., 9.6% while percentage of schools with special educators is 39008 i.e., 79.5%. Schools with Ramps are 80% and Schools with Disabled Friendly Toilets is- Boys (46%) and Girls (44%). State is requested to continue taking concerted efforts to ensure timely identification for wider coverage and requisite special educators.
- **Inclusion girl students of classes VI to VIII in KGBV Type IV:** State has informed that there are 173 Kasturba Gandhi Ballika Vidyalayas (Type-IV) for girl students in classes IX to XII. However, transitioning students from classes VIII to IX is difficult in many KGBVs due to the non-availability of girl students of elementary grades in KGBVs leading to vacancies. To address this issue, state has proposed that eligible girl students in classes VI to VIII may be permitted to occupy the vacant seats in these KGBVs. This will not have any financial implication as the number of seats will remain the same i.e., 100 seats and budgetary provision will not exceed the amount of money approved by the PAB for the state in 2023-24. This proposal of the state for inclusion of girl students of classes VI to VIII in KGBV Type-IV was agreed upon.
- **Vacancy of Academic positions in TEIs:**
 - (i) **Vacancy of academic positions in SCERT** is 82.22% with 8 faculties in position as against total recommended posts of 45 as per the scheme. These vacant posts need to be filled up on priority as it is also directly impacting PGI indicator# 2.1.12
 - (ii) **Vacancy of academic positions in 30 Functional DIETs** is 47.47% with only 394 faculties in position as against a total recommended strength of 750 (25 Academic posts per DIET). These vacant posts need to be filled up on priority as it is also directly impacting PGI indicator # 2.1.12.

As per Budget Announcement for 2023, the focus of the Ministry is strengthening of SCERTs and DIETs and as such State need to prioritize the process of filling up of existing vacancies of academic positions in these institutions.

Section: II- Financial Estimation

2. Total Estimated Budget (2023-24)

The estimates for the AWP&B for 2023-24 under Elementary, Teacher Education and Secondary are as under:

(Rs. in lakh)

Head	Spill over	Non-Recurring (Fresh)	Recurring * (Fresh)	Total Fresh (3+4)	Grand Total (Including Spill-Over) (2+5)
1	2	3	4	5	5
Elementary	9747.42	17702.55	259555.30	277257.85	287005.27
Secondary	9084.38	3075.74	38197.36	41273.10	50357.48

Teacher Education	663.90	0.00	4811.80	4811.80	5475.70
Total	19495.69	20778.29	302564.46	323342.75	342838.44

*Includes Programme Management (MMMER)

3. Actual Releases by GOI during 2023-24

Against the above estimates, Central Government shall provide to the State Government, Rs. 189520.26 lakh as its share (Rs. 162351.50 lakh for Elementary, Rs. 24126.35 lakh for Secondary & Senior Secondary and Rs. 3042.41 lakh for Teacher Education). The State would contribute Rs. 126346.84 lakh as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha. States and UTs will also be able to utilise their unspent balances as on 31st March, 2023 for the activities approved in 2022-23 including spill over.

Based on the demand of funds projected for 2023-24, the tentative share of recurring and non-recurring grants is given below:

(Rs. In lakh)				
Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	146493.18	20525.9	2887.08	169906.16
Non-recurring	15858.32	3600.45	155.33	19614.10
Total	162351.50	24126.35	3042.41	189520.26

The Balance of the outlay (i.e. Rs. 19495.69 lakh) approved under non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2022-23). Against the above Spill over, the committed liability of Department of SE&L is Rs. 18391.28 lakh (Rs. 16480.94 lakh for Elementary, Rs. 1755.01 lakh for Secondary and Rs. 155.33 lakh under Teacher Education after surrender) keeping in view the total approvals and already released grants.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2023-24. The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2023-24 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities

11 | Page

relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of SamagraShiksha. Fund flow to SCERTs, DIETs etc. will be through State Nodal Account of State Implementing Society only.

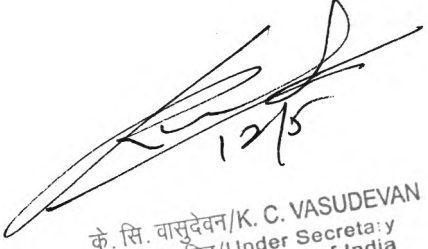

4. Spill Over

An outlay of **Rs.19495.69 lakh** as Spill over under various activities falling under Elementary Education, Secondary Education and Teacher Education was estimated with the condition that all pending activities should be completed during this year 2023-24. The detail is enclosed at **Annexure II**.

5. Costing Sheet

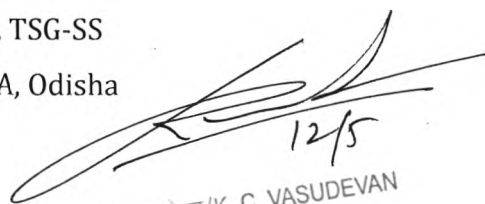

The consolidated item-wise estimate for 2023-24 is at **Annexure III**. The State must bifurcate the annexed costing sheet among all the Districts according to their proposals/approvals and capture the district wise expenditure against the budget allotted, on the PRABANDH portal on a monthly basis for the real time monitoring of each activity/component approved under Samagra Shiksha. Also, State needs to ensure that timely implementation of the various interventions as per the annual calendar of activities submitted.

The meeting ended with a vote of thanks to the Chair.

		69.0.1	Support to Age Group 16-19 (Upto Highest Class XII)	116	0.05000	5.8	116	0.02000	2.32	In 2022-23, PAB has approved Rs. 26.10 lakh for coverage of 1305 Drop Out children through Open School. While State is reporting coverage of 82 (4 %) children in the Costing Sheet it has reported Zero Progress on Out of School Module of PRABANDH Portal, where Child Wise information is uploaded and progress is monitored. The issue was discussed with the State Team during Pre- PAB Meeting held on 06.04.2023.

Particulars				Proposal			Final Approved Outlay			
Major Component	Sub Component		Activity Master	Phy.	Unit Cost	Fin.	Phy.	Unit Cost	Fin.	Remarks
										<p>Thereupon, State had assured to upload the data regarding progress made in this intervention.</p> <p>For the year 2023-24, State has proposed coverage of 116 Drop Out Children but on Out of School Module State has uploaded data of 3835 Drop Out children. Out of 3835 Drop Out Children 225 children were reportedly willing to continue their education through Open Schooling and require financial support. However, State has proposed support for 116 Children only.</p> <p>In the Pre- PAB Meeting, State was requested to correct this anomaly and to revise its proposal if required. However, the status on PRABANDH Portal remained the same till 09.04.2023.</p> <p>Proposal of the State is, however, recommended with financial recommendation as per approved norms of Samagra Shiksha.</p>
