1. Introduction:

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2024-25 for SAMAGRA SHIKSHA for the Jammu & Kashmir was held on 09th February, 2024 at Dr. Ambedkar International Centre (DIAC), New Delhi. The list of participants who attended the meeting is provided at **Annexure-I**.

Section I: Discussion on Educational Indicators and Overall Progress

At the outset, Mr. Sanjay Kumar, Secretary (SE&L), extended a warm welcome to all participants attending the PAB meeting for the 2024-25 session. Thereafter, he invited Additional Secretary, Shri Vipin Kumar to deliver a presentation on the status of School Education and State/UT wise progress of the eight States/UTs (Delhi, Jammu & Kashmir, Jharkhand, Karnataka, Odisha, Madhya Pradesh, Mizoram and Punjab) under major interventions of Samagra Shiksha Scheme.

The following are the major action points that emerged from the discussion and deliberations upon the presentation:

- 1) Pendency in Civil Works:** With respect to the previous non-recurring approvals, for which no action has been taken up by the state/UT over the years, it was reiterated that these are committed liabilities which would become a liability for the state/UT after a point of time i.e., up to 5 years after the approval. Accordingly, States and UTs were urged to either come up with a concrete plan of action for completing the not started works within the time frame or surrender the not started work and come back with a fresh rationalized plan for the non-recurring works. Further, States/UTs were urged to ensure the completion of in-progress work in a time bound manner.

Furthermore, states and Union Territories were instructed to consistently update the status of non-recurring works on the PRABANDH portal to ensure accurate and up-to-date data reporting, thus avoiding any discrepancies.
- 2) Saturation of basic schooling facilities:** Under Samagra Shiksha, schools have been equipped with various facilities to ensure that all children, regardless of differences, have universal access to schooling. As decided in the 3rd Chief Secretaries Conference, the focus should be now on saturation of facilities such as portable drinking water, electricity, girls' and boys' toilets, sports facility, sports field, etc., by 31st March 2025. To ensure access to sports fields, it was proposed to conduct mapping at the panchayat level to determine how many schools have such access. Based on this mapping, provisions at the cluster level may be considered, where children can be organized into batches to visit the sports field.
- 3) Ensuring use of ICT in the classrooms:** It was observed that total 950 ICT labs were approved to the UT, out of which only 421 are functional. The benefits of digital education can be leveraged only when these pending ICT and smart classrooms are made functional. Further, DIKSHA (Digital Infrastructure for School

Education) is an important resource of QR coded textbooks and specialized e-Contents, and this needs to become part of the pedagogy in the classroom, wherein the resources available can be used by teachers in classroom transaction. Priority must be given to completing the ICT and smart classrooms so that our children can utilize these resources. To further augment this effort, the focus should also be on saturating internet connectivity especially in secondary and senior secondary schools.

- 4) **Skill Education:** It was observed that a total 1315 skill education labs were approved to the UT, out of which 553 are functional and 762 are pending in the UT of Jammu & Kashmir including the pre-Samagra Shiksha years. Further, it was emphasized that the National Education Policy 2020 underscores the importance of skill education for all students, especially those in the secondary stage of schooling. Therefore, States and UTs were urged to reassess these previous approvals in light of the changing job roles and develop a list of proposed new roles that could be created in accordance with the requirements.
- 5) **Support through NIOS for OoSC of the age group 16 to 19 years:** With respect to support through NIOS for out of school children, it was informed that special centres have been provided by NIOS across the country for students in government schools and the registration fees in these special centres have been subsidised @ Rs. 2000 per student. This is a special provision made by NIOS for out of school children identified through the PRABANDH portal and examination fees are also exempted for first timers. Many states are undertaking enrolment drives for identification and mainstreaming out of school children. In this context, it was pointed out that the basic role of the School Management Committees should be monitoring and supervision of this exercise on a regular basis and ensuring all students enrolled are coming to school and not dropping out. For the year of 2024-25, The UT has proposed financial support for 25393 OoSC.
- 6) **Establishment of Vidya Samiksha Kendras (VSK):** The establishment of Vidya Samiksha Kendra (VSK) is underway both centrally and across the country to enhance monitoring of activities and learning outcomes. To gain a comprehensive understanding, states and Union Territories in the process of setting up VSKs were encouraged to visit the VSK in Gujarat and the Central Board of Secondary Education (CBSE). It was emphasized that the deadline for establishing the VSK is March 31, 2024. Regarding the status of Vidya Samiksha Kendra (VSK), UT of Jammu and Kashmir has reported that the establishment of VSK is under process. The tender has been placed for the procurement of software/hardware.
- 7) **Inclusive Education (CwSN):** As per UDISE+ 2021-22, only 20% schools have Children with Special Needs (CwSN) and the percentage of children enrolled at national level is 0.85% only. State/UT were requested to make concentrated efforts to ensure timely identification of CwSN and provision for requisite support service to ensure completion of schooling of all identified CwSN. Further, for Screening of disabilities (As per RPwD Act, 2016) for all students at school level, the use of

PRASHAST app may be widely promoted by the States/UTs and it may also be ensured that the block level identification camps are conducted on time.

- 8) **Strengthening of DIETs and SCERT:** States/UTs were informed that the Ministry is upgrading all functioning 613 DIETs in the country in a phased manner through infrastructure and technology resource support as vibrant Centres of Excellence. The scheme is starting approximately with 125 DIETs in FY 2023-24. However, all existing vacancies in DIETs of Excellence to be filled on priority by 30th June 2024 and release of funds for a particular DIET of Excellence will be contingent upon filling of these existing vacancies of academic positions. Against the total sanctioned posts, UT of Jammu & Kashmir has reported 219 vacant positions in DIET and 62 in SCERT.
- 9) **Kasturba Gandhi Balika Vidyalaya (KGBV):** Kasturba Gandhi Balika Vidyalayas (KGBVs) offer a significant opportunity to empower underserved girls and first-generation learners among girls. Instead of the existing four types of KGBVs, it was observed that the focus should subsequently be on one type of KGBV i.e., the Class 6 to 12 type. Ideally, a KGBV should only be a hostel tied up with a K-12 school. Accordingly, states and UTs were advised to prioritize the strengthening of KGBVs on similar lines. It was further informed that NCERT has conducted a study for evaluation of the existing KGBVs and to come up with a suggestive model for a KGBV. The report will be shared with all states and UTs shortly and states were requested to adhere to this guideline.
- 10) **Display of photographs of teachers:** This is one of the priority areas of the 3rd Chief Secretaries Conference for addressing the issue of proxy teachers and teacher absenteeism. It was underlined that this is a continuous process and the photographs of teachers should be displayed in a public area in the school premises. Moreover, provision should be there in the schools where the photographs are displayed for changing the photographs in case of transfer or retirement of a teacher.
- 11) **Importance of water conservation:** During the 3rd Chief Secretaries Conference, the importance of developing a tradition of Jal Utsav to create sensitivity about water was underline by the Hon'ble Prime Minister. It was also suggested that students in groups can visit houses in a village/locality to sensitize the villagers on the importance of water conservation and collect the water from these houses for testing the quality. For this purpose, it needs to be ensured first of all that water conservation is a part of the curriculum and secondly schools have access to a water testing mechanism.
- 12) **UDISE+ 2022-23:** The UDISE for 2022-23 is in the process of being released and in the meantime the Ministry is trying to correlate and triangulate the data to assess the reason for any increase or decrease in the educational indicators. However, a matter of concern was noted in that there seems to be a decrease in the number of seats available as a student goes up to a higher grade due to which seamless transfer has been affected. It was also informed that separate schools with grades up to 10

are utilizing a greater number of teachers. Moreover, retention rate for schools with grades up to 12 is 100% whereas there is a drop in the other types due to multiple school structure. To address many such issues, it was informed that a state/UT specific analysis based on the latest UDISE+ will be shared shortly by DDG Statistics. States and UTs were advised to share these data with senior officials to facilitate pertinent policy level decisions as per requirement.

- 13) Repeaters in grade 10 & 12:** As per the data available, across the country, around 27.5 lakh students are failing in class 10 while around 18.6 lakh students are failing in class 12. States and UTs were informed that the state of Andhra Pradesh has issued an official government order, with effect from the academic session 2023-24, making it mandatory for students who fail in classes 10 and 12 to repeat the class as a regular student, with a focus on improving the Gross Enrolment Ratio. Furthermore, there are also students who are not re-appearing in these exams and they could be the potential candidates for skill-based training and open schooling.
- 14) Addressing the issue of PTR for children with Special Needs:** As per Gazette notification S.O. 4586 (E) dated 21st September 2022, States/UTs are to abide by the recommended PTR for Special Educators. As per UDISE+ (2021-22), 20% schools have Children with Special Needs and the overall percentage at the national level is 0.85%. A suggestion was made for conducting a mapping exercise of the number of CwSN in each category and accordingly come up with an action plan for training the existing general teachers on special education through an RCI approved Bridge Courses.
- 15) Strengthening convergence between stakeholders:** It was observed that at present there is not much interaction happening between the school and higher education. Under the PM SHRI scheme, an innovative initiative has been initiated wherein STEM teachers can link up with local NIIT, IIT and related higher education institutions for handholding. Similarly, innovative concepts being implemented by other stakeholders such as integration of environmental awareness and sustainability programme into school education through green school audits, zero tolerance to water wastage, initiatives through school students for water purity measurement. These are some unique initiatives that can be adapted by states and UTs in convergence with line departments/ministries.
- 16) Re-analysis of Budget under the three components (EE, SE & TE):** It was observed that the balances under the Elementary Education, Secondary Education and Teacher Education head needs to be looked into for all states and UTs. The purpose is to work out avenues for spending more, especially under the SE and TE component. Towards this end, it was decided to hold a mid-term review under Samagra Shiksha for all states and UTs in batches to assess not only the intervention wise progress but also the requirement of supplementary funds, if any.
- 17) Social Audit:** It was clarified that the expenditure for conduct of Social Audit will be met from the MMMER funds (up to 0.5%) and in case flexibility is required in the budget limit proposed, states and UTs may write to the DoSEL for possible

amendment. Further, due to challenges faced by the States and UTs in identifying and selecting SAUs, it was informed that the option of educational institutes based on NAAC rating for conducting Social Audit in schools may be explored, in case there is no feasibility of signing MoU with SAUs. The Ministry will also be reviewing the progress of Social Audit on a half yearly basis, in which representatives of States/UTs and SAU, institute(s) etc., may participate.

- 18) Vidyanjali:** The Vidyanjali portal facilitates volunteers interact and connect directly with schools of their choice to share their knowledge and skills as well as contribute in the form of assets/material/equipment etc. States/UTs were urged to onboard their schools and boost the volunteer registration to avail the facilities provided under the program. Furthermore, States and Union Territories that have their own portals were also encouraged to integrate them with the national Vidyanjali portal.
- 19) Financial Support to manpower in Residential schools/Hostels** - States are running residential schools/ hostels particularly KGBVs/NSCBV under Samagra Shiksha scheme. Financial support for staff salaries in these residential hostels/schools is provided under Samagra Shiksha. However, it's important to note that the central share for salaries is capped. States have the flexibility to allocate additional funds for manpower support, over and above the approvals from the Project Approval Board (PAB), using their State Funds.
- 20)** Approvals under the scheme are strictly for various interventions under the ambit Samagra Shiksha framework. States/UTs are advised to avoid any individual/vendor specific proposal. Due procedure of procurement as laid down as per the extant guidelines, Samagra Shiksha Manual of Financial Management and Procurement needs to be followed by the State/UT for hiring of goods/services including utilization of GeM portal.
- 21)** The salient seven core thematic areas of Mission LIFE are being mapped into defined activities and associated with an equivalent metric for measurement. A detailed template for the same would be shared soon by coordination Bureau.
- 22) Focus on Foundational Literacy and Numeracy (FLN):** The National Education Policy (NEP) 2020 lays special focus on FLN and ECCE as it is the foundation of all future learning. Therefore, in NIPUN Bharat Mission, the emphasis should be on ensuring three years of pre-schooling for every child before entry into grade 1. For this purpose, the TLM for preschools like Jadui Pitara and its e-version and textbooks for Classes 1 and 2 should immediately be put to use from this academic session, especially in local languages. In addition, emphasis should be on implementation of Vidya Pravesh, 3 months School Preparation Module, so that every child in the country necessarily attains foundational literacy and numeracy by the end of Grade 2, by 2026.
- 23) Saturation of and meaningful activities by Eco Clubs:** The NEP 2020 emphasises integration of environmental awareness and sustainability into school curricula. In this regard, it is equally important to get the students across all stages engaged in meaningful and age-appropriate environment friendly activities. It was mentioned

that Eco Club provides a useful platform for learners to equip themselves with the relevant knowledge, behaviours and attitudes and enable them to come up with responsible climate solutions. It was, therefore, suggested that States/UTs may endeavour to establish eco clubs across all schools in their respective jurisdictions and align their activities with the Mission LIFE (Lifestyle for Environment) programme of the government.

Section II: State/UT Specific Issues

- 1) School size and single teacher schools:** Out of the total 23173 schools in the UT, there are 848 schools with zero enrolment and 16179 schools are with less than 50 enrolments. Further, there are 2413 single teacher schools in the UT. In addition, the number of schools with adverse PTR at the elementary level is 18.43%.
- 2) Pendency in Infrastructure facilities:** There is a pendency in infrastructure facilities (since inception) in the UT. The detail of which is summarised below; UT was urged to come up with a concrete plan of action for completing the not started works within the time frame or for surrendering the not started work. Further, UT was asked to ensure that the in-progress work is completed on priority in this financial year.

Particulars	Pre SAMAGRA SHIKSHA (From 2018-19)			Post SAMAGRA SHIKSHA (From 2018-19)		
	Approved	Pending	Pendency in %	Approved	Pending	Pendency in %
Additional classroom	23283	3452	14.83	2020	1605	79.46
Boys Toilets	9307	4437	47.67	1163	849	73.00
Girls Toilets	18540	135	0.73	997	848	85.06
CwSN Toilets	218	2	0.92	848	292	34.43
Integrated Science Lab	247	70	28.34	703	459	65.29
ICT	1213	0	0	1996	173	8.7
Smart Classrooms	0	0	0	1724	372	21.6
Skill Education Lab	336	0	0%	979	762	78%

- 3) Vacancies in TEIs:** There are 219 (54.07%) vacancy of academic position against the sanctioned post in DIET and 62 (38.99%) in SCERT. Considering the important role of these institutions in empowering of teachers, the vacant positions of the DIET may be filled on priority. In addition, it was informed that the release of funds under the DIET of Excellence scheme will be contingent upon the filling up of existing vacancies latest by 30th June 2024.

 भारत सरकार/Govt. of India
 शिक्षा मंत्रालय/Ministry of Education
 स्कूल शिक्षा एवं साक्षर शिक्षा/Go School Education & Literacy
 शांति भवन, नई दिल्ली/Shanti Bhawan, New Delhi

- 4) **SARTHAQ- NEP 2020 Implementation:** UT has updated the status of 43 tasks on the Google NEP 2020 tracker, however the last update was done in January, 2022. States/UTs were also asked to prioritize the tasks under SARTHAQ in terms of importance and ensure its effective implementation and timely update on the Google tracker <https://docs.google.com/spreadsheets/d/10ZXip4QUZK9nHMhbPRSJWPTkq4ag0rviG1VA05-vHLg/edit?usp=sharing>.
- 5) **Implementation of Vidya Pravesh:** UT has been implementing Vidya Pravesh in all government and government aided schools from the FY 2023-24. It was pointed out that as the 3rd Chief Secretaries Conference prioritizes the implementation of Vidya Pravesh, it is crucial to ensure that all private schools are also implementing this three-month School Preparedness Module.
- 6) **Display of photographs of teachers in schools:** UT has not reported the data regarding the display of photographs of teachers in government schools. As per the 3rd Chief Secretaries Conference to the address the issue of proxy teachers and teacher absenteeism, UT was urged to ensure that photographs of teachers are displayed and updated in all schools.
- 7) **Status on Social Audit:** UT is on the final stage of signing of MoU for Social Audit.

Section III: Financial Estimation

1. Total Estimated Budget (2024-25)

The estimates for the AWP&B for 2024-25 under Elementary, Teacher Education and Secondary are as under:

(Rs. in lakh)

Head	Spill over	Non-Recurring (Fresh)	Recurring * (Fresh)	Total Fresh (3+4)	Grand Total (Including Spill-Over) (2+5)
1	2	3	4	5	6
Elementary	23324.78	19979.16	96304.284	116283.44	139608.20
Secondary	25601.28	20162.03	28558.68	48720.71	74321.99
Teacher Education	3089.79	115.00	1204.80	1319.80	4409.59
Total	52015.85	40256.19	126067.77	166323.96	218339.80

*Includes Programme Management (MMMER)

2. Actual Releases by GOI during 2024-25

 राकेश कुमार/RAKESH KUMAR
 उप सचिव/Deputy Secretary
 भारत सरकार/Govt. of India
 शिक्षा मंत्रालय/Ministry of Education
 स्कूल शिक्षा एवं शालिका शिक्षा/Dir School Education & Literacy
 शास्त्री भवन, नई दिल्ली/Shastri Bhawan, New Delhi

Against the above estimates, **Central Government shall provide to the State Government, Rs. 172160.13 lakh as its share (Rs. 103837.00 lakh for elementary, Rs. 65702.81 lakh for secondary & senior secondary and Rs. 2620.32 lakh for Teacher Education).** UT would contribute **Rs. 19128.90 lakh** as its matching State share. The above Central share as per the existing fund sharing pattern of Samagra Shiksha UT will also be able to utilise their unspent balances as on 31st March, 2024 for the activities approved in 2023-24 including spill over.

Based on the demand of funds projected for 2024-25, the tentative share of recurring and non-recurring grants is given below:

(Rs. In lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	86673.86	25702.81	1084.32	113460.99
Non-recurring	17163.14	40000.00	1536.00	58699.14
Total	103837.00	65702.81	2620.32	172160.13

The Balance of the outlay (i.e., Rs. 52015.85 lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2024-25). Against the above Spill over, the committed liability of Department of SE&L is Rs. 39290.92 lakh (Rs. 14206.53 lakh for Elementary, Rs. 23041.15 lakh for Secondary and Rs. 2043.24 lakh under Teacher Education) keeping in view the total approvals and grants already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by UT and physical and financial progress of these interventions under the non-recurring head.

As per Section 7(5) of the RTE Act, 2009, the State/UT Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State/UT share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2024-25. The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State/UT should invariably provide Single Budget Head during 2024-25 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for

Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha. Fund flow to DIET etc. will be through State Nodal Account of Samagra Shiksha of UT.

3. **Spill Over:** An outlay of Rs. 52015.85 lakh as Spill over under various activities falling under Elementary Education, Secondary Education and Teacher Education was estimated with the condition that all pending activities should be completed during this year 2024-25. The detail is enclosed at **Annexure II**.
4. **Surrender of activity:** UT has surrendered activities with an amount of Rs. 33.20 lakh (Elementary Rs. 1419.43 & Secondary/Senior Secondary Rs. 1900.97 lakh). The detail of the proposal and recommendation is at **Annexure III**.
5. **Costing Sheet:** The consolidated item-wise estimate for 2024-25 is at **Annexure IV**. The State must bifurcate the annexed costing sheet among all the districts according to their proposals/approvals and capture the district wise expenditure against the budget allotted, on the PRABANDH portal on a monthly basis for the real time monitoring of each activity/component approved under Samagra Shiksha. Also, UT needs to ensure that timely implementation of the various interventions as per the annual calendar of activities submitted.

											all districts, comprehensive training sessions will be provided to corresponding teachers. Under this one to one live learning support will also be provided to students and exhaustive content will be made available for self study and question bank.
			17-Jaduii Pitara	R	9400	0.17000	1598.00000	788	0.17000	133.96000	Recommended as appraised for procurement of Khoji Box for 788 senior secondary schools. It comprises: puzzle box, chemistry box, Physics box, math box and robotics and electronics box.
			18-Funds for Awareness Campaign	R	2370	0.12000	284.40000	2370	0.08000	189.60000	Recommended as proposed for implementing various awareness programmes to help increase enrollment for all secondary/senior secondary schools. National campaigns such as 100-Days Reading Campaign, Ek Bharat Shresth Bharat, Fit India Movement, Swach Pakhwada etc., will be covered under this programme.
			19-Strengthening of Science Labs at Sr. Secondary Level (Funds for consumables)	R	743	0.30000	222.90000				Not Recommended. This proposal is for consumable/perishable items for strengthening the science labs. This can be covered under the composite school grant or MMMER.
			20-Support at District / Block Level for Student Orientation	R	20	19.00000	380.00000	20	14.80000	296.00000	Recommended as appraised for counselling/ guidance centers at all 20 district headquarter. The cost includes honorarium for 1 Clinical Counselor/Doctor @ 35k pm, 2 Counsellors @ 27k pm, 1 DEO @ 16k pm, and 1 MTS @ 10k pm; and Other cost of Rs 1 lakhs per district for miscellaneous support etc. This support is provided as a one time grant and not become a liability to MoE. From the ensuing year i.e., 2025-26, support may be provided from the UT budget.
			21-Virtual Classroom	R	300	6.40000	1920.00000				Not Recommended. Samagra Shiksha framework permits either ICT or virtual classroom. PTR for upper primary is 9:1 which is okay as per RTE norms (35:1). Hence sufficient teachers shall be deployed instead of establishing virtual classrooms in school.
