1. Introduction:

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2023-24 for SAMAGRA SHIKSHA for the UT of Ladakh was held on 3rd May, 2023 through Video Conference. The list of participants who attended the meeting is at **Annexure-I**.

Section: I - UT specific initiatives, Review of Performance & Issues

Sh. Sanjay Kumar, Secretary (SE&L) invited Ladakh to give a presentation on School Education in the UT. Sh. Tsering Paldan, Director, School Education (Ladakh) gave a presentation which included the following major points:

a) Best Practices

1. **Community Mobilization:** Awareness programmes to engage community members in all aspects of school development are being held at the village level. The SMCs/SMDCs have taken initiatives to enhance enrollment in schools with low enrollment. Zonal level enrollment drives have also been undertaken for increasing enrolment in KGBVs.
2. **Science Exhibition:** Zonal, district and UT level science exhibitions were held and the 10 best models were presented.
3. **Science Seminar:** Was held at held at zonal, district and UT level. School students also participated at National level competition and won the first prize.
4. **Kala Utsav:** The Kala Utsav events were organized at school level, district level and UT level. Students also participated at the National level event.
5. **Teaching Learning Material Mela:** The TLM melas were organized and schools from both Kargil and Leh districts participated at district and UT level program organized by DIET.

1. Review of Commitments and Expected Outcomes & Action Taken during 2022-23

The progress made in implementing the commitments and expected outcomes given by the UT in 2022-23 was reviewed and the status in respect of pending items is as under:-

Sl. No.	Commitments	Action Taken	Comments of the PAB 2023-24
1.	Pending works in Non-recurring/Spillover: UT was asked to ensure that the in-progress works are completed on priority.	All works are under execution through different agencies and are expected to be completed by the end of this working session.	UT was asked to complete all pending works sanctioned prior to F.Y. 2022-23 on priority basis.
2.	High Dropout Rate: Though the dropout rate at the secondary level has improved from 11.4in	After proper examining and cross checking the district level enrollment data and Child population	UT may review the population projection figures in collaboration with line Departments.

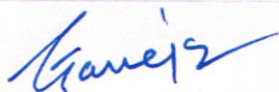

Sl. No.	Commitments	Action Taken	Comments of the PAB 2023-24
	2019-20 to 3.4 in 2020-21, although UT needs to continue taking adequate measures to reduce the dropout rate and improve the retention rate.	of RBSK/Health department there is not out of school children in Ladakh except those who have severe multiple disabilities. The calculation of the ministry is as per the projected population and the population growth in Ladakh which is very low i.e 0.5%.	
3.	Gross Enrollment Ratio: GER is low at all the level. It is 81% at Primary level, 67%at upper Primary level, 58% at Secondary level and 48% at Hr. Secondary level. UT needs to come up with effective strategy to improve GER at all the level.	SED is planning a massive exercise of House hold Survey in the month of May-June.	UT needs to focus on further improving the GER at all levels especially primary level and develop a plan of action regarding drop outs due to the pandemic and migration.
4.	Surplus Teachers at Elementary level: There are still 563 Surplus Teachers at Elementary level, while the number of single teacher schools has increased at the primary level. The number of schools with adverse PTR is also quite high at the primary level i.e. 11.2%. Only 1.97% Upper primary schools having 3 subject teacher as per the RTE norms. UT needs to go for a rationalization of teachers, to ensure availability of required number of teachers in all schools.	SED Ladakh is not satisfied with the 563 surplus teacher data. It may be a consolidated data of all management. However single teacher schools have been merged with the nearby schools and rationalization has initiated by LAHDCs.	UT was asked to review the data and the share the same with the Ministry.
5.	Subject PTR at Secondary level:	UT Ladakh has deployed science and Math graduate	UT was asked to review the deployment status of teachers

SI. No.	Commitments	Action Taken	Comments of the PAB 2023-24
	Only 7.4% secondary schools are having teachers for all core subjects. Subject PTR at the secondary level is 79 for Mathematics, 41 for Science and 106 for Social Studies. UT needs to ensure required number of Mathematics, Science and Social Studies teachers in all schools at the secondary level.	teachers in all those schools where Science and mathematics teachers are not available.	and may rationalize surplus teachers (if any, post recruitment) and devise a teacher transfer policy for optimal availability of teachers for all students.
6.	Teacher Vacancy at Elementary level: There are 507 vacant posts of teachers in Govt. Elementary schools which is an increase of 7.62% vacant posts. Therefore UT needs to be filled up the above vacancies on priority.	Data needs to be rectified.	
7.	Out of School Children: There is sharp decline in the number of out of school children from 87 children in 2021 to around 52 in 2022. Moreover, the Drop Outs in the age group of 6-14 years identified by the UT are also few in numbers at the elementary level. UT is requested to verify these numbers so as to ensure that no child is left behind.	Survey is being conducted.	
8.	KGBVs: Out of the total number of 20 KGBVs sanctioned in the UT, 05 KCBVs under Type IV are not yet functional and 01 KGBV under Type I also yet to	The construction of KGBV Type I, located at Kharu and Durbuk is at finishing level and all the KGBV Type I are made functional.	UT to ensure all KGBVs are fully functional within the current financial year.

SI. No.	Commitments	Action Taken	Comments of the PAB 2023-24
	<p>be made functional by the UT.</p> <p>Similarly, out of 10 KGBVs under Type I, construction of 02 KGBVs (located in the Durbuk and Kharu of Leh district) is still in progress and also 02 KGBVs (located in the Taisuru and Zanskar of Kargil district) not yet started.</p>		
9.	<p>Inclusive Education:</p> <p>Out of a total number of 79253 students, the number of Children with Disability (CwD) is 572 i.e., less than 1%. Further, out of a total number of 1056 schools, the total number of schools with CwD is 10 i.e., 23% and of these the number of schools with >10 CwD is 10 (1%) while the number of schools with <10 CwD is 232 (22%). UT is requested to take concerted efforts to ensure timely identification for wider coverage and requisite interventions and support.</p>	<p>Ground assessment has been conducted in collaboration with Health and Social Welfare department to identify the cases individually.</p>	<p>UT to undertake screening of all students through PRASHAST mobile application.</p>
10.	<p>Vacancy of Academic positions in TEIs:</p> <p>Vacancy of academic positions in 2 Functional DIETs is 8% with only 46 faculties in position as against a total sanctioned post of 50. These vacant posts need to be filled up on priority as it is also directly impacting PGI indicators 2.1.12</p>	<p>Stands implemented</p>	<p>During the PAB meeting as per the data received, as per the information received from the UT, it was observed that vacancy of academic positions in 2 Functional DIETs is presently 18%. UT was asked to fill the vacant posts on priority.</p>

2. Review of performance during 2022-23:

PGI UT for 2021-22 is now open for data entry since January, 2022 and though UT has initiated the process only few entries have been made. UT had secured a score of 844 in Performance Grading Index (PGI) and was placed in Grade I. The Domain-wise Gaps in 2020-21 as compared to 2019-20, 2018-19 and 2017-18 are shown below:

Year	Category 1				Category 2	Total
	Domain 1 (180)	Domain 2 (80)	Domain 3 (150)	Domain 4 (230)	Domain 1 (360)	All Domains (1000)
2017-18	132	53	88	203	168	644
GAP	48	27	62	27	192	356
2018-19	132	55	105	199	212	703
GAP	48	25	45	31	148	297
2019-20	114	49	110	196	76	545
GAP	66	31	40	34	248	455
2020-21	132	66	137	214	295	844
GAP	48	14	13	16	65	156

UT was requested to examine its score in each domain and take measures to improve its overall PGI score.

- a) **Learning Outcomes and Quality (C-1, D-1):** UT still needs to work on providing interventions to improve the learning outcomes of the students.
- b) **Access Outcomes (C-1, D-2):** There is improvement under this domain. UT needs to focus on the Adjusted Net Enrolment Rate (ANER) at Secondary level and UT should adopt an appropriate planning strategy for conducting surveys to identify children who are out of school and have returned after pandemic related lockdown or due to reverse migration and other reasons.
- c) **Infrastructure & Facilities (C-1, D-3):** There is substantial progress under this domain. UT was encouraged to further take measures to reach the top grade, with specific focus on integrated science labs as well as computer labs in secondary schools, ramps with handrails and disabled friendly toilets for children with special needs.
- d) **Equity Outcomes (C-1, D-4):** There has been significant improvement in this domain. Percentage of schools having functional disabled friendly toilets is an area of concern.
- e) **Governance Processes (C-2, D-1):** There has been significant progress under this domain. The UT needs to focus on mapping funds arranged through PPP, CSR etc. as a percentage of UT budget on education during current year, merit-based selection system for recruitment of school heads/principals and filling academic positions that are vacant, in timely manner.

3. Appraisal issues/ Commitments for 2023-24

- **Pending Works in Non-recurring/Spill Over:** The year-wise details of pending non-recurring interventions under different components are as detailed in the table below. **UT was asked to ensure that the in-progress works are completed on priority in this financial year.**

Status of physical progress of pending Civil works (As on 28.02.2023)- Ladakh					
Sl. No.	Item of Construction	Sanctioned	In progress	Completed	Not started
Elementary Level					
1	Primary School Buildings	1	0	0	1
2	Upper Primary School Buildings	1	0	0	1

Granejz

- **Gross Enrolment Ratio (GER):** GER is low at all the level. It is 79.54 at Primary level, 66.11 at upper Primary level, 58.76 at Secondary level and 49.44 at Higher Secondary level. UT needs to come up with effective strategy to improve GER at all the level.
- **Net Enrolment Ratio (NER):** The NER is very low at all the level. It is 59.78 at Primary level, 42.80 at upper Primary level, 29.91 at Secondary level and 30.32 at Higher Secondary level. UT needs to take appropriate measures to improve NER.
- **Surplus Teachers at Elementary level:** There are still 563 Surplus Teachers at Elementary level and around 19% schools at Primary level and 10% schools at Upper Primary level have adverse PTR. UT needs to go for a rationalization of teachers, to ensure availability of required number of teachers in all schools.
- **Transition Rate of Girls (Secondary level):** Transition rate is 94% at Primary to Upper Primary, 98% at Upper Primary to Secondary and 91.5% at Secondary to Higher Secondary level. Transition rate of girls is less than that of boys at higher secondary level which is a matter of great concern.
- **KGBVs:** Out of the total number of 20 KGBVs sanctioned in the UT, all 10 KCBVs under Type I are functional and 02 out of 10 KGBVs under Type IV are yet to be made functional.
- **Inclusive Education:** There are 1,052 children with special needs (CwSN) enrolled against total enrollment of 59,788 students i.e. 1.8%. For the screening of disabilities (as per RPwD Act, 2016) for all students at school level on the PRASHAST mobile application, only 51 users have been registered and 01 has been verified. UT may undertake orientation for using the mobile app for screening of all relevant stakeholders and ensure all users are verified for undertaking the disability screening activity at school level. UT to take concerted efforts to ensure timely identification of CwSN and provision of requisite support services to ensure completion of schooling for all identified CwSN.
- **Vacancy of Academic positions in TEIs:** Vacancy of academic positions in 2 Functional DIETs is 18% with only 41 faculties in position as against a total sanction of 50 posts. These vacant posts need to be filled up on priority as it is also directly impacting PGI indicators 2.1.12. As per Budget Announcement for 2023, the focus of the Ministry is strengthening of SCERTs and DIETs and as such State/UT need to prioritize the process of filling up of existing vacancies of academic positions in these institutions.

UT is advised to take up post NAS-21 and post FLS activities for the fund approved under the assessment, quality and innovation head. Activities like understanding the reasons behind low performance in certain Learning Outcomes (LOs), encouraging sharing of best practices and strategies by setting up teacher forums, and development of team at block, district level to work towards improvement of students attainment specifically in subject specific LOs are encouraged.

Section: III- Financial Estimation

2. Total Estimated Budget (2023-24)

The estimates for the AWP&B for 2023-24 under Elementary, Secondary and Teacher Education are as under:

(Rs. in lakh)

Head	Spill over	Non-Recurring (Fresh)	Recurring * (Fresh)	Total Fresh (3+4)	Grand Total (Including Spill-Over) (2+5)
1	2	3	4	5	5
Elementary	3,831.81	2,910.99	6,327.17	9,238.16	13,069.97
Secondary	4,839.57	574.66	2,497.49	3,072.15	7,911.72
Teacher Education	17.64	0.00	132.05	132.05	149.69
Total	8,689.02	3,485.65	8,956.71	12,442.36	21,131.38

*Includes Programme Management (MMMER)

3. Actual Releases by GOI during 2023-24

Against the above estimates, Central Government shall provide to the UT Government, Rs.18,248.71 lakh as its share (Rs.12,404.44 lakh for elementary, Rs.5,687.78 lakh for secondary & senior secondary and Rs.156.49 lakh for Teacher Education). UTs will also be able to utilise their unspent balances as on 31st March, 2023 for the activities approved in 2022-23 including spill over.

Based on the demand of funds projected for 2023-24, the tentative share of recurring and non-recurring grants is given below:

(Rs. in lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	6,327.17	2,497.49	132.05	8,956.71
Non-recurring	6,077.27	3,190.29	24.44	9,292.00
Total	12,404.44	5,687.78	156.49	18,248.71

The Balance of the outlay (i.e. Rs. 8689.02 lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2023-24). Against the above Spill over, the committed liability of Department of SE&L is Rs.5,806.35 lakh (Rs.3,166.28 lakh for Elementary, Rs.2,615.63 lakh for Secondary and Rs.24.44 lakh for Teacher Education) keeping in view the total approvals and grants already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

As per Section 7(5) of the RTE Act, 2009, the UT Government shall after taking into consideration the sum provided by the Central Government above, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2023-24. The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The UT should invariably provide Single Budget Head during 2023-24 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha. Fund flow to SCERT, DIET etc. will be through UT Nodal Account of UT Implementing Society only.

In case of ineluctable needs, the targeted locations for approved Samagra Shiksha interventions can be modified up to 10% of the total allocations by the State/UT without any change in the financial costs. For Example- If the intervention of 100 Smart Class have been sanctioned to 100 schools, the location of 10 schools may be changed to other schools by States/UTs, subject to the conditions that new schools (Schools in which smart class is now provided) are fulfilling the Samagra Shiksha Norms/criteria of sanction of Smart Class.

Also, the modified locations should not amount to more than 10% of the total financial approval for the given activity as well. **It is noteworthy that the location should be changed only when it is not possible to implement that activity at the approved location.** While changing the location of any interventions, the norms of Samagra Shiksha for that particular intervention should be strictly adhered to. Any change in this connection, should be informed to the Department with proper justification and supporting documents.

Further, wherever States/UTs involve/engage a third party or organisation for the implementation of a programme/intervention/activity approved under the Samagra Shiksha Scheme, the complete responsibility for such involvement/engagement of the third party with reference to financial/legal or any other implications will rest with the respective State/UT only. Approval of any activity under Samagra Shiksha Scheme for which third party has been engaged by the State/UT does not tantamount to any endorsement (financial/legal and any other) by the Ministry of Education for the involvement/engagement of such third party or organisation.

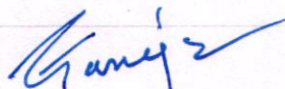

4. Spill Over

An outlay of **Rs.8,689.02 lakh** as Spill over under various activities falling under Elementary Education, Secondary Education and Teacher Education was estimated with the condition that all pending activities should be completed during this year 2023-24. The detail is enclosed at **Annexure II**.

5. Costing Sheet

The consolidated item-wise estimate for 2023-24 is at **Annexure III**. The UT must bifurcate the annexed costing sheet among all the Districts according to their proposals/approvals and capture the district wise expenditure against the budget allotted, on the PRABANDH portal on a monthly basis for the real time monitoring of each activity/component approved under Samagra Shiksha. Also, UT needs to ensure that timely implementation of the various interventions.

The meeting ended with a vote of thanks to the Chair.

List of Participants

Ministry of Education, Government of India

1. Sh. Sanjay Kumar, Secretary (SE&L)
2. Ms. A. Srija, Economic Advisor (SE&L)
3. Sh. Vipin Kumar, Joint Secretary (SS-II)
4. Sh. Venkatramana Hedge, DDG (Statistics)
5. Sh. Charanjit Taneja, Deputy Secretary
6. Sh. Shobhit Gupta, Director (Finance)
7. Sh. Rajesh Kr. Maurya, Under Secretary
8. Sh. Hemant Sorte, Section Officer
9. Sh. Dheeraj Jain, Assistant Section Officer
10. Ms. Sohila K. Bakshi, Consultant & UT Coordinator, TSG, Samagra Shiksha
11. Ms. Alka Mishra, Chief Consultant, TSG, Samagra Shiksha
12. Sh. Wamiq Towhid, Sr. Consultant, TSG, Samagra Shiksha
13. Sh. Adil Rashid, Sr. Consultant, TSG, Samagra Shiksha
14. Sh. Abdullah Faisal, Sr. Consultant, TSG, Samagra Shiksha
15. Sh. Selva Ganesh, Sr. Consultant, TSG, Samagra Shiksha
16. Sh. Abdul Momin, Consultant, TSG, Samagra Shiksha
17. Sh. Shakeel AhemedQuereshi, Consultant, TSG, Samagra Shiksha
18. Ms. Renu Ruhil, Consultant, TSG, Samagra Shiksha
19. Sh. Ataullah Khan, Consultant, TSG, Samagra Shiksha
20. Appraisal Team Members- TSG Consultants, Samagra Shiksha

UT Administration of Ladakh

1. Sh. Tsering Paldan, SPD, School Education, Ladakh
2. Sh. Gulzar Danish, OSD
3. Sh. Zakir, AO
