Education Ministry's tableau weaves a link between the past, present and future of education of India--Shri Dharmendra Pradhan

**New Delhi
February 4th, 2022**

Union Education and Skill Development & Entrepreneurship Minister Shri Dharmendra Pradhan expressed his happiness at the Education Ministry's tableau winning the best tableau award in the Central Ministries/Depts. category at the Republic Day parade, 2022.

He further said that the tableau showcased National Education Policy 2020 with the theme "From vedas to metaverse" weaving a thread between India's glorious past, present and smart future of education in India. He lauded the efforts of the officials of the Ministry in highlighting the vision of education from ancient to modern times through the tableau. He also congratulated other winners of the competitive presentation in the Republic Day Parade 2022.
